Dr. P. V. Ramana
Chancellor, ITM University
Chairman, ITM - Group

CHANCELLOR'S MESSAGE

As the Founder and Chairman of the ITM Group. Since 1991, I have watched our ITM students bloom and make great careers in India and abroad.

Besides exchanging knowledge about the elements of a globally-competitive world, students are required to propose innovative solutions for the challenging markets. We are able to achieve this, as proved by our list of alumni who have become successful CEOs and entrepreneurs, and will continue to do so in the future.

Our facilities are continuously expanding and we are improving our campus and modernising upon education.

To further provide quality education, ITM University has a team of highly qualified faculty and created an environment that supports learning, recreation and research.

Our focus remains on evolving efficient, confident and highly knowledgeable technocrats, leaders with global thinking and futuristic mind-set that will contribute to nation building with simultaneous faith in corporate ethics.

ITM University in Raipur is the essence of what we have learnt in 23 years of providing superior education across the country. In just two years of operation, ITM University has carved a niche for itself with excellent reputation

I look forward to meet you at the University and assure you that you will have exciting educational experience to help you fulfill your dreams.

WELCOME TO ITM UNIVERSITY.

- Dr. P. V. Ramana

Dr. Sanjay Kumar
Vice Chancellor
ITM University

VICE CHANCELLOR 'S MESSAGE

In the era of globalization and borderless world, professional education and institutions offering such programs in Engineering, Management, Bio-tech, IT and Law becomes vitally important. Expansion of professional education with private initiative in the post liberalization period is a welcome change. However, much more needs to be accomplished with respect to increasing its coverage and enhancing its accessibility because there still exist a huge unmet demand for professionally trained, competent people by industry.

At ITM University the focus has been for honing the skills of future professionals and technocrats to make them competent to face challenges of the real world. The initial response of the students to become a part of the ITM University fraternity has been highly encouraging.

We, at ITM University are committed to make consistent efforts to impart quality education while adhering to ethical values. Our Engineering, M.B.A, B.B.A and L.L.B programs are highly rigorous, comprehensive, practice-oriented and world-class programs.

ITM as a proven brand in Management education for more than two decades strives to transform the students into competent professionals by innovative pedagogy and continuous interaction with business & industry. ITM University has ties with Sitrain Siemens, Siemens Professional Education & Siemens Technical Academy, Berlin, Germany and Tata Power. Our proven teaching methods and strong research orientation has ensured high levels of academic achievements. Our aim is to produce graduates and professionals with sound academic foundation and a sense of confidence and commitment.

I welcome you all to ITM University and wish you the best for your journey towards excellence and a joyful & vibrant student life.

- Dr. Sanjay Kumar

DREAM BIG

Mission

To impart futuristic and comprehensive education of global standards with a high sense of discipline and social relevance in a serene and invigorating environment.

ITM Growth Story

ITM UNIVERSITY IN RAIPUR, CHHATTISGARH

With around 24 years of relevant experience marching along with tons of successful stories, ITM Group of Institutions established ITM University Raipur, Chhattisgarh in 2012 with Management & Engineering programs.

Raipur happens to be one of the most important industrial and trading centers of Central India, hence it serves as a suitable location for creating fast-track careers. The capital city Raipur houses some of the most important departments of education in the state.

With its launch in Raipur, ITM envisages a great learning opportunity for their students with well existing technological resources and guidance from Industry Experts and well-trained Faculties.

Due to its historical significance and learning opportunity, Raipur attracts large number of tourists, including students.

ITM University excelled through a year of success with its ambitious set of students, advanced infrastructure, recreational center and other features that create a holistic and studious ambiance.

ITM further aims to provide industry relevant, product specific & process specific education to students, which will transform information into knowledge, making them efficient to enter the competitive world with explicit technical know-how and practical knowledge.

