MESSAGE

FOUNDER & CHANCELLOR

Welcome to the Apex Professional University (APU).

Since its foundation in 2013, Apex Professional University has worked to cultivate academic freedom under a spirit of self realization, self-respect and to open up new horizons in creative scholarly endeavor.

Apex Professional University (APU) has been established with the singular goal of transforming the youngsters into focused, responsible, committed and confident professionals in the desired field. To achieve this, Apex Professional University (APU) has provided the finest teaching minds, whose guidance is reinforced with decades of teaching experience, international exposure and understanding.

The pace of global environmental degradation accelerates, unprecedented major disasters and deadly infectious diseases wreak havoc across the world. Financial crises shake both national economies and individual lives to the very core. Universities need to think seriously about what they stand for in these turbulent times. Meanwhile, the Government of India is working with universities and industry to promote the cultivation of global human capital & calling on universities to implement reforms designed to raise their competitiveness internationally. Apex Professional University now needs to identify how best to respond to the demands of government & wider society while remaining true to its founding spirit.

At this nascent stage of development of the University, you may not have the kind of physical comfort as one might expect from a pioneering University. But that would be more than duly compensated by the stimulating intellectual environment & innovative Programmes of Study which shall enable you to stand apart & make rapid strides in your career.

I am sure that your stint with this University will contribute immensely in fulfillment of your cherished goals towards excellence in career building and development of your personality into a good human being and responsible citizen. I am confident that you would be able to realize your full potential and make a mark in social and corporate life. You will chart a new path of excellence and meet the challenges of the globalized world. I am quite sure that with

our combined efforts the Apex Professional University (APU) will carve out its hallowed status in the national and international arena of higher education and that together we shall be able to contribute to the welfare and development of the local people, culture and society of Arunachal Pradesh and larger community of academic across the county as well.

In order to accomplish our vision and mission, we are prepared to enhance efforts to the best possible extent for the betterment of academic scenario in India. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful career of our students, which subsequently benefit the society. We feel proud that we have found such an excellent University which can shape modern India.

This Prospectus will give you a flavor of what makes our University special, in terms of our academic expertise, whether you are a student, employer or a prospective colleague.

I wish you all the best in your future career as a student of Apex Professional University (APU).

Blessings
Acharya Dhanwaant Singh
Founder & Chancellor

MESSAGE

VICE CHANCELLOR

2018 has been a historic year for Apex Professional University

Which completed five years of its existence. This has been a year in which we widened and deepened our access to higher education for those from challenging backgrounds which includes our students who are first generation literates. The University believes in imparting education through a blend of the traditional GURUKUL system and the modern tool of BLOOM'S TAXONOMY which inculcates the skill of understanding, analysing and interpretation of a subject.

The unique feature of the University has been to empower aspiring students through appropriate skill development leading to gainful employment and in certain instances serving as an impetus to enhance entrepreneurship skills. This has been achieved by introducing novel educational flexible programmes like multi-entry and multi-exit admissions, admission to external students, biannual admissions to meet the huge literacy requirements of the masses of the north eastern state. The continuous exploration of the new strategies had resulted in flexible but dynamic curriculum which reflects the latest academia-industry interaction to meet the present-day market expectations.

Keeping in view the tremendous change in the mode of teaching, the University has impressed upon the student fraternity that the teacher is no longer a feeder but a facilitator. The University believes in preserving the unique culture through the portals of our University which is meant ultimately for the refinement and enlightenment of the society. This justifies the moto of the University which is inspiring the minds, creating leaders and transforming them into responsible citizens.

The University has slowly but steadily obtained a unique place in the history of Arunachal Pradesh in particular and the nation in general. It is not only a place for education but also a confluence of ethics and culture through ancient,

modern and post-modern thoughts. In this journey the University has also focused on the latest tools for imparting education which include tie-ups with IIT – M and obtaining online study material from University Grants Commission (UGC). The University has digital library facility and a computer lab to facilitate students so that they can get access to the latest information. To move in this desired direction the University is providing the finest teaching minds whose guidance is supplemented with excellent teaching experience, exposure and understanding.

The University believes in reaching the pinnacle of glory in the field of higher education and under the able guidance, vision and mission of the dynamic and exuberant personality of the Chancellor, Acharya Dhanwant Singh, these goals I am sure, will materialize with the desired objectives.

At this stage of development of the University, there are certain constraints but one is sure that with the support of the students who have chosen APU for their higher studies this will be overcome and the University will move towards greater heights.

