Kaziranga University

Sprawling across 50 acres of nature-enhanced campus, KU is a multifaceted educational centre of excellence. It was established under the Assam Private Universities Act, 2007 (Act No. XII of 2007) as a University as defined by Section 2(f) of the University Grants Commission Act, 1956 and approved by AICTE. KU believes in the ideology of holistically combining the serenity of a natural environment with international quality educational facilities.

It comprises of the following Schools:
School of Engineering & Technology
School of Business
School of Basic Sciences
School of Computing Sciences
School of Social Sciences
School of Health Sciences

Located at Koraikhowa on the outskirts of Jorhat city and accessible by NH-37, Kaziranga University is well-connected by road, rail and air. Rowrah Airport in Jorhat and the railway station are less than 30 minutes away from the campus.

AWARDS & RECOGNITION

Dr. M.D Khetan received the "Best Productivity Performance Award" in 1997, conferred by the National Productivity Council of India. MD Khetan received the award by the (Former) Hon'ble President of India, SRI K.R. Narayanan on 26th November 1997 at the Vigyan Bhawan, New Delhi.

He also received the 'National Award for Outstanding Entrepreneurship', conferred by the Ministry of Industry, Govt. of India and handed over by the (Former) Hon'ble Vice President of India, Sri Krishan Kant on 17.04.99 at the Vigyan Bhawan, New Delhi.

Shri M. D. Khetan received a Token of Appreciation for his outstanding contribution towards the society from Hon'ble Chief Minister of Assam, Shri Tarun Gogoi at ITA, Maskhwa on 16th July 2007.

He bagged another "National Award for Outstanding Entrepreneurship in MSMEs" conferred by the Ministry of Industry, Govt. of India and handed over by the (Former) Hon'ble Prime Minister of India, Dr. Manmohan Singh on 30 August 2008 at the Vigyan Bhawan, New Delhi.

Shri Khetan also won the "NORTH EAST EXCELLENCE AWARD" handed over by Chief Minister of Meghalaya & conducted by Indian Chamber of Commerce.

Shri M.D.Khetan was awarded as one of the Best Entrepreneurs of NE region at Rongali 2016 in Guwahati. The award was presented by Smti. Bismita Gogoi, Minister of Cultural Affairs, Government of Assam.

Shri M.D.Khetan has been conferred Honorary Doctorate by Desh Bhagat University, Punjab on 16th September, 2016.

From the Chancellor's Desk

Welcome to Kaziranga University! I am glad that you have made the decision to join Kaziranga University - which is ready to provide you with the support, the guidance, and the inspiration to realize your goals. As the great writer Oliver Wendell Holmes once said: "A mind stretched by a new idea can never go back to its original dimensions," you are about to embark on a journey through higher education, one that will offer you every opportunity to stretch your mind and pursue your dreams through a wide array of intellectual, social and creative opportunities.

KU's aspiration is to be a premier University not only in Assam but all across the globe. As a Centre for higher learning, KU is a globalized melting pot of knowledge, skills, application, exposure, personality orientation and social awareness. At Kaziranga University, learning takes place both in and beyond the classroom. We encourage you not only to apply yourself to your studies, but also to reach out to the broader horizon through remarkable facilities of the place coupled with the state-of-the-art infrastructure, the dedication of our faculty and staff, vivid culture of your fellow students all of which hold great promise for you. You will also find countless opportunities to broaden your perspective with lectures, seminars, internships, workshops and more.

The student handbook is a handy resource, which will provide you with information about the many support services and activities available to you.

Kaziranga University welcomes you to this academic year. We will do everything in our power to ensure that your experience at our university is challenging, rewarding, and gratifying.

Dr. M. D. KHETAN
CHANCELLOR, KAZIRANGA UNIVERSITY
& CHAIRMAN, NEKF

Pro Chancellor's Message

We have transformed our vision of creating a world-class seat of learning in Jorhat into a reality. As the first modern private university of the North-Eastern region, it is determined to work towards the pursuit of excellence by developing quality professionals who are equipped with the knowledge and skills required for the growth of the entire nation in general and north-east in particular. It aims to distinguish itself as a socially responsible learning community dedicated to the holistic education of individuals and work towards creating a knowledge society.

We at KU strongly believe that all students are entitled to a quality higher-education and it should be achieved with academic excellence and integrity. We prepare and empower our students to be successful by helping them develop the knowledge, skills and abilities needed to enter or progress within the workforce and to adapt and thrive in the increasingly diverse and ever-changing competitive world.

KU seeks to provide world class education and research facilities in order to prevent brain drain from the north east region. With its state-of-the-art infrastructure, KU has created a space for applied knowledge which will not only help the students achieve quality lives but also help the society and the region. Our collaboration with other leading institutions from India and abroad and the different national and international immersion programmes would definitely provide our students the much needed exposure and awareness to prepare themselves for today's globalized competitive world. With a rich pool of highly qualified and experienced faculty, modern facilities, learner-centred curriculum, and an environment conducive for freer learning, KU has emerged as a learning hub committed to achieve all round development of its students.