RAIPUR

Chhattisgarh has been famous for its rice mills, cement and steel plants. Durg, Raipur, Korba and Bilaspur are the leading districts in the field of industrial development in the State. The establishment of Bhilai Street Plant in the 1950's led to the development of a wide range of industries at Raipur and Bhilai. Raipur district has got the rare distinction of having the largest number of big and small-scale cement plants. Bilaspur and Durg districts, too, are home to a number of large-scale cement plants. The principal growth centers in the State are - Urla and Siltara (Raipur); Borai (Durg) and Sirgitti (Bilaspur).

Chhattisgarh region is as well known for its rich cultural heritage as for its abundant deposits of natural resources. A variety of mineral resources are found in this region, diamond,

gold, iron-ore, coal, corundum, bauxite, dolomite, lime, tin, granite to name a few. Deposits of Kimberlite Diamond pipe are found in Pailikhand and Deobhog area and gold deposits in Sonakhan area of Raipur district have evoked investor interest. High quality iron-ore deposits are found in the Bailadila hill ranges as well as in Dalhi-Rajhara. Abundant deposits of lime stone are found in the districts of Raipur, Bilaspur, Durg and Bastar facilitating the growth of several large cement plants in the area.

Raipur city is well connected with Mumbai, Delhi, Chennai, Visakhapatnam, Nagpur and Bhubneshwar by regular flights and is on the main Howrah-Mumbai railway line route.

ITM'S GLOBAL COLLABORATIONS

Ecole De Management De Normandie

Ecole de Management de Normandie is a 135 year-old highly respected business school, recognized by the French state and a member of the prestigious 'Conference des Grandes Ecoles' a selection of France's most elite institutions. EMN has 3 campuses, at Le Havre, Caen and Deauville with over 1,400 students studying business every year.

Queen Margaret University, Scotland

Inspired by the great tradition of Scottish education, Queen Margaret University is dedicated to delivering professional learning & specializes in research which is of value to the community and enhances people's lives. QMU has expertise in health; drama and the creative industries; media and social sciences; and business and enterprise. For the second year running, Queen Margaret University was named Britain's top higher education college in The Sunday Times University Guide. www.qmu.ac.uk

Southern New Hampshire University

Southern New Hampshire University is situated in Manchester NH, about 90 miles north of Boston, USA. Established in 1932, SNHU is accredited by the Association of Collegiate Business Schools and Programs (ACBSP) as well as the New England State Association of Schools and Colleges (NEASC) and the State of New Hampshire.

MoU is signed between UMass Lowell and ITM - Group Engineering Institutes

MoU is signed between UMass Lowell and ITM - Group Engineering Institutes for co-operation in variety of joint academic and education activities such as collaborative students projects, joint articulations in degree programs and course offerings, exchanges of faculty and graduate students, academic activities including joint research projects and publications, exchanges of publications, materials and information, joint conferences and workshops and special short term programs and visits.

MoU is signed between University of Memphis, USA and ITM Group Engineering Institutes

MoU is signed between University of Memphis, USA and ITM Group Engineering Institutes including ITM University Institute of Engineering & Research, Raipur; ITM - College of Engineering, Nagpur and Coastal Institute of Technology & Management, Vizag for cooperation in variety of joint academic and education activities such as collaborative students projects, joint articulations in degree programs and course offerings, exchanges of faculty and graduate students, academic activities including joint research projects and publications, exchanges of publications, materials and information, joint conferences and workshops and special short term programs and visits.

MoU is signed between RMIT University, Melbourne, Australia and ITM Group Engineering Institutes

ITM University, Raipur and RMIT University, Melbourne have signed memorandum of understanding (MoU) to strengthen the collaboration in the area of vocational and higher education. The MoU allows for articulation arrangement, student exchange, faculty exchange, Project Based Learning etc. ITMVU students can work in RMIT for summer internships/project based learning. They can also opt for MS programs in RMIT. Students from the proposed Diploma Engineering program after completing their 3 year Diploma can take admission in the 2nd year Associate Degree and after successful completion of Associate Degree can take admission in the 3rd year of 4 year B.Tech program* of RMIT University. ITM leadership teams undertook two visits to RMIT University, Melbourne. A leadership team of RMIT visited ITM University, Raipur two years back. Recently a two member high power committee of RMIT University, visited ITM University, Raipur on February 24, 2016.