I wish you the very best in your academic pursuits and I am always available for the students.

Dr. (Maj) Ashok Kumar
Vice chancellor

ABOUT ARUNACHAL PRADESH

Arunachal Pradesh, meaning "Land of the Rising Sun," for long has been a recognized region of the Indian subcontinent, receiving mention in such Ancient Indian literature as the Kalika-purana & the epic poems Mahabharata & Ramayana. Formerly known as the North East Frontier Agency (from the British colonial era), the area was part of Assam until it was made the Indian union territory of Arunachal Pradesh in 1972, & in 1987 it became an Indian state.

Arunachal Pradesh constitutes a mountainous area in the extreme northeastern part of the country & is bordered by the kingdom of Bhutan to the west, the Tibet Autonomous Region of China to the north, Myanmar (Burma) & the Indian state of Nagaland to the south & southeast, & the Indian state of Assam to the south & southwest.

Pasighat – Smart City

Pasighat is the oldest town of Arunachal Pradesh and found in 1911 A. D. by the British as a gateway to administrative convenience of the greater Abor Hills and the north area in general. Nestled along the shores of beautiful mighty Siang River (also known as the Brahmaputra), Pasighat sits as the 'Gateway to Arunachal Pradesh' and it is blessed with an enchanting scenic beauty of lush forests, majestic mountains, sparkling waterfalls & splendidly gorgeous hanging bridges.

Pasighat is the education capital of Arunachal Pradesh. The significant development in Pasighat that came after that was the Apex Professional University established on 10th May 2013. The Government of India included Pasighat in the Smart Cities Mission development scheme in June, 2017. Pasighat is well connected by train and bus from Guwahati. With the inauguration of Bogibeel bridge over river Brahmaputra, it will be a journey of 2-3 hours from Dibrugarh.

॥ आथतो: ज्ञान जिज्ञासा ॥

Years ago, India was renowned for its rich culture, developed sciences and excellences in education. People from all over the world would travel to India to avail its wealth of knowledge. However, in the course of time, this heritage was put on hold by Lord Thomas Babington Macaulay and the country is no longer the model it once was. Luckily, this knowledge is still available to us in our traditional literature. But people, even most Indians, are not aware of this knowledge, nor of its potential as a remedy for the ailments that plague our modern world.

APU is committed to the preservation, digitization and promotion of ancient Indian knowledge systems. It aims at helping the universal family of the world by providing education of the time tested wisdom of India.

VISION OF THE UNIVERSITY

Apex Professional University will be a leading Gurukul, known for its academic excellence and its commitment to faith that seeks understanding, where wisdom is pursued, vocation is discerned, and service is fostered.

MISSION OF THE UNIVERSITY

- To discover, preserve and disseminate ancient Indian knowledge, to educate the next generation of global citizens;
- To develop human potential to its fullest extent so that it fosters innovation, enterprise and enthusiasm for excellence;

PHILOSOPHY OF THE UNIVERSITY

Wisdom is the culmination of vast knowledge. With it, comes the ability to make sound judgements & decisions.

Integrity is about right values and morals in life. It is the backbone that upholds strong and positive character.

Brilliance is quality beyond experience. It is concerned with achieving the highest standards and outperforming the rest.

“Our vision for 2020 is to be among the country’s best university, known for the quality of our teaching and learning.”

WHY APU

REDEFINING ACADEMIC EXCELLENCE

At APU we are passionate about grooming leaders who are not only thorough professionals but also good human beings with values and sanskars.

Apex Professional University (APU) provides modern gurukul environment for the holistic growth of students, under the able guidance of experienced and dedicated teachers. Students acquire creative, innovative, entrepreneurial and the technological skills, which are required to make them professional and industry ready. The curriculum is broad-based and students are allowed to register for many programme electives, as also open electives from diverse streams. Experts from industry are also invited frequently to address the students and give them the important industry perspective in a course.

Education at APU is not just about books and classrooms, but also about overall personality development and honing special skills. A student can achieve and accomplish many goals because of the variety of facilities offered. Apart from gaining a degree that is recognized all over the world, a student actually graduates with an edge over the others, which is so necessary in today's competitive world. APU students have their hands full, with various curricular, co-curricular and extra-curricular activities happening all round the year. The campus is fully wi-fi enabled and Central Computing Facility. The academic process is completely automated, with an Academic Management System in place, which allows students and their parents to access

their grades and attendance, etc., from the confines of their homes. It also renders the evaluation and online examination systems that are open and transparent.