SRI BASANT KHETAN

PRO CHANCELLOR, KAZIRANGA UNIVERSITY

& MEMBER SECRETARY, NEKF

BRIEF PROFILE

Shri Basant Kumar Khetan is the Director - Khetan Group of Industries which comprises of Necon Power & Infra Ltd.; North Eastern Cables Pvt. Ltd.; Toor Finance Ltd.; Topline Finvest Pvt. Ltd.; Brahmaputra Infra Power Pvt Ltd. The Group has diversified businesses in Manufacturing; Hydropower & Finance sectors and has an impressive list of clientele. Of late Mr. Khetan developed interest in education and has been instrumental in establishing the first private university in Upper Assam as a part of the Corporate Social Responsibility of the Khetan Group. Within three years of its existence, the Assam Kaziranga University has emerged as the best private university not only in the State of Assam but in the entire North East.

After completing his graduation from J. B College, Jorhat, Mr. Khetan joined the family business. He subsequently partnered with ITC Ltd. and Kothari Product Ltd. for setting up their manufacturing units in Assam. He has spearheaded all the mega projects executed by the Khetan Group of Companies in the area of Power distribution in the states of North East. He has developed several sub-stations for central Assam and has successfully handed them over to the Assam State Electricity Board.

As Pro- Chancellor of the Kaziranga University and the Secretary of NEKF, the holding Trust of the University he heads the administration and the development of the University campus, assets and guides the team to achieve excellence and quality.

BRIEF PROFILE

Dr. P. K. Mishra is a Ph.D. in Chemistry from Utkal University, Bhubaneswar, with Research Experience from Bhabha Atomic Research Centre, Mumbai and Saha Institute of Nuclear Physics, Kolkata. He has the distinction of joining the prestigious International Visitors Leadership Programme IVLP 2007 organized by the Department of State, USA in 2007.

He has over 25 years of experience in education entrepreneurship, management and academic roles. He is the co-founder and first Pro-Chancellor of KIIT University, Bhubaneswar; co-founder of Knowledge Trust & TITE, Bhubaneswar & co-founder and Ex-Chairman of Kalinga Software Private Ltd., Bhubaneswar.

He has assisted high net worth individuals and organizations to establish and manage high quality educational institutes & universities - Don Bosco University, Guwahati, Assam [2008]; Techno India NJR Institute of Technology, Udaipur, Rajasthan [2008] & Kaziranga University, Jorhat, Assam [2012]. As President, NEKF, the promoting trust of KU, his job is to mentor & manage KU for making it one of the best centres of professional education in the country.

Vice Chancellor's Message

In many ways, Kaziranga University has been distinct from day one: enlarging the scope of higher education to meet the needs of the emerging middle class, embracing the urban culture instead of cloistering itself, continually striving to improve, and focusing on the future with an entrepreneurial spirit.

As you explore this university, you'll discover what we experience daily: faculty and staff enthused about their work, proud of our quality, excited about our potential, and - above all - dedicated to preparing students for rewarding careers.

Helping students gain real-world knowledge that employers demand is our tradition, and serving students with quality is one of our highest values.

As you look around KU, you will see an astonishing diversity of programs and people exploring new ideas, pursuing new knowledge, creating new art, and filling our classrooms with the vibrancy that comes from being an institution that is committed to research, discovery, creativity, and vigorous intellectual exchange.

We continue to raise the quality bar and have set a strategic course that we can measure - by the success of our students in the classroom, by those who graduate and are employed in their field of study, by employers who tell us our graduates are prepared to excel in the workplace, and by alumni and donors who support our mission.

Kaziranga University truly strives to have an impact on the communities we serve and help today's students become the professionals and leaders of tomorrow.

I appreciate your interest in learning more about KU. Please explore our website, visit our campus, or speak with one of our students or alumni to get the full story.

DR. P. K. MISHRA

VICE CHANCELLOR, KAZIRANGA UNIVERSITY

From The Director's Desk

Honouring our commitment to contributing to the development of this great country through education, Kaziranga University has been playing an integral role in North-East India.

We are dedicated to producing future leaders of tomorrow who will play their part in bringing growth and progress into the region, and the University is committed to transforming the higher education scenario in this part of the world.

We at Kaziranga University are wholeheartedly committing ourselves to providing young minds the best in education. Our courses, programmes, activities and events are all designed keeping in mind the dynamism and changing social landscape of the 21st century.

We understand the challenge of creating change-makers and leaders, and are confident and fully-equipped to help our students realize their dreams and potential.

At Kaziranga University, holistic learning and development is enthusiastically encouraged. With our highly-trained faculty members, competent staff, state-of-the-art infrastructure and the best industry collaborations, we aim to nurture the biggest aspirations and the tiniest dreams, and turn them into a true, happy reality.

Welcome to Kaziranga University!