The committee comprised of Mr. Peter W Ryan, Executive Dean, School of Vocational Engineering, Health & Sciences and Dr. Arvind Sharma, Dy Head of School, School of Vocational Engineering, Health & Sciences, RMIT University. During the visit RMIT team visited the campus and laboratories and also interacted with faculty and staff. Along with Chancellor Dr. P.V. Ramana and Incharge VC Dr. Sanjay Kumar they also interacted with the students.

**Note: ITMVU students should fulfill the eligibility conditions of RMIT University like GRE, TOEFL, ETS score and other academic requirements.*

CORPORATE TIE-UP WITH

ITM - Group of Engineering Colleges has tie-up with Siemens Group (SITRAIN)

ITM Group of Institutions understand the quest for developing career visions with the help of theory, practice and modern infrastructure. Thus ITM Group of Engineering Colleges have collaborated with Sitrain, the Siemens Training Academy. Siemens AG, a German multinational corporation headquartered in Munich is a world Leading company in the fields of industry, energy and healthcare. The Siemens Group in India is a leading Hi-tech company in India which seizes a foreseen bright future for professional leaders World class technologies developed by Siemens in the core business segments add value to its customers.

Siemens Training Academy- SITRAIN

SITRAIN, a global training and competence center managed by Siemens lays out a platform to share knowledge and innovation to help you achieve the best results with their systemized solutions. SITRAIN basic labs are setup at ITM - College of Engineering Nagpur and Coastal Institute of Technology and Management, Vizag and ITM University. SITRAIN advanced labs will be set up in ITM University. ITM University is being developed as a central facility with advanced training Laboratories for faculty and students. Thus, students getting admissions in ITM will receive training on World Class Siemens products and Siemens Certification. ITM University views this as a vast opportunity to develop world class Engineering Graduates to serve India.

Benefits:

- World class certification
- Upgraded training solutions and innovative interactive learning
- Group tuition, web-based training and qualification
- Training to serve Industry needs across market segments
- Practical job training
- Structured curriculum and Internship opportunity

ITM UNIVERSITY COURSES OFFERED

FACULTY OF ENGINEERING AND RESEARCH

1. Bachelor of Technology (B.Tech)

Specialisations offered:

B.Tech Civil - Construction Engineering & Management

B.Tech Mechanical - Computer Aided Design &

Advanced CNC Manufacturing

B.Tech EEE - Power Engineering

B.Tech CSE - Android Application Development

2. Master of Technology (M. Tech.)

Specialisations offered:

Civil: Structural

Civil: Environmental

Computer Science & Engineering: Cyber Security

Electrical: Power Systems

Mechanical: Production

3. Ph.D. in Engineering

FACULTY OF LIFE AND ALLIED SCIENCES

1. B.Sc Medical Lab Technology
2. B.Optomety (4 yrs)
3. B.Sc Microbiology
4. B.Sc Biochemistry
5. M.Sc Microbiology
6. M.Sc Life Sciences
7. Doctor of Philosophy in Life and Allied Sciences (Ph.D.) / Humanities

FACULTY OF COMMERCE, MANAGEMENT AND RESEARCH

2. B.A. in International Culinary Arts (BA-ICA)
3. B.A. Interior Design
4. B.A. Fashion Design

FACULTY OF INFORMATION TECHNOLOGY

1. Post-Graduate Diploma in Computer Application

FACULTY OF ENGINEERING AND RESEARCH

Bachelor of Technology (B.Tech)

Courses Offered

Engineering programs are the most vital component education in India. Every year lacs of aspirants take up various engineering entrance tests to gain admission to engineering programs across India. However, in the past few years, industry has criticized the standards of engineering education. ITM University has taken heed of this criticism and created a new approach to the B.Tech programs.

