FROM THE DESK OF

Shri Rishabh Gayappasad Jain (President & Founder, Swarnnim)

Make yourself so worthy, that you become the dawn of a greater future. We, at Swarnnim Startup & Innovation University, are strong believers of this philosophy and want to make our students, so worthy, that the sun rises and shines for them. Our courses and programs have been designed for holistic development such that the aspirants are skilled, creative and confident, all at the same time. We make them intellectually adept; socially and technically sound through initiatives like regular brainstorming sessions, seminars, group discussions, case studies, project presentations, and thought-provoking events. We promise to not just strengthen their knowledge base but make them proficient enough to confront organizational challenges.

I invite you to be a part of this progressive platform of education and gain from our state of the art facilities and teaching methods. Our committed faculty, curriculum, and excellent facilities ensure that you improve your skills, have impressive qualifications, embark on a global career and lead a blazing trail of success.

FROM THE DESK OF

Mr. Vivek Anand Oberoi
(Co Founder, Swarnnim)

Startup Mania is all around us. Startups are the movements that are transforming how new products are built and launched. In an age of rapid technological innovations, the education system plays a compelling role. Being an Entrepreneur aficionado I am thrilled and excited to be a part of Swarnnim to nurture Startup & Entrepreneurship. The vision of this educational convergence brings Entrepreneurs together. It is an Endeavour to maximize the potential of innovations and distribute its benefits to a wider set of audience. Between learning how to land a job to your favorite startup, Swarnnim is going to be jam-packed with opportunities to grow your knowledge base and help you holster new skills. To create innovative solutions and to maximize the positive potential of opportunities enabled by the education sector this is the right time to be better prepared for these disruptions in the entrepreneurial era.

Mr. Adi Rishabh Jain

Vice President, Swarnnim

Swarnnim Startup & Innovation University, has been a place where ideas and plans are nurtured from the grassroots. At our campus, we groom students into passionate architects of the nation. Since the very beginning, our institute's faculties & staff worked dedicatedly to achieve the milestone we set for ourselves. Later our Alumni network boosts our efforts like anything. At Swarnnim, students get learned from the brightest minds of academics and industry. They are encouraged to give birth to new ideas and face challenges. We leave no stone unturned to let them thrive through entrepreneur cultural and startup events. Join us—be a part of an ongoing tradition of excellence at Swarnnim Startup & innovation University.

Mr. Rishi M Jain

Managing Director of Operations, Swarnnim

At Swarnnim Startup & Innovation University, we focused on the practice-oriented teaching process and industry-oriented education. This unique blend is helping the students to mould themselves to the demands of the corporate world admirably well. University is continuously improving the learning environment and reviewing the road map that can facilitate achieving academic excellence resulting in employability as competent technocrats/managers/educationists in various disciplines.

We have an approach to motivate & cultivate the students towards the business development & entrepreneurship in their minds & provide them a platform to showcase their business idea. The Endeavour of the University is to create a vibrant community and provide a life-long learning experience.

Prof. (Dr.) Kartik Jain

Provost

The Swarnnim Startup & Innovation University strives to provide the best learning environment in order to achieve international standards and provide accredited academic programs to prepare students by developing skills and talents. The SSIU is India's first and foremost university in the field of Startup and Entrepreneurship. Global data shows that start-ups are creating more jobs nationally than large enterprises and we the flag bearer of this revolution. The SSIU has made innovation a strategic priority and seeks to encourage skills and creativity to strengthening sustainable development.

Mr. Vishhal J Savaliya

Managing Director of Communication, Swarnnim

When the question comes to me in Design and Startup Most people believe they need to choose either passion or profit But I choose both. As per me, Startups are not afraid to be wrong as every miscalculated step is one step closer to being right. I want to make it cool culture for young India to get into tech, design, startup & entrepreneurship. It's not about ideas, it's about making ideas happen.

Dr. Upendra Patel

Registrar

I feel delighted to welcome all at Swarnim University Campus. Along with our commitment to provide students an outstanding education, we aim to provide the working ecosystem to every stakeholder of University. To ensure the same we constantly update our practices. On the academic front, we prepare students for life. We pay equal attention to the overall development by providing them ample opportunities to groom their personalities. This is augmented by Knowledge creation & dissemination, the USP of our faculties.

Dr. Ragin Shah

Director General

I feel privileged to welcome all at the learning hub where Innovation, Startup, and Entrepreneurship are the hallmark of the University. We give our students a competitive edge with a uniquely designed curriculum to ignite the required skills. We adopt an Interdisciplinary approach, supported by intense research to have innovation at its best. Join us and allow yourself to evolve with time by associating with the leading minds of the industry.