MS. RAINY KHETAN
DIRECTOR, KAZIRANGA UNIVERSITY

BRIEF PROFILE

Ms. Rainy Khetan is the Director of Administration, The Assam Kaziranga University, and is the Trustee of the North Eastern Knowledge Foundation (NEKF). Actively involved in the development and promotion of education in the region, Ms. Khetan is one among the few young business entrepreneurs of North-East India.

Ms. Khetan obtained her Bachelor's degree in Business Management, with a specialization in Marketing, following which she completed an MBA in Media and Entertainment, specializing in Event Management, Advertising and Digital Marketing. She has worked with leading event management companies in Bangalore, India and has successfully worked on several industry projects as well.

With remarkable experience in the field of administration, advertising and events, Ms. Khetan heads the administration and business promotion of the The Assam Kaziranga University. She has been actively involved in the organization and promotion of several mega-events in the University and has also been mentoring and guiding the Admissions and Placement teams with her tremendous experience in branding and marketing.

Ms. Khetan is committed to leading the University in the right direction for delivering quality education and opportunities to the youth of the region, helping aid in the growth and development of North-East India.

The School of Engineering & Technology

The KU School of Engineering & Technology (SET) is designed to impart quality engineering and technical education in multifarious disciplines to meet the requirement of modern industry, harnessing emerging technologies. The aims of the School are:

To produce highly qualified and skilled technical graduates and post graduates in all major disciplines to meet the needs of today's industries and those of the future. To acquaint students with emerging technologies of tomorrow. To foster all-round development of young professionals with a view towards enabling them to meet life's challenges.

Academic Quality Assurance

The KU School of Engineering and Technology ensures its academic quality by adopting systematic processes to monitor and review performance, identify quality outcomes and recommend improvement of various programmes.

B.Tech 4 Years Full Time Campus Based | Recognized by UGC & Approved by AICTE (Civil, Mechanical, Electrical, Computer Science, Electronics & Communication Engineering)

INDUSTRIAL SKILL TRAINING/KNOWLEDGE PARTNERS

 For EE, CSE, ECE	 For CE	 For ME	 For EE, CSE, ECE	 For ME	 For ME
 For EE, CSE, ECE	 For EE, CSE, ECE	 For ME	 For ME, EE	 For CE	 For ME

ALL STUDENTS ARE REQUIRED TO UNDERTAKE AN INTERNSHIP IN THE 6TH SEMESTER

Programmes & Eligibility Criteria

B.Tech.

- Passed 10+2 Examination with Physics & Mathematics as compulsory subjects along with Chemistry/Biotechnology/Biology as one of the subjects.
- Obtained atleast 45% marks (40% in case of SC/ST category).
- Qualified in any National Level Admission Test such as CEE, JEE, State Entrance Examination or KUEST

B.Tech. Lateral

Passed Diploma Examination in appropriate branch of Engineering /Passed B.Sc. Degree from a recognized University with at least 45% marks (40% in case of SC/ST category) and passed 10+2 examination with Mathematics as a subject.

M.Tech.

Passed B.Tech./B.E. in relevant field. Obtained at least 50% (45% in case of SC/ST category) at the qualifying examination.

Academic Excellence @ Kaziranga University

- KU provides GATE/GRE/TOEFL/IELTS/GMAT coaching inside the campus by external agencies to the aspiring students for higher studies abroad.
- Placement Assistance through a network of placement offices /consultants in Mumbai, Delhi, Chennai, Bangalore, Kolkata, Bangkok, Singapore and Dubai.
- Industry relevant Laboratory facilities. Industry/Academic Immersion programmes at Delhi/Dubai/Bangkok/Johannesburg.
- 8th Semester Finishing School in Chennai / Delhi / Pune / Bangalore / Mumbai.
- North East Centre for Entrepreneurship (NECE) to facilitate young minds to innovate, incubate & implement ideas.

Highlights of Industrial Training

The University will sponsor students of all engineering disciplines to undergo employment oriented Industrial Skills training, internship, certification and placement assistance through Industrial Leaders such as, Siemens (Automation/Electrical Systems), Mumbai; QSpiders (Software Automation & Testing/Oracle/Sun Systems certification), Bangalore; Indian Machine Tools Manufacturers' Association (Advanced Production Training), Pune/Bangalore; MTAB (CNC/Automation & Robotics); Chennai; AGIIT (Automation & Robotics), Chennai; National Academy of Construction (Advanced skills in construction), Hyderabad; Cranes Varsity (Certification in Embedded Systems), Bangalore.

The School of Business

The School of Business (SoB) offers wide ranging undergraduate & post graduate programmes to enable successful candidates to get absorbed in challenging managerial assignments of the corporate world. Students are scientifically exposed to specialised fields of training to gain the necessary domain knowledge and tools to handle complex & target oriented management functions of the global market in the future. The interactive method of training with requisite global exposure helps to meet the needs of the evolving dynamics between profitability, compatibility, competitiveness, sustenance, societal concerns and institutional efficiency. SoB aspires to impart training through the trademark trinity of purpose, pedagogy & progress. Competency, currency, relevance & exposure remain the overarching theme of all learning at SoB.