From 2017 onwards, students of the B.Tech programs at ITM University will earn advanced certification in the most in-demand sectors. This advanced certification is not offered by any other Institution or University. Additional subjects have been added to each year of the 4 year program to build up our students with a set of advanced skills that will lead to fast employment and solid career growth.

These B.Tech + Advanced Certifications are as follows: • B.Tech Civil - Construction Engineering & Management • B.Tech Mechanical - Computer Aided Design & Advanced CNC Manufacturing • B.Tech EEE - Power Engineering • B.Tech CSE - Android Application Development

Why Engineering?

The following are the reasons why you should do Engineering, at ITM University Raipur. Engineers use their imagination and analytical skills to invent, design, and build things that matter. They are team players with independent minds who ask, "How can we develop a better recycling system to protect the environment, design a school that can withstand an earthquake, or create cutting-edge special effects for the movies?" By dreaming up creative and practical solutions, engineers are changing the world all the time.

Job Satisfaction

It is extremely important to find a life's work that is satisfying, work that you want to do. Engineering could very well be that life's work.

Varied Opportunities

Engineering is a field that touches almost every aspect of a person's life. The day you walk down the aisle to receive your degree in Engineering, you have closed no doors. There is nothing you cannot become from that time forward!

Social Impact

Just about everything engineers do benefits society in some way. Engineers develop transportation systems that help people and products move about so easily. Engineers design the buildings we live and work in. Engineers devise the systems that deliver our water and electricity, design the machinery that produces our food, and develop the medical equipment that keeps us healthy. Almost everything we use was made possible by engineers.

Prestige

Engineers play critical, ubiquitous roles in sustaining our nation's international competitiveness, in maintaining our standard of living, in ensuring a strong national security, in improving our health, and in protecting public safety. No other profession affects our lives in so many vital, significant ways.

Siemens Certification

ITM - Group of Engineering Colleges has tied up with Siemens India, under which Siemens will develop State of the Art Laboratories on campus and provide training to students. Thus students getting admissions in Electrical, Computer Science and Mechanical Engineering in ITM will receive exclusive training on World Class Siemens machines and Certification on PLC & SCADA on Siemen's Machine.

Admission Procedure: First Year

Eligibility:

1. The minimum qualification for admission to the first year of B. Tech. shall be the passing of Higher Secondary School Certificate Examination (10+2)

scheme with Physics, Chemistry and Mathematics conducted by C.G. Board of Secondary Education or any equivalent examination from a recognized Board or University.

2. Non Resident Indian candidates shall also be eligible for admission to B. Tech. as according to the directives of the government provided they satisfy with the criteria.

3. The eligible candidates should secure a place in the merit list prepared by V.P.P. Mandal, Raipur or any other National/other state bodies recognized for conducting entrance test or the entrance test conducted by the University for Admission to 1st Year of B. Tech. courses.

Direct Admissions:

The students who fulfill the minimum eligibility criteria are eligible for admission direct quota. However they have to make an application directly to the institute. Admissions will be as per merit.

Lateral Entry:

Admission Criterion and Examination Scheme for Lateral entries (Only for Polytechnic Students)

Lateral Entry Seats Allotments (Direct Admissions to B.Tech 3rd Semester)

Any candidate having successfully completed diploma / Equivalent certificate program in relevant faculty is eligible to be admitted to 2nd year / 3rd semester of the program.