The faculty at APU is highly qualified and is assisted by an eminent and experienced Adjunct faculty from academia and industry. An Advisory Board, consisting of renowned academicians and industrialists, both from the state and centre, is in place, to provide the necessary expertise on all academic matters and for planning for future academic activities.

The spacious and state-of-the-art digital Library at APU is adequately stocked, with the requisite number of reference and text-books, a large number of national and international journals of repute, e-books and e-journals. Students and faculty are given on-line access to many e-books/courses, from National Library, NPTEL, CEC, etc.

Many indoor and outdoor facilities are available to students for sports, cultural and technical activities, outside the classroom, through various Student Clubs. The sports facilities include Table Tennis, Carrom, Football, Tennis, Badminton, squash, throwball, kabaddi, etc. Intra-college and inter-University matches take place regularly, throughout the year. The Music, Literature and Dramatics Clubs facilitate students to show their prowess in the cultural arena, under the able guidance of expert faculty.

AT APU WE ARE PASSIONATE ABOUT GROOMING LEADERS WHO ARE NOT ONLY THOROUGH PROFESSIONALS.

BEYOND ACADEMICS

HOLISTIC DEVELOPMENT FOR OVERALL GROWTH AS AN INDIVIDUAL

Personality Development: To help students in personal grooming, special sessions are held on business etiquettes, decision making skills and effective communication. Special classes are held on leadership, teamwork and analytical skills.

Community Service: National Service Scheme (NSS) provides diversified opportunities to students to develop their personality through community services. It is mandatory for all APU students to join NSS. This scheme is under the Ministry of Youth Affairs and Sports, Government of India and NSS cell, Higher and Technical Education, Govt. of Arunachal Pradesh.

Values & Ethics: The education framework at APU is rooted on certain key values and ethics. It stresses on principles such as patriotism, courage, respect for elders. It is this sense of purpose that has led to the creation of the '108 Attributes of an Apexian'.

Counselling: The unique Mentor-Mentee Concept at APU ensures a constant interaction between the faculty and students. A faculty member is assigned to a group of 10-12 students to counsel them on their academic and personal concerns.

Book Bank: APU provides Book Bank facility to the students and the main aim of this service is to help the needy meritorious students. Students can borrow upto 5 books from this Book Bank for a period of one semester.

Student Clubs: At APU, students are encouraged to become a member of different clubs and committees. With different clubs, APU connects students to a platform where they can exchange knowledge, build awareness, and receive recognition.

Khel Utsav: At APU, sports form one of the important aspects of a student's development. APU organizes Khel Utsav every year to inculcate the spirit of competitiveness among students. As part of its commitment to nation building through education & other initiatives, APU has always supported sports, sports events & encouraged sporting talent.

Do what you Love: Events and activities are a very important part of students' life in a University. APU provides amazing opportunities to students for trying things they never had the chance to do. They get complete support in order to ensure that each event is of a high standard and all objectives are met. Activities include anything from extracurricular, academic activities to talent shows & Zalwa - Cultural fests.

TEACHING PHILOSOPHY

The teaching philosophy at Apex Professional University is built on providing industry ready professionals. To achieve this, a variety of learning tools are used for the acquisition of knowledge, assignments, quizzes, seminars, industry visits, corporate speak, book review and emphasis on contemporary issues, ethics and social responsibility in every course, are some of the methodologies used.

SCHOOL OF AGRICULTURE & ANIMAL SCIENCES

Feeding the world, Protecting the environment, improving the life.

These global challenges are a focus of teaching, Research & Outreach in the School of Agriculture, Apex Professional University (APU). School of Agriculture delivers knowledge, skills and research in the areas of agriculture, agribusiness, food, plants, soils & animals to develop sustainable farming systems for improving productivity & profitability in agriculture.

Our School gives its students to access exceptional opportunities by engaging with experienced teaching staff and industry leaders. Graduates of our School are highly sought after professionals that help investigate solutions to unrelenting world issues, such as climate change, food security, biosecurity & the protection of endangered wildlife.

The School maintains close ties with industry and government to ensure that our students are of high value to future employers. Hands-on & practical learning is embedded into all programs and reinforces what students are learning in the classroom. Students are continually encouraged to complete work experience during their studies. This will enable them to test out possible career outcomes and will help build important relationships and career networks.