MBA

2 Years Full Time Campus Based | Recognized by UGC & Approved by AICTE

MARKETING, OPERATIONS, FINANCE, HR & IR

in association with:

TATA CONSULTANCY SERVICES

HOSPITAL ADMINISTRATION

With Internship Opportunities In

CONSTRUCTION & URBAN INFRASTRUCTURE MANAGEMENT

in association with:

6 Months (3rd Semester) Internship

BUSINESS ENTREPRENEURSHIP & MANAGEMENT

in association with:

Entrepreneurship Development Institute of India (EDII)

BANKING & FINANCIAL SERVICES

in association with:

LOGISTICS & SUPPLY CHAIN MANAGEMENT

in association with:

EVENT MANAGEMENT

in association with:

TOURISM MANAGEMENT

in association with:

12 Months (3rd & 4th Semester) Internship

Eligibility for Admission

- Passed Bachelor's Degree of minimum 3 years duration.
- Obtained at least 50% marks (45% in case of candidates belonging to SC/ST category) in the qualifying Examination.
- Qualified in any National Level Management Admission Test such as CAT, MAT, XAT, CMAT or KUEST

Application Procedure for MBA

Along with CAT, MAT, XAT, CMAT or KUEST scores, the candidate should fill in the application form and submit it to KU Campus/Admission Offices on any working day.

Application form can be obtained or can be downloaded from our website: www.kazirangauniversity.in

Selection of the candidate is based on:

- Percentage/Percentile in any of the mentioned tests
- Personal Interview & GD.

Programme Highlights

- Experienced & highly qualified faculty (core & visiting) from the Industry and Academia.
- 2-3 months mandatory internship at Pune / Mumbai / Delhi / Kolkata / Bangalore / Guwahati.
- Optional 2-4 weeks Global Immersion Programmes in Bangkok / Dubai / Croatia.
- Option to take up specialized certificate courses designed by ICFL, AIMS, CIMA, TCS, NOCN for skill enhancement.
- Case based study approach with focus on employability skills development.
- Impeccable placement records with campus recruitment opportunities in companies like Tata Trust, Indigo, Byju's, Nestle, Amul, Berger Paints, Dabur, Mphasis, Karvy, Bandhan Bank, OYO, Tata AIG etc.

Other Programmes & Eligibility

BBA/BBA with US CMA Certification

Passed 10+2 (Science/Commerce/Arts) with 45% marks in aggregate (40% in case of SC/ST category).

BBA (Tourism & Hospitality Management)

Passed 10+2 (Science/Commerce/Arts) with 45% marks in aggregate (40% in case of SC/ST category).

B.Com./B.Com. with US CMA Certification

Passed 10+2 (Science/Commerce) with 45% marks in aggregate (40% in case of SC/ST category).

Integrated BBA - MBA

Passed 10+2 (Science/Commerce/Arts) with 45% marks in aggregate (40% in case of SC/ST category).

Integrated B.Com. - MBA

Passed 10+2 (Science/Commerce) with 45% marks in aggregate (40% in case of SC/ST category).

M.Com.

A 3 year graduate degree in Commerce from a recognized University with 45% marks in aggregate (40% in case of SC/ST category).

The School of Basic Sciences

The need for general education in basic sciences acts as a cornerstone in achieving scientific literacy, essential in our nation's march towards progress and development.

The School of Basic Sciences stands apart from other institutions of higher learning since it is committed towards imparting knowledge in pure sciences, which not only forms the basis for further academic pursuits in science and technology, but also lays the foundation for students to pursue a career in research and higher-level teaching. Our institution is complete with efficient undergraduate and post graduate courses in pure sciences (M.Sc. & Integrated M.Sc.), supported by competent faculties, an exhaustive library and well equipped laboratories.

Programmes & Eligibility Criteria

M.Sc. (Physics)

Passed B.Sc. (Physics) with 45% marks in aggregate. (40% in case of SC/ST category)

M.Sc. (Chemistry)

Passed B.Sc. (Chemistry) with 45% marks in aggregate. (40% in case of SC/ST category)

Why School of Basic Sciences, Kaziranga University

- Updated Curriculum to match the Industry demand.
- Excellent Faculty Mentors.
- State-of-the-Art Infrastructure.
- In-house coaching for JAM/NET/GATE/GRE/TOEFL for Higher Studies.
- Project based learning to enhance concepts, skills & their applications with functional and sectoral focused specialization.
- Research Internship at reputed Research Institutes/ Universities.
- Collaboration with Academia & Industry of repute for Research & Development, Student & faculty Exchange.
- Engagement of students in Research Projects leading to publications in Peer Reviewed Journal.
- Presentation in Seminars & Conferences, etc. Short term workshops for Soft Skill Development of the students.
- Engaging students largely in conducting Seminars, Workshops, Conferences and similar events for their personal & professional growth.