Name of the Branch	Eligibility
Civil Engineering	Diploma in Civil / Structural Engineering or equivalent
Mechanical Engineering	Diploma in Mechanical Engineering or equivalent
Electrical Engineering	Diploma in Electrical Engineering or equivalent
Computer Science & Engineering	Diploma in Computer Science & Engineering or Information Technology or Computer Technology or equivalent

Examination Scheme :

(Only for Lateral Entry Candidate)

Every Lateral Entry Candidate must clear

Applied Mathematics – I of B.Tech First Semester and Applied Mathematics – II of B.Tech Second Semester,

before the commencement of 5th Semester of that batch.

Master of Technology (M.Tech.)

Courses Offered

- Computer Science & Engineering (Cyber Security) | Electrical Engineering (Power System)
- Civil Engineering (Environmental Engineering) | Mechanical Engineering (Production Engineering)

Faculty of Engineering, part of ITM University offers Master in Technology (M.Tech.), a beneficial choice for higher studies after graduation. Masters of Technology helps you get a better insight into subjects you develop a keener interest in and by this time you are mature enough intellectually to expand your knowledge.

M.Tech. degree adds value to your education and gives you an edge over others knowledge wise and skill wise. Your practical knowledge, expanded skill set and on field experience will make you stand out as a better choice when it comes to advancing your career by specializing in the core subjects. You will be better prepared for an industry as compared to a student with B.Tech. / B.E. degree or equivalent graduation.

Choice of Specializations: You can choose M.Tech. from Faculty of Engineering with the following specialization -

Computer Science & Engineering:

Cyber Security

Electrical Engineering:

Power Systems

Civil Engineering:

Environmental Engineering

Mechanical Engineering

Production Engineering

Eligibility Criteria:

A candidate seeking admission to M.Tech., first semester must have passed B.E. / B.Tech. or equivalent examination from recognized university and a GATE score card.

At the time of admission, the candidates shall have to produce the original certificate of having passed / mark sheet of the final year of the degree examination. To understand the criteria in detail, kindly check the table below:

Name of the Branch	Eligibility Criterion
Computer Science & Engineering	B.E. / B.Tech. in CSE/IT or Equivalent or MCA/ M.Sc. (Mathematics) or equivalent
Electrical Engineering	B.E / B.Tech. in Electrical Engineering or equivalent
Civil Engineering	B.E / B.Tech. in Civil Engineering or equivalent
Mechanical Engineering	B.E / B.Tech. in Mechanical Engineering or equivalent

ENGINEERING PLACEMENTS

ITM - Group of Institutions truly believes that a diverse participants profile ensured by our admission process provides a wealthy talent-pool for companies to recruit from. The number of PPOs (Pre Placement Offers) and quality of various projects, our students take up with industry, is a benchmark for others to follow.

ITM strongly believes in inclusive economic growth of the country and the driver of that growth is entrepreneurship, hence we have established incubators for start-ups at campus level and provide them all support required to make their dream come true.

Final Placement is the one event that every student looks forward to. With hundreds of India's best companies coming on campus with a variety of job profiles, the placement process at ITM gives students a world of opportunities to make their career in the widest range of industries.

At ITM, Career Services is integrated into overall program, exposing you to workshops which focus on topics such as:

- Self Assessment
- CV and the writing of a cover letter
- Career Strategies
- Competency based mock interviews
- Time Management
- Salary Negotiation
- Personalized Coaching
- Networking

The ITM Career Services team, the alumni and the faculty are a networking resource to assist you in gathering the necessary information to develop your career focus. First Batch (2008) of Engineering students at Coastal Institute of Technology and Management, Vizag, Graduated in 2012 have achieved 95% placement!

RECRUITERS LIST

FACULTY OF
COMMERCE, MANAGEMENT
AND RESEARCH

Bachelor in Business Administration (BBA)

Faculty of Management offers a 3 years Full time Bachelor of Business Administration (BBA) Program under the aegis of ITM University. 10+2 students from any backgrounds can pursue the BBA course. Developing Business Expertise

MBA provides an added advantage for students from non-business backgrounds. By earning an MBA degree, you increase your practical knowledge in the field of business administration. Most of the Business Schools recognize MBA both as a Professional and Academic degree.