By 2050 we anticipate that the worlds' population will have increased by 2.3 billion. Food and fibre production must increase by 70% to meet the needs of this larger and more wealthy global population. Our challenge is to meet this increased demand for agricultural produce, and to do so with the least possible environmental insult. Furthermore, we need to ensure that our agricultural enterprises are profitable, that our rural communities remain vibrant, & that the Indian community achieves the correct balance between conflicting land uses (agriculture, urbanization, mining, conservation). This is the exciting domain in which the staff of our school work, and for which we train our graduates.

SCHOOL OF INDIAN METAPHYSICS

The word 'Veda' itself denotes knowledge in its widest sense. The word Veda comes from the Sanskrit word Vid (to know).

For millennia, India has had its own native educational methodology that is firmly rooted in the scientific tenets of rigorous analysis, logic, experiential validation and repeatability. Vedas form the base of its unique Knowledge culture, but it has accommodated several regional indigenous disciplines over time.

Ayurveda and Yoga are fruits of the Vedic system that are highly valued and popular today. However, it is lesser known that at their base lies a firm theoretical foundation of deep,

holistic study of Nature, Human psychology, and of Knowledge itself, its means (observation), methods (logic and language) and validation (experimentation).

Programs are designed to groom the next generation of professionals, who will be able to study, articulate and implement the holistic Indic concepts in practical life, while bridging the gap between ancient and modern scientific discourse. The programs will also help to efficiently manage one's body, mind and soul and embark upon thriving career paths.

SCHOOL OF HEALTH AND ALLIED SCIENCE

Healthcare industry is the largest growing industry. There is a large gap between need of competent and supply of good quality healthcare professionals. This necessitates the initialization of more and more educational institutions to meet local, national and global demand for health care providers. Considering this, Apex Professional University (APU) has established School of Health and Allied Sciences with the objective of producing skilled manpower in different areas of allied health sciences for better healthcare delivery in the North East.

The major contribution of the allied health professionals is in strengthening the medical and health services by being the major assisting support system to the mainline medical and health personnel in treating the patient in disease and promoting health in the society. The course structure and curricula of different academic programs and courses offered by the school have been framed and designed by eminent academicians and professionals keeping in mind the present requirements and future needs of the current medical services and health industry. This would enable the graduates so produced to well meet the expectations and ever increasing technology oriented health care demands.

The students admitted from a wide range of caliber and social background receive personal attention, exposed to

advance teaching and learning environment to shape them into a career oriented professionals and entrepreneurs with bright future and job opportunities. Curriculum innovation is given priority by the university to make the courses meet the ever increasing demands of the research oriented hospital services and health industry.

The ultimate aim of the school is to prepare the admitted students into a highly skilled human resource in the area of paramedical teaching, research and health technology that not only get good employment but could in turn contribute in creation and enhancement of such a work force in the future.

GENERAL GUIDELINES FOR ADMISSIONS

Information published by the University in this Prospectus, International Booklet, APU- 2018 Kit, University Website, Advertisements or otherwise in any manner must be read in conjunction with supplements, updations, rectifications, clarifications, corrigenda, notices etc. as and if issued by the University from time to time. Changes if any in the prospectus will be published as corrigenda in newspaper and/ or website. Applicants & others concerned must ensure that they know up-to-date information before applying for admission or any other purpose whatsoever.

1. Any degree/diploma obtained from a University, Board, Council, Institution, College etc. declared recognized by the University Grants Commission (UGC) or incorporated by an act of the central or state legislature in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India or any other concerned apex body as applicable shall be considered for admission to the University. In case any degree/ diploma obtained is not recognized by UGC or any other concerned apex body as mentioned above, result of the entrance test or interview (if applicable) and admission, if granted shall stand cancelled and the applicant shall have no claim, whatsoever against the University. Fee and other charges, also including amount paid for provisional registration, paid by the candidate shall stand forfeited & the candidate shall further be liable to pay the fee & other charges for remaining/ entire duration of the programme.

2. Applicants will be required to produce certificate/ documents in original or otherwise, during the admission process and even thereafter, as and when instructed by the University.

3. Original certificates of an applicant normally will not be retained and will be returned after verification; however, if required, the University may retain original certificates for verification from the Board/Council/University from where the certificates are supposed to be issued.

4. If an applicant is found ineligible for admission on verification of the document(s) at any stage or otherwise, his/her Eligibility test/Entrance Test/ or Interview, as and if applicable, and also admission to University if granted, shall stand cancelled and the case may be handed to the relevant authority under the law of land. If such instances go

undetected during the admission process but are detected in subsequent semesters/ years, such disqualification will take place with retrospective effect. In such a case, the applicant shall have no claim whatsoever against the University. Fee and other charges, also including amount paid for provisional registration, paid by the candidate shall stand forfeited and the candidate shall further be liable to pay the fee and other charges for remaining/ entire duration of the programme. The verification process including authentication from certificate issuing agency (if required) may take 1 year or more after the start of session. So student must ensure themselves regarding their eligibility before taking admission to safeguard their career.