The School of Computing Sciences

Computers and Information & Communication Technology (ICT) have become all pervasive, changing the way we conduct our daily lives or business. Consequently, there are huge opportunities for computer scientists, software professionals and system analysts who have expertise in emerging technologies like Cloud Computing, Data Analytics, Cyber Security, IoT, Artificial Intelligence etc. as the world is facing huge demand-supply gap for competent technical manpower.

The School of Computing Sciences (SCS) tries to bridge the demand-supply gap between the industry requirements and the teaching-learning process in the classrooms by balancing rigorous academic course work with enriching real world practice. To keep students abreast with emerging cutting edge technologies to enhance their 'employability quotient', SCS has entered into active collaboration with many academic and industry partners to conduct hands-on training programmes, workshops, seminars etc.

Programmes & Eligibility Criteria

Integrated B.Sc. - M.Sc. (IT)

Passed in 10+2 or equivalent examination with Physics/Mathematics/Computer/IT as one of the subjects & have secured 45% or above aggregate marks (40% in case of SC/ST category) in the qualifying examination.

M.Sc. (IT)

Passed Bachelor's degree in Physics / Mathematics / IT or B.Tech./BE (CS/IT) or BCA from any recognized university & have secured 45% or above aggregate marks (40% in case of SC/ST category) in the qualifying examination.

BCA

Passed 10+2 with Physics & Mathematics as compulsory subjects along with Chemistry/Biotechnology/Biology/Technical Vocational as one of the subjects. Obtained atleast 45% marks (40% in case of SC/ST category) in the above subjects taken together in the qualifying examination.

MCA

Passed Bachelor's Degree of minimum 3 years duration with Mathematics at 10+2 level or at Graduate Level. Obtained at least 50% marks (45% in case of candidates belonging to SC/ST category) in the qualifying Examination.

MCA - Lateral

Passed Bachelors Degree of minimum 3 years duration in BCA, B.Sc (IT/Computer Science) with Mathematics as a course at 10+2 level or at graduation level. Obtained at least 50% marks (45% in case of candidates belonging to SC/ST category) in the qualifying examination.

INDUSTRIAL SKILL TRAINING & KNOWLEDGE PARTNERS

Amazon Web Services (AWS) is a secure cloud services platform, offering compute power, database storage, content delivery and other functionality to help businesses scale and grow. It provides a broad set of Infrastructure Services, such as Computing Power, Storage Options, Networking & Databases.

Cranes Varsity is a pioneer in Technical Training & Education services in EMBEDDED, DSP & WEB TECHNOLOGIES with over 20 years of acclaimed expertise. It's a trusted training partner with more than 5000 reputed organizations in the domains of Academia, Corporate and Defence.

QSpiders is a best-in-class learning solutions organization headquartered in India's IT capital, Bangalore. They offer a wide range of courses in the area of software testing and are official partners of the ISTQB®.

The School of Social Sciences

School of Social Sciences is a social catalyst which builds Social Engineers in an interdisciplinary approach to relentlessly work for a progressive society where cultural ethos can be humanely blended with scientific temperament. We bring about change through high quality and high impact teaching, skilling, research and action research, providing consulting and advisory services in social development projects, incubating innovative solutions for the people at the bottom of pyramid, facilitating public debate and policy advocacy on major social issues through deep engagement with all stakeholders like, our communities, civil society organisations, law makers and representatives of government and local government functionaries. Needless to mention that we are aspiring to achieve sustainable development goals (SDGs), leaving no one behind. The School offer Undergraduate and Postgraduate courses in Sociology and Social Work. It also offers part time PhD programme for the working and teaching professionals.

Programmes & Eligibility Criteria

BSW

Passed HS/10+2 examination in Arts/Science/Commerce with 45% marks in aggregate from any recognized Board (40% for SC/ST category).

Integrated BSW - MSW

Passed HS/10+2 examination in Arts/Science/Commerce with 45% marks in aggregate from any recognized Board (40% for SC/ST category).

BA (Sociology)

Passed HS/10+2 examination in Arts/Science/Commerce with 45% marks in aggregate from any recognized Board (40% for SC/ST category).

Integrated BA - MA (Sociology)

Passed HS/10+2 examination in Arts/Science/Commerce with 45% marks in aggregate from any recognized Board (40% for SC/ST category).

MA (Sociology)

A graduate degree with minimum 45% marks in aggregate from any recognized University (40% for SC/ST category).

MSW

A graduate degree with minimum 45% marks in aggregate from any recognized University (40% for SC/ST category).

Advantages of Social Sciences @ Kaziranga University

Social Science programmes at KU intends to award more than just a mere degree. It is about an experiential learning which intends to give a strategic shift in the teaching pedagogy and students' approach to life, people and problems. This equips and enables them to work in challenging situations and provide lasting solution to many problems.

The programme is process focused and with blending of hands on field experience along with class room teachings, workshops and use of multimedia, it gives our students an edge over many other institutions of the country. Besides, the inherent talent of the students are also tuned to the benefits of the discipline.