Career Advancement

An MBA degree helps you in quickly climbing up the corporate ladder with a handsome salary package alongside a respectable designation. According to a recent survey, high performing successful MBAs are more likely to reach top management levels of Fortune 500 companies and other corporate areas. MBAs with specialized skills are commonly selected to lead start-up companies.

Recession Proof Degree / Job Security

An MBA degree provides a combination of elective and specialized courses wherein by training candidates to handle complex business situations. Thus, having an MBA degree assures sustainability of your job in the organization. The demand for MBAs rides high even during global economic recession.

Starting Your Own Business

An ideal MBA program helps you in becoming business savvy. The skill-set taught in MBA provides you with the hands-on training for dealing with real work business problems. Eventually, you can branch out as an independent entrepreneur: running your very own successful business.

Ms. Reji (Team HR), J.K. Helene Curtis Ltd - Raymonds

Life at Campus

Over the last two years, we have worked towards developing a high standard of facilities and technology to each of our ITM campuses. Each campus, while unique to itself- shares the same technology, teaching and learning resources as the other campuses in the ITM Group.

Learning Resources

At ITM Libraries and Reference Sections are fast losing out to digital archives and collaborative workspaces. ITM University is well equipped with a library having updated subscriptions of Newspapers, magazines and journals and other necessary knowledge materials. In addition, students from any ITM campus can access a wealth of proprietary digital content through our subscriptions to EBSCO, one of the world's largest online Knowledge repositories with over 200 journals and the Harvard Business Review Online Archive. Even more resources such as multimedia content and interactive training apps are available for reference.

Fully equipped Classrooms

Considering the number of hours students spend in them, ITM University has developed classrooms to be comfortable, climate controlled spaces, equipped with the whole range of electronic teaching aids. The classroom in ITM University provides Audio / Video equipment, LCD projectors, internet connectivity, PA systems and more. Equipped with modern furniture, these comfortable and spacious classrooms are the core of the learning experience at ITM University.

Technology

ITM has always been at the forefront of technology adoption in the education sector. All our campuses offers high-speed Wifi connectivity with dedicated broadband internet lines, allowing students to stay connected throughout their course of study. ITM is an early adopter of open source software, and we are proud to be have one of the largest academic deployments of Linux and OSS in the country. Students, faculty and staff run Linux and use robust open source software to accomplish their tasks, with greatly reduced down-time from system instabilities, virus and malware.

Labs

The University maintains various labs for operation and specific uses - Computer Lab, Engineering Mechanics Lab, Basic Civil Engg. Lab, Electrical and Electronics Lab, Physics Lab, Mechanical Engineering Lab and a Chemistry Lab used for conducting and providing access to a practical learning in its own field. A language lab to enhance the communication skills- both written & spoken.

College Facilities

Today at present we have Everything that a student Academically needs for a "HEALTHY MIND" and also everything that make our students have a "HEALTHY BODY." Right from Green Gardens to In-house Canteens, we present indoor Gymkhana, well trained and hand picked faculty members.

Medical and Wellness Facilities

ITM University takes health, safety and wellness of its students very seriously and works with the student body and the local community to improve the lives and lifestyles of all stakeholders. The university has a doctor available on - campus and at hostels during every day.

Incoming students are advised on health and safety concerns. ITM University also inculcates wellness habits in the student body through yoga, meditation and spiritual development. Mentors and counselors are assigned to students to advise and guide them through their development as business professionals.

Recreation and Sports

ITM University provides student recreation opportunities including events are performed; spaces for guest lectures, workshops, exhibitions, competitions and cultural evenings. Organized sports routinely take place, with in-house and inter-collegiate competitions dotting the academic calendar.

Transport Facility

ITM University Raipur has an excellent transport facility for its students. Also, multiple pick & drop is an added benefit for the students to commute easily to the campus.