Mr. Hiren Kadikar

Academic Director – Health Science

Following the philosophy of Swarnim University, Swarnim Institute of Health Science encourages students to go beyond the classes & engage with society. With this vision, Swarnim institute of Health Science has treated more than 5000 patients to date since its inception. It is the flag bearer of social welfare projects at Swarnim startup & innovation University. The institute is leading in providing world-class pharmacy education backed by constant research, filing patents, organizing health camps, in house hospital and promoting startups.

MESSAGES FROM EMINENT LEADERS DELIVERED DURING SWARNIM TALKS

All the students should find a way where they can contribute towards nation building with their Startup and innovations. I am also hopeful that the Startups at Swarnim University can make this world a better place. I extend my best wishes to all students.

Hon'ble Shri Mansukh Mandaviya

Minister of State (Independent Charge) Ministry of Shipping and Minister of State for the Ministry of Chemicals & Fertilizers, Government of India.

I appreciate the Swarnim family for the work done for the society during the Covid – 19 crisis. Let me take this opportunity to appeal to all young entrepreneurs & Startups to make the best use of this opportunity. Swarnim University has done a remarkable job in bringing Educationist, Researcher & Practitioner at one platform to promote startup and innovation.

Hon'ble Shri Shripad Yesso Naik

Union Minister of State (Independent Charge) in the Ministry of AYUSH & Minister of State for Defence, Government of India.

It was a pleasure to discuss "Atmanirbhar Bharat" with Swarnim students and faculties. I would like the Startups at Swarnim to work with ICR. We will extend our full support to startups working in agriculture fields in reaching the market and share the learning from our experienced resources.

Hon'ble Shri Parshottam Khodabhai Rupala

Smt. Anju Sharma
Principal Secretary, Higher and Technical Education,
Government of Gujarat.

Swarnnim University is a kind of my dream University which I always wanted to open. It is a place where a 10th or 12th standard students can come with raw thought of an innovative idea and transform into a sustainable startup. It is amazing how Swarnnim University supports such students not only academically but also arrange infrastructure and funding for their Startups. It is a place to make students self-dependent and polish their entrepreneurship skills.

TEACHING PEDAGOGY

At Swarnnim, the syllabus is designed in a way that brings synergy between the practical Life experiences, modern theories, classroom lectures, site visits, experiments in labs, field trips, and interaction with industry practitioners. Together these activities will provide students a good exposure to face the “real-time challenges”.

We encourage students to go beyond the course curriculum and participate in exhibitions, events, conferences, seminars, research projects, and student exchange programs. Out teaching involves live cases from the industry to keep them updated with market trends.

40+ Industrial Visit | 55+ Expert Talks

TRAINING & PLACEMENT CELL

At Swarnnim, we understand that some students do like to gain industry experience before going for a startup. We also acknowledge the need to having a job in hand after course completion. Hence we are continuously adding more feathers to its network to provide the best training and placements to Swarnnim's bright minds. The cell has been illustrious in facilitating students in organizing industrial visits, getting live projects, soft-skills training, organizing industry talks, etc.

“

The cell augments the core of Swarnnim i.e. promoting entrepreneurship spirit by bridging the gap between industry & academics.

STUDENT TESTIMONIALS

Amirita Rochlani (B.sc. Microbiology)

I'm Amirita Rochlani, student of b.sc microbiology, Swarnnim University. Swarnnim has always been an amazing platform to explore ourselves and to be creative. The education in our college is not only limited to the syllabus and books but we also get extra practical knowledge from our faculties. The Faculties guide us and teach us in a very positive manner.

Riya Desai (B.Tech Information Technology)

University is focusing on quality education along with overall personality development of students. Experts from both technical background and soft skills domains are available in campus to teach and guide students. The university provides mentorship, infrastructure support, funding, and all kinds of possible assistance to students through active Startup Incubation Cell.

Mr. Parth Sharma (B.Tech Computer Engineering)

Swarnnim University is providing a great platform for learning new technologies. Department is putting tremendous efforts to teach trending technologies like python, data structures, competitive programming and mobile application development etc. to the students. By learning these technologies at Swarnnim, students are getting best chances to grab global placements in multinational companies.

Anshu Singh Sarser (BPT)

By the grace of the almighty and my hard work, dedication I have achieved few steps in life. It wouldn't have been possible if I had not studied at Swarnnim Start-up & Innovation University, Kalol. Winners do the same thing in different way, similarly I have not only studied at Swarnnim but I was also groomed to be a winner which made me what I am today. This is one college I would recommend to anyone who has a dream to become iconic in life.