The School of Health Sciences

Health sciences is a general term including all the applied disciplines involved in the delivery and improvement of healthcare. Degrees in Health Sciences include knowledge from other fields, such as natural sciences, technology, engineering and mathematics, which can be applied in clinical healthcare research and practice, and in public health education.

Career opportunities for healthcare professionals include working in laboratories, investigating diseases or discovering new treatments, while others work in direct contact with patients in clinical care. Graduates can practice in public hospitals, private clinics, schools, community health services and governmental agencies. Career prospects include work as physician assistants, physiotherapists, pharmacists, health educators, health inspectors, social workers and freelancers in alternative therapies.

Programmes & Eligibility Criteria

Bachelor of Physiotherapy

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

B.Sc. (Advanced Imaging Technology)

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

B.Sc. (Trauma, Emergency & Disaster Management)

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

B.Sc. (Medical Laboratory Technology)

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

B.Sc. (Operation Theatre Technology)

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

B.Sc. (Dialysis)

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

Bachelor of Optometry

Passed HS/10+2 or equivalent qualification, completed from a recognized Educational Board with Physics, Chemistry and Biology as main subjects with 45% marks in aggregate (40% for SC/ST category).

INDUSTRIAL SKILL TRAINING & KNOWLEDGE PARTNER

The School of Health Sciences is an outcome of the Memorandum of Understanding signed with Apollo Medskills Ltd. (AMSL) to develop and promote health education and training programmes for the students of the region. Through the collaboration with Apollo MedSkills, Kaziranga University's School of Health Sciences is starting the 7 Undergraduate programmes in the field of Allied health sciences for wellbeing and health management education.

In addition to Apollo Medskills, the teaching-learning process at the School of Health Sciences will also be facilitated by Medvarsity, India's first Medical e-learning venture, an initiative by Apollo Hospitals Group, which is also the leader in healthcare in Asia Pacific Region, having the first JCI accredited hospital in India.

The curriculum, which is being moderated by AMSL also has a 6 month internship component for its students. This will help students get exposure to world class Apollo Group of Hospitals and their partner hospitals like Sanjevani Hospitals, MaxCure Hospitals, Lifeline Multispecialty Hospitals, Vamshi Hospitals etc. This will make students adequately skilled and ready for job market/placements.

PLACEMENT

A large number of placement cells have been established at strategic national & international locations. This with a view to guide, motivate, expose and train our aspiring leaders of tomorrow to face the challenges of the corporate world and easily orient themselves to the needs of the industry, thus becoming highly employable.