ITM UNIVERSITY MEGA EVENTS

Ad-Review Competition.

ITM University, Naya Raipur organized a one-day Ad-Review competition under the auspices of its Utkarsh Committee on January 9, 2016. Student Testimonials

Suman Sardar
B.Tech, ITM University

Our ITM University has a very friendly atmosphere... I enjoy every second that I spend in here, the teachers are very good and friendly in nature...in terms of quality, I would have to say that it is pretty good and certainly of a standard that one would expect from the ITM University.

I was so confused, to find my engineering college near to my hometown and one of my cousin suggested me ITM University Raipur. I enquired about the university and found that its one of the best university located in India and there are more than 10 Campuses across India. After being part of ITM University I could notice a refinery change in myself. Hearty thanks to ITM University...

Shreya Halwai
B.Tech, ITM University

Surbhi Mishra
MBA, ITM University

My first day in ITM University was most interesting day as the one week Induction Program was full of fun & adventurous, here I also got to know about the Facilities and Faculties of the college. It was good to know that I would be getting knowledge from highly experienced faculties. I found ITM University is to be an opportunity to enhance my knowledge and skills.

Our ITM University has a very friendly atmosphere... I enjoy every second that I spend in here, the teachers are very good and friendly in nature...in terms of quality, I would have to say that it is pretty good and certainly of a standard that one would expect from the ITM University.

Parent Testimonials

Mr. R.K. Mishra
Parent of Ayush Mishra

Hello! I Am R.K. Mishra father of Ayush Mishra. Deciding which college after 12th is the most critical decision on a parent's part. As it is a turning point in a child's career & parent's guidance is the most crucial role to play. While we were taking decision for Ayush, we wanted to choose the best academy for him. So we consulted many, we went to many colleges, discussed with many people associated with education line & others also. We were about to go for the other renowned college but meanwhile we got the information about ITM University & from that point of time we started getting positive response about the institute from all over & we thought of checking it out. We checked out the courses & the college. We found out that it is a very good college & that's when we realised he will pursue his B.Tech course in this college.

Mr. Sunil Paretkar
Parent of Sushant Paretkar

The dedication, support and motivation of each of the staff is remarkable for overall development of my son Sushant Paretkar and other students. The College values the individual student, encourages each one, makes them responsible for their own studies, makes them work very hard, but in a supportive manner that is conducive to their feeling engaged and positive about the learning experience. ITM University is a vigorous college, always improving and taking responsibility for students. It has a wide range of courses, friendly tutors and rich experiences in education.

Mr. SK Mishra
Parent of Surbhi Mishra

I should thank you all for giving my daughter Surbhi Mishra this unique opportunity to study and learn in a place where she is able to exploit her abilities with a big happy smile. I want to show my sincere gratitude to the ITM University faculty & staff members because what they have given her cannot be measured by any means and I trust this ITM University will definitely help my daughter for develop her Personality. I wish her to have a bright future.

आईटीएम विश्वविद्यालय में हुआ योग

नया रायपुर स्थित स्कूल ऑफ मैनेजमेंट एंड रिसर्च (आईटीएम) यूनिवर्सिटी में योग दिवस के तहत यूनिवर्सिटी के कुलपति एयर कमांडोर डॉ. संजय कुमार वीएसएम ने योग उत्सव का शुभारंभ किया। इस मौके पर संस्था के छात्र-छात्राओं ने योग की विभिन्न मुद्राएं कर योग के फायदे और उनकी महत्ता को जाना। डॉ. संजय कुमार ने छात्र-छात्राओं को संबोधित करते हुए कहा कि विश्व में भारत एक योग गुरु के रूप में जाना जाता है। भारतीय इतिहास में ऐसे कई महात्मा एवं संत हैं, जो योग की कला में निपुणता हासिल करके लोगों को इसकी महत्ता को समझाया। उन्होंने कहा कि भारतीय शास्त्रों में विशेष रूप से महर्षि पतंजलि के महाकाव्य में योग साधना को जीवन निर्वाण का माध्यम बताया है।