5. a) Applicants who are either awaiting for the result or due to appear for qualifying exam may also apply; provided that the result of the qualifying exam must be furnished to the University either by the last date of provisional registration or at the time of admission, or by the last date as specified by the University.

(b) In case an applicant fails to produce the proof of fulfilment of the prescribed eligibility criteria or any other document prescribed by the University or fails to provide original documents for verification by the stipulated date(s), he shall not be considered eligible for admission and admission, in any case, if granted due to any reason, shall be cancelled and the applicant shall have no claim, whatsoever against the University. Fee and other charges, including amount paid for provisional registration, paid by the candidate shall stand forfeited and the candidate shall further be liable to pay the fee and other charges for remaining/ entire duration of the programme.

6. Application Form(s) received without fee(s) or otherwise incomplete in any respect or received after the stipulated dates for submission may not be considered/evaluated for admission or may be summarily rejected without assigning any clarification or intimation.

GENERAL GUIDELINES FOR ADMISSIONS

7. Submission of Application Form(s)/ Fee or any other document and/or acknowledgment thereof by the University or generation of ID card and registration number etc. does not guarantee admission to any programme or allotment of any facility of the University.

8. The University shall not be responsible for any postal delay or loss in transit.

9. Eligibility

(a) The 'Eligibility Criteria (Qualifying Exam)' as specified in this Prospectus details percentage of aggregate marks required in qualifying examination and the same will be calculated as per APU rules.

(b) In case of Programmes after 10th and 10+2, calculation of aggregate marks will be done considering best five subjects (with highest marks) in the qualifying examination. However the marks obtained in subject(s) prescribed under the respective eligibility criteria of APU for the concerned programme must be taken into account for calculation of aggregate marks. For International Applicants, criteria for overall marks/ score as defined by awarding Board/ University will be considered. This clause is applicable for calculating eligibility as well as Scholarship.

NOTE: In certain boards/institutions, part of subjects are mentioned as two separate entities in the transcript, e.g. theory & practical as two different entities, Botany & Zoology as two different entities or Mathematics I & II as two different entities. In all such cases these entities will be considered as a single subject, theory and practical paper will be considered as a single subject, Botany and Zoology as one subject and Mathematics- I & II as one subject for eligibility as well as for scholarship.

If student is not able to satisfy the eligibility criteria as per the clause mentioned above then all the subjects registered may be considered for calculating aggregate percentage. But in such cases Scholarship will not be awarded.

If an applicant has passed the qualifying exam by appearing for less than 5 subjects, then all subjects (which will be less than 5 in this case) will be considered. However applicant must have studied and passed the subject(s) prescribed under the respective eligibility criteria of APU for the concerned programme.

IMP: (i) Certain Boards (e.g. ICSE) declare pass by considering 4 subjects only. However the applicant may have studied more than 4 subjects (additional subject) from such a board. Situation may arise where a student may be scoring lesser percentage by considering 5 subjects but scoring more percentage by considering 4 or lesser number of subjects as per Board's policy. So in such cases, we may

consider 4 (or lesser number of subjects) as per Board for Eligibility as well as Scholarship.

(ii) In case of Programmes after Diploma, Graduation, Post-Graduation etc. the criteria for overall marks / score as defined by awarding Board / University will be considered for calculation of Eligibility as well as Scholarship.

(iii) If a student has passed the 10+2 from one board & has passed one additional subject (subject considered compulsory for taking admission in APU) from some other Board, then for calculating percentage of aggregate marks all the subjects (both the boards) will be considered. Such an advantage will only be given for Eligibility but not for Scholarship.

(c) Persons in employment are not eligible for full-time programme unless otherwise prescribed by regulatory bodies and with the prior approval of the employer.

(d) 5% relaxation in eligibility criteria will be given to North-East applicants i.e. applicants who have completed their Qualifying Exam or have Domicile from North East States (i.e. Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland and Tripura) and Sikkim. However this relaxation will not be given in programmes where the regulatory bodies have imposed conditions.