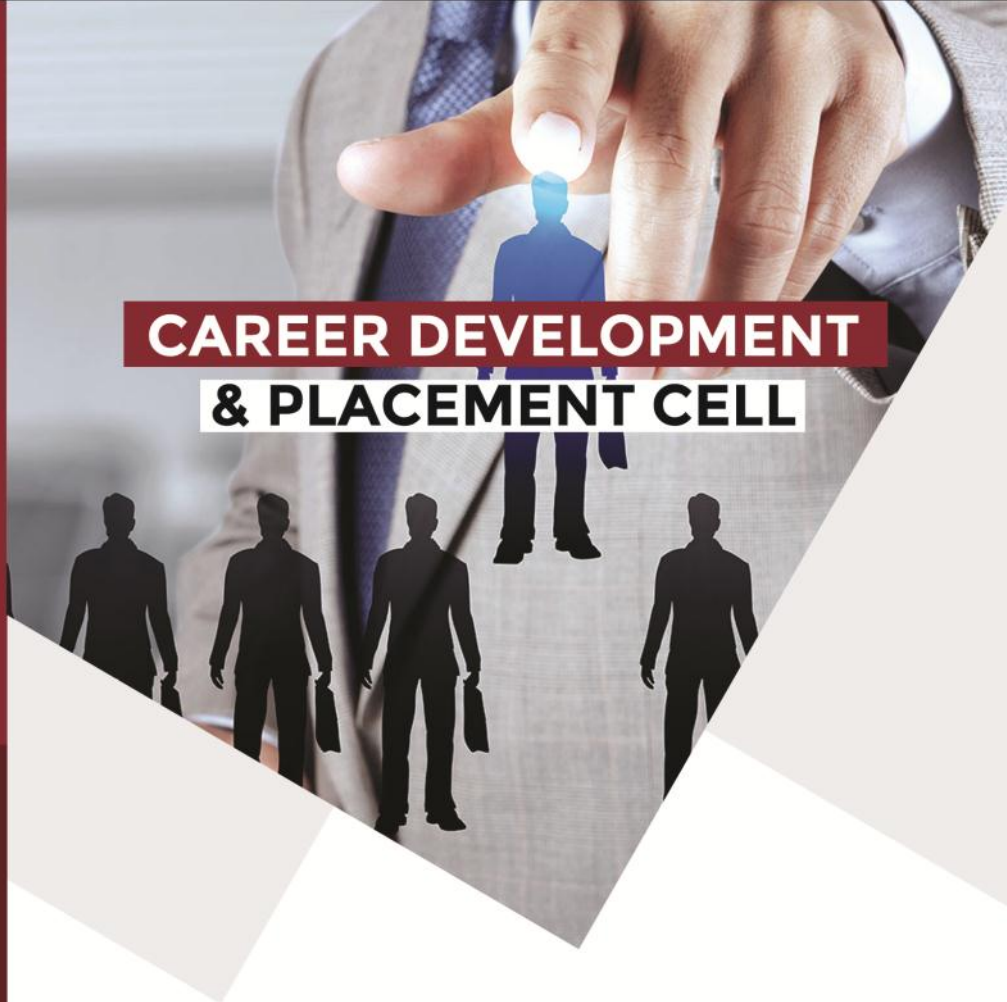

HIGHER STUDIES

Kaziranga University provides in-campus GATE/CAT/GRE/TOEFL coaching for higher education in India & abroad. Students of our university have successfully been pursuing M.S/PhD in following universities abroad like *Technische Universitat Chemnitz, Germany & University of New Mexico, United States, AIT Bangkok, Politecnico di Milano, Italy.*

ENTREPRENEURSHIP

North East Centre for Entrepreneurship (NECE) in association with EDII, Ahmedabad facilitates young minds to innovate, incubate & implement ideas. It organises entrepreneurship awareness camp in different colleges and Universities of all-over North-East. An incubation centre has been setup to motivate the budding entrepreneurs.

CAREER DEVELOPMENT & PLACEMENT CELL

The Career Development & Placement Cell in the University plays a pivotal role in counselling and guiding the students to prepare for their successful career ahead. This cell is a crucial interface between the stages of completion of academic programme of the students and their formal entry into suitable employment.

CAMPUS LIFE

Students

Our students come from diverse backgrounds and they engage in different activities apart from curricular requirements. We ensure they work on building an overall personality that includes curricular, technological, technical, life skills, fitness, sports and many other skills to foster a diversified identity at par with 21st century challenges.

Dress Code

Girls: Indian & Western Formals

Boys: Formal Pants, Shirt & Shoes

Library & E-Library Centre

In the era of ICT where Students need to develop information, communication and technology to keep the pace to align them with international standards, we at KU promote quality time to research for knowledge. Our physical & virtual E-library includes well stocked national and international journals, magazines, periodicals, newspapers etc. for reference. The E-library facility provides students to get connected to international virtual libraries like Elsevier, ASTM, EBSCO and GATE, which offers wide range of management, engineering, science, computer science and many other subject information for students to diversify their stock of knowledge.

Cafeteria

Students unwind leisurely in Cafeteria between the class sessions to build relationship over a cup of tea or coffee. The Cafeteria's menu includes food catered to the needs and preferences of people coming from different backgrounds. It provides access to multi-cuisine hygienic vegetarian and non-vegetarian food to students, parents, faculties, visitors and others.

Sports Arena with Gym

The university provides ample time for sports and leisure to balance physical as well as mental exercise. Indoor games like carom, table tennis, chess etc. played by students and they watch television, work out in gymnasium etc. Many other outdoor games like lawn tennis, basketball, volleyball, badminton, football, cricket etc. are played in dedicated fields in campus.

Language Lab

Students improve their communication skills in English by engaging in sessions of language lab. This is the first ever initiative in Northeast India towards improving the English communication skills with the help of technology. It supplements the theory classes with practical classes based on case study for improving the art of listening, reading, speaking and writing in English language with the help of cutting edge audio-visual equipment which tremendously benefit students towards expressing their views in clear English communication.

Air conditioned Interactive Classroom Sessions

Students engage with competently qualified, industry experienced and renowned scholars and faculty members in interactive air-conditioned classroom sessions with audio-visual equipment for case studies, real-life scenarios; problem situations, role plays, tutorials, presentations and similar group works. The curriculum reinforces practical learning through project-based activities.

Extra-Curricular Skills

Students prepare for leadership roles corresponding to the global technological, economic and societal challenges of 21st Century. Students participate in extracurricular trainings conducted in partnership with industry experts, institute of repute by KU's Centre of Excellence to gain knowledge and skills contemporary in real world alongside traditional syllabus. These trainings equip students to face the competition successfully and start working with self confidence in academic, corporate or industrial world.

Faculty/Staff Housing

State of the art well-furnished housing facilities are provided for teaching and non-teaching staffs, which allow them a comfortable stay to fulfil the professional commitments.

Hostels

Separate hostel accommodations are arranged for girls and boys with 24X7 CCTV Surveillance for security; uninterrupted electricity and water with dining halls offering vegetarian and non-vegetarian food. The ambience is hygienic under watchful security guards with Wi-Fi enabled premises for internet access.

Guest House

Assam is known for its hospitality, we at KU provide within campus guest house having all modern amenities for a comfortable stay for all our guests those who are from various dimensions like eminent academicians, corporate guests, internal guests and other members.