आइटीएम यूनिवर्सिटी रायपुर का पुलेला एकेडमी से करार

हरिभूमि न्यूज, रायपुर

आइटीएम ग्रुप ऑफ इंस्टीट्यूट्स देश में उच्च शिक्षा प्रदान करने वाला एक सर्वाधिक प्रतिष्ठित समूह है। इस ग्रुप के सिल्वर जुबली सेलिब्रेशन के अवसर पर संस्थापक और निदेशक डॉ. पीवी रामना

रहा है, इसलिए आइटीएम यूनिवर्सिटी रायपुर ने शहर के बैडमिंटन खिलाड़ियों को सहयोग देने के लिए गोपीचंद बैडमिंटन एकेडमी के साथ गठबंधन किया है। इसका उद्देश्य ऐसी शक्तियों एवं चुनौतियों की पेशकश करना है, जिससे उन्हें निकट भविष्य में कुछ सर्वश्रेष्ठ उद्योगों के लिए प्रोफेशनल्स एवं लीडर्स के रूप में विकसित होने में मदद मिलेगी। इस इवेंट के बाद प्रो. मिलिंद कुलकर्णी ने केक काटा। सभी कर्मचारियों के लिए म्यूजिकल चेयर्स और क्रिकेट जैसी विभिन्न गतिविधियां आयोजित की गईं।

आईटीएम ग्रुप द्वारा ऑनलाइन यूनिवर्सिटी का लोकार्पण

रायपुर, 22 जुलाई (ए)।

आईटीएम ग्रुप ऑफ इंस्टीट्यूट्स, जो अनुमोदित बिजनेस स्कूलों के एक सबसे बड़े ग्रुप के साथ भारत का एक सर्वाधिक सम्मानित निजी शिक्षा समूह है, ने आज आईटीएम यूनिवर्सिटी ऑनलाइन' का लोकार्पण करने की घोषणा की है। इस ई-लर्निंग प्लेटफॉर्म को आइटीएम के फ्लैगशिप एमबीए प्रोग्राम के साथ शुरू किया जा रहा है। आइटीएम अर्थव्यवस्थाओं और समाज की कायाकल्प करने के उद्देश्य से, नवीनतम शिक्षा टेक्नोलॉजी और एक अभुक्तिक पाठ्यक्रम इस्तेमाल करते हुए, अनियमित उपलब्धता और अन्य तंत्रियों के चलते अपनी गति से सीख सकें। कक्षाएं सितंबर 2014 में शुरू होंगी जिनके लिए प्रवेश 21 जुलाई से प्रारंभ हो चुकी हैं।

पारम्परिक दूरस्थ शिक्षा पाठ्यक्रमों के विपरीत, ऑनलाइन एमबीए एक मल्टी-चैनल विद्याप्राप्ति अनुभव देने के लिए टेक्नोलॉजी का लाभ उठाती है जिसमें ईबुक, वीडियो स्ट्रीमिंग, सोशल मीडिया और ऑनलाइन कोलेबोरेटिव टूल्स, और वरचुअल क्लासरूम एक्सपीरेंस को मिलाया गया है। बस इतना ही नहीं, ईलर्निंग के नुकसानों पर काबू पाने के लिए, छात्रों को उनके अध्ययन के दौरान संकाय-धर्म तक अभूतपूर्वक पहुंच मिलेगी। इन पाठ्यक्रमों को जानबूझकर लचीला रखा गया है ताकि छात्र अपनी दूसरी प्रतिबद्धताओं, समय की अनियमित उपलब्धता और अन्य तंत्रियों के चलते अपनी गति से सीख सकें। कक्षाएं सितंबर 2014 में शुरू होंगी जिनके लिए प्रवेश 21 जुलाई से प्रारंभ हो चुकी हैं।