(e) 5% relaxation is given to Indian Army, Indian Navy, Indian Air Force, Coast Guard, Central Reserve Police Force (CRPF), Border Security force (BSF), Indo-Tibetan Border Police (ITBP), Sashastra Seema Bal (SSB), Central Industrial Security Force (CISF), Railway Protection Force (RPF), National Security Guards (NSG), Special Frontier Force (SFF), Assam Rifles, Border Road Organizations, General Reserve Engineer Force (GREF), Defence Research & Development Organization (DRDO), Military Engineers Service (MES) & Defence Security Corps (DSC).

However this relaxation will not be applicable in the programmes where the concerned regulatory bodies have imposed certain conditions.

(f) If the University participates in any National/State Level Test &/or Counseling conducted by any body or organization designated by Govt. for admission to any programme(s), then the eligibility criteria for admission as notified by that body/ organization will be applicable for such admission, unless otherwise prescribed by the University.

(g) The cut off marks for various Entrance/ Eligibility test(s)/ Interview(s) as prescribed by the University shall be made available on the notice board of Admission Office at University Campus, Pasighat, or University website.

(h) If an applicant has been provisionally admitted subject to clearing entrance/ eligibility test, it will be the responsibility of the applicant to apply for/ appear and

GENERAL GUIDELINES FOR ADMISSIONS

clear the relevant entrance/ eligibility test, failing which his admission shall stand cancelled and the applicant shall have no claim whatsoever against the University. Fee and other charges, also including amount paid for provisional registration, paid by the candidate shall stand forfeited and the candidate shall further be liable to pay the fee & other charges for remaining/ entire duration of the programme.

(l) The result of Entrance/ Eligibility test(s)/ Interview(s) will be displayed, on the notice board of the Admission Office at the University Campus, Pasighat (Arunachal Pradesh) and/or may be made available at the University Website as per Schedule of Admission, unless otherwise specified. No separate intimation will be given to any candidate.

(j) Applicants will have to make their own travel and boarding arrangement at their own cost for appearing in the Eligibility test, Entrance Test, GD, Interview etc.

(k) For certain programmes in place of Entrance/ Eligibility test conducted by APU, the National level test conducted by Govt. or other organisation may also be considered for eligibility as specified in the of Prospectus 2018. The list of National level test considered for eligibility of various programmes will be made available on the notice board of Admission Office at University Campus, Pasighat (Arunachal Pradesh) or University Website. In case, National Level test by that particular organisation is not conducted or the result is not declared by the last date of provisional registration/ submission of application prescribed by the University, then merit list will not be delayed and for the preparation of merit list, such candidates will not be considered and the applicant or other concerned shall have no claim whatsoever against the University.

10. Merit List

- (a) Merit list will be prepared on the basis of the admission criteria as provided in the Programme details, subject to the weightage for different components/parameters as decided by the University from time to time.
- (b) Rank allotted to each applicant shall be different. In case of two applicants securing equal marks in Eligibility Test/ Written Test / Interview, as applicable, the applicant with the higher marks in the qualifying exam shall be given preference. If the tie still exists then the applicant older in age shall get priority.
- © Inclusion of the name of an applicant in the merit list, shall not ipso facto, entitle him to secure admission.
- (d) Merit list will be displayed, on the notice board at the Admission Office at the University Campus, Pasighat (Arunachal Pradesh) or may be provided at the University Website as per Schedule of Admission, unless otherwise specified. No separate intimation will be given to any candidate.

11. Seat Allotment

- (a) For details regarding programme wise student intake (seats), refer university website www.apexuniversity.ac.in.
- (b) Seat will be allotted on merit basis; however the University may change at any time the mode of seat allotment for admission to any programme.
- (c) For the purpose of admission to any programme, the University may decide to prescribe and/or amend and/or withdraw cut-off marks/ percentage at any time during the admission period.
- (d) If sufficient number of applicants belonging to any reserved category by the stipulated date is not available, the vacant seats will be offered to open category applicants.
- (e) Seats remaining vacant in the open category (including vacant seats transferred from the reserved categories) will be offered to the next applicant(s) on the waiting list and if any seats remain vacant thereafter, will be offered on First cum First Serve basis, subject to the eligibility criteria and cut-off marks (if any), unless otherwise decided by the University.
- (f) Seats for NRIs/ PIOs /NRI-sponsored applicants/ Industry Sponsored applicants / Foreign Nationals and such other categories may be made available for any of the programme(s), as decided by the University.
- (g) In case student does not join or does not report the university or leave the university after joining but before appearing for End Term Exams of First Term with or without information, then he may not be considered as admitted and the seat consequently falling vacant may be filled through lateral entry or otherwise as decided by the University

12. Fee for Additional Services/ Facilities
