Testimonials

Ms. Irene John
Senior Engineer, Petrofac Ltd.,

"My experience at Saveetha School of Engineering has inspired me to track down my love for quality life, which I have achieved now. The professors here offer industry knowledge clumped with academic nuggets which is a wonderful pattern to study. Not only that, the University helps you gain work experience through volunteering and work placements! I just attribute my salutation to Saveetha School of Engineering for its wonderful initiation in sculpting my life."

Mr. Mouli Ramasamy
Ph.D Scholar, Penn State University, USA

"I would like to attribute a whole lot of indebtedness to Saveetha in all promising ways because what amount of appreciation I make towards my Alma Mater would be in-suffice. Saveetha had taken the whole responsibility of transmuting me from a shy, non-spoken to a versatile and a successful Research Scholar at Penn State University. I don't think I would have multiplied this sort of knowledge anywhere in any other university. Today I challenge the world. Everything was made conceivable only by my stopover at Saveetha School of Engineering for four years."

Saveetha School of Management, a premier Business School of the esteemed Saveetha University was established in the year 2008 extending its reach into the niche areas of higher education. Saveetha School of Management (SSM) has become a Global Player in Management education by offering innovative curriculum and imparting learning through MILA (Multiple Interactive Learning Algorithm). Combining MBA course with finishing school module, SSM commits itself to produce Industry-specific Management Professionals who will be ready to plug-n-play. The unique Selling Proposition (USP) of SSM is to produce MBA candidates with hands-on experience.

"Saveetha School of Law has turned me into an outspoken person. The encouragement given by the faculty members to participate in the various moot court competitions has killed stage fear within me. Now, I am confident enough to face the bench of any court and present my case. The clinical legal education has imbibed the spirit of brotherhood within us. I feel fortunate to be an Alma-Mater of Saveetha School of Law."

Student Facilities

Convention Centre and Auditoriums

We enhance our students talent by providing stunning platforms like 3 air conditioned 1000 seater halls and 8 air conditioned 300 seater galleries. The performance quality of any artist is exalted by the plethora of AV facilities that add to the available infrastructure.

Hostel

Hostel is a home away from home. It's the place where students capture the most memorable moments in their life. We at Saveetha have taken this as our passion to provide the best facilities to make students' life enjoyable. This is evident by our amazing 4 Seasons Hostel which is better furnished than most luxury service apartments. With inbuilt AC, Unlimited WiFi, Fridge, Cabinet Kitchen, Washing Machine and so many other facilities makes the students' life comfortable.

Transport

Saveetha University extends its travel facilities to the faculty and students by providing 63 Hi-Tech Air buses.

Food & Beverage

Food is one of the most daunting things in the mind of any new graduate entering an unknown place. This is made worse by a set meal plan that is unappetising and disliked by most students. We have innovated our mess system to function like a prepaid a la carte restaurant. This system offers flexibility to the students to choose among 99 different menu items. This is further made more practical by our food court, cafeteria and ATMs across the campus. The student ID card which also serves as the mess card / prepaid food card can be used through out our amazing campus.

Sports

Realising the importance of physical fitness, We at Saveetha University encourage the students to involve themselves in various sports activities. Our facilities include Olympic size swimming pool, 2 exclusive Tennis, and Basket Ball Courts & a High Tech Gymnasium etc., apart from ample open space for other sports.

Research

Saveetha University has taken numerous steps to inculcate research culture among our students. We proudly claim to have one of the most research intensive curricula for undergraduates in the country. With nearly 37 research centres and Centres of Excellence, our students and faculty members are highly involved in scientific, inter-disciplinary and cross-professional research. Our University supports the research activity by providing funds and also recognises the exemplary research work by the faculty and students by rewarding them with various awards.