360° Development

Seminars, Workshops, Conferences, Events, Festivals @ KU

5th Convocation Ceremony of The Assam Kaziranga University graced by the presence of Shri Sarbananda Sonowal, Hon'ble Chief Minister Assam

"TechBlitz - A Technological Extravaganza" organized by The Assam Kaziranga University for the aspiring Higher Secondary (Science) students of the Northeast

2 Days' International Workshop on "Advances in Sustainable Civil Infrastructure Development" organized by the Dept. of Civil Engineering

Inter-School March Past Competition during the Inauguration of The Assam Kaziranga University Annual Fest 2019

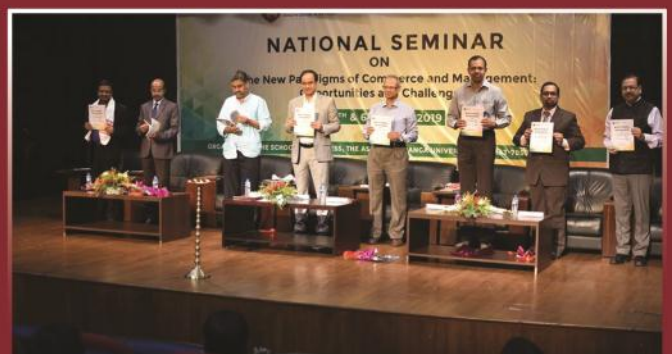

North East Sustainable & Inclusive Development Summit organized by The Assam Kaziranga University in Collaboration with CSIR-NISTADS & Powered by NRL

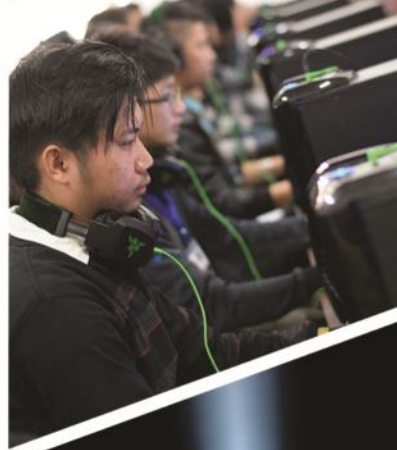

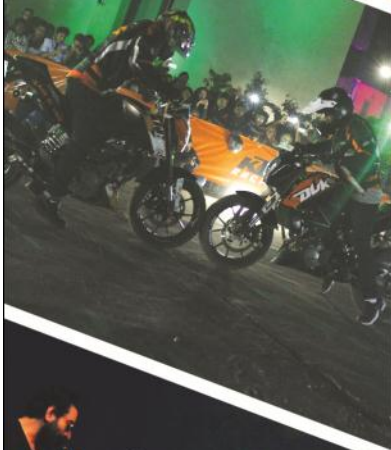

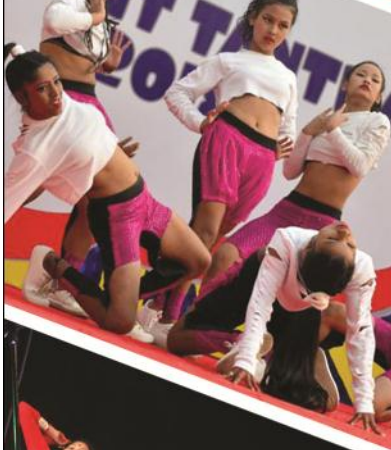

"Storm Chaser - The first Electric Solar Vehicle in the Northeast" designed & manufactured by the students of School of Engineering & Technology

Welcoming the most blissful festival of Assam through the "Batsorat Rongali 2019" celebrations, organized by the Art & Culture Club

National Seminar on the theme 'New Paradigms of Commerce and Management: Opportunities and Challenges', organized by the School of Business

Message from Dean, Admissions

MR. BOBBY ROY

*"Yet all experience is an arch wherethro'
Gleams that untravell'd world"
– Lord Alfred Tennyson, Ulysses*

At the Kaziranga University we believe in making the pursuit of education an experience that leads to the unveiling of a child's true potential. In a world that is fast becoming more competitive by the day, our students are provided with the opportunity to hone their skills, ambitions and passions in a career oriented manner. This is achieved through multiple collaborations with industry leaders that help deliver our courses; a dedicated faculty, untiring and unwavering in their commitment towards providing education par excellence; and an array of support staff that has led to an unparalleled placement record.

Our aim is to develop the most employable student at the end of his or her tenure with KU, and I am proud to say that this endeavour has been successfully fulfilled year after year. A large part of this success may be attributed to the fact that KU focuses on the development of practical knowledge, through lab work and internships at some of the leading companies in the world and the country. This coupled with state of the art infrastructure facilitates the wholesome development of a student, both mentally and physically, leading to our students being placed in worldwide leaders like **Audi, Intel, TCS, IBM, Amazon, Capgemini, Nestle** to name a few.

In choosing KU, you make the decision to become a part of an experience that is painstakingly put together by members of this family, and an experience that opens doors like no other! Welcome!
