With 25 unique Life Skill courses integrated with our MBA program ensures the transformation of each learner to a successful professional in this dynamic business world. Students would be certified for each course by Harappa after successful completion of course based on evaluations.

B. PGP Certifications

Today businesses are operating in highly dynamic marketplace. Therefore, it is important to consider not only business projects but also organizations vision and policies.

PGP in Strategic Management fosters the ability to factor the unique facets of an organization, build and recommend a strategy to capitalize on them. It also prepares you to effectively analyze business operations, identifying competition, evolve operations and survive volatile markets in a rapidly growing business environment.

Top Educational Conglomerate

- Our Premier Education partner has made rapid strides in providing quality education to many students - making it one of the few large and most sought after distance learning institutes of India.
- Our Premier Education partner is an education provider to top Corporates such as Airtel, Bajaj Finance Ltd., Bharti Pvt. Ltd., Cipla, Cognizant, Collabera, Eaton Technologies Pvt. Ltd., HCL, Hindalco Industries Ltd., IBM, Vodafone, Wall-mart, Wipro, TATA AIA etc and many more.
- Extremely High Acceptance in the Industry

Course Credit Acceptance

Students pursuing PGP from Premier Institute have an opportunity for also completing EMBA from VOU. The credits earned by the student as a part of their PGP program from first year undertaken with premier institute would be transferred to EMBA program.

As a result students do not have to appear for the common subjects twice. The credits earned in such subjects will be considered for EMBA program. From overall subjects, students have to successfully complete 4 additional modules in second semester to earn the PGP certification. Refer Program Structure

- Self-Paced Learning with Anywhere Anytime access to Virtual Campus
- Access to 100% System base Immersive Learning
- Live Interactive Sessions conducted by Industry Experts
- Capstone Project: Real Time Industry Projects with Concepts put to Practice

Program Duration:

Minimum 3 Years and Maximum 6 Years.

Eligibility for the Program:

10+2 Passed with 45% marks having Mathematics as one of the subject from recognized board of education

Program Fees

Plan 1	Rs. 18,750 Down Payment	24 Monts	X	Rs. 7,628 EMI Amount	Rs. 2,01,822 Total Fee
Plan 2	Rs. 40,364 Down Payment	24 Monts	X	Rs. 6,727 EMI Amount	Rs. 2,01,822 Total Fee

Program Delivery

Upon registration, the Students are provided with study material (books) along with the login credentials of the Virtual Campus for accessing the courses online within 21 working days.

The Virtual Campus would have semester wise buckets for subjects of the said program. Every subject would have various chapters with following learning activities for the students:

Digital Text Book: These are the self-learning material in form of notes, which are created in simple and understandable language for any learner to get well acquainted with the topic.

GBook: Guidebook helps the learners understand the key insights which are the fundamentals of the topic in an easier and simpler language.

Practise Test: For every topic, the learners can gauge their understanding during the learning process through the Practice Test.

Live Interactive Online Sessions: For major subjects, there would be academic doubt resolving sessions for the students. The student can attend the scheduled live sessions as published on the website. [Click Here for Live Session Updates.](#)

Program Delivery for PGP in Strategic Management

- The students would get the access to PGP courseware through Premier Institute LMS.
- Students would need to successfully submit the Assignments before appearing for final exams
- Project work as per program structure

Work Integrated Learning Program (WILP)

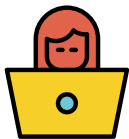

About School of Strategic Management

- > Venkateshwara's School of Strategic Management offers Work Integrated Learning Programs which harnesses the Experiential Learning Pedagogy enabling every student to learn, practice and transform as a professional.
- > School of Strategic Management offers various WILP Programs in PG and UG; which are specially designed for young professionals seeking to up-skill and enhance the career prospects for a truly rewarding career.

What is a Work Integrated Learning Program (WILP) ?

- > Work Integrated Learning Program is a cutting edge pedagogical approach enriching a campus based program to be in sync with the dynamic industry requirements.
- > With the dynamic business world, the experiential learning pedagogy enables every learner to match the expectations of corporate world. The program strengthens fundamentals of the learner which includes the blend of experiential learning which would have access to the academic and industry mentors, assignments, case studies and work integrated activities.

WHY WILP?

Work Integrated Edge

Comprehensive Industry relevant curriculum

Harnesses the Experiential Learning Component

Academic & Industry Mentorship

Virtual Campus - Opportunity for a mix of Asynchronous and Synchronous Components

Live Interactive Sessions

Continuous Assessment

Work Integrated Learning Program (WILP)

- This approach enriches the analytical capabilities of a learner as the students' acquisition of knowledge would be tempered with and tamed by practical experiences. The student would be able to acquire a command over these major components of learning,
 - (i) acquisition of talent and skill required for designing, devising and conducting practical/-case/field studies
 - (ii) the intelligence to approach a subject critically and from a research-perspective.
- Project work enables the learners to get real world understanding of business dynamism. It is important to note that practical/field studies would not be isolated as an independent papers of study. Both theory and practice are learned in a holistic manner.

Learning Methodology:

The Work Integrated Learning Programs have the following learning methodology, which is a mix of synchronous and asynchronous learning component.

- Comprehensive Study Material – Hard Copy of Books for every subject
- Access to Learning Management System – Various Asynchronous Learning Components as below:
 - ✓ **E-Book** – Module wise notes enabling the learner to get the thorough insights of topic
 - ✓ **Study Guide** – Bullet Notes to get accustomed to the fundamentals of every module
 - ✓ **Practice Test** – To gauge the understanding for every module
- Access to Live Interactive Sessions for Major Subjects
- Access to Archive Video in case students miss any of the live sessions.
- Academic and Industry Mentorship
- Digital Library

Apply Online

Given below is the elaborate step-by-step explanation of admission procedure (Just 5 step process). Important Note

- The eligibility criteria for every program is clearly mentioned on our website under the programs. The student should ensure that they satisfy the eligibility norms for the program they wish to enrol.
- The candidate has to ensure that their education / qualifying degree has been issued from a recognized university/board only. It should be recognized by regulatory authority of Government of India.
- The name mentioned on 10th Std Mark Sheet has to match the name mentioned on the degree certificate / degree mark sheets in case of MBA/MCA admissions.
- The name mentioned on admission form should be exactly the same as it is mentioned on 10th Std. Mark Sheet.
- In case of name change / deferred name (10th Std and Degree Certificate or Mark sheet) a name change document/affidavit has to be submitted to the university for processing.
- Submission of documents and payments to university is subject to eligibility criteria as per the guideline of the university.
- The admission would be processed as per the information provided by the student and in case of any discrepancy in the same, the university would have the right to cancel the admission and the fees paid would be forfeited.
- Upon receipt of all the documents with applicable fees the documents are scrutinized by the course administrators. It is then forwarded to the enrolment department for final verification and processing the admission for generation of enrolment number.

Admission Policy

- All the information regarding eligibility norms and mandatory documents required and registration is available on this website.
- The candidate has to ensure that their education / qualifying degree has been issued from a recognized university only.
- At the time of online registration the candidates have to scan and send all their relevant documents as mentioned in registration process on this website.
- The admission would be processed as per the information provided by the student and if at any stage, it is found that a candidate has furnished any wrong or misleading information, his/her candidature will be cancelled immediately. In any such case, no claim for refund of any type will be entertained.
- The student should ensure that they satisfy the eligibility norms for the program they wish to enrol.
- Submission of documents and payments to university is subject to eligibility criteria as per the guideline of the university.
- The student has the options as mentioned above for selecting the fees payment plan at the time of admission only.
- In case of deferred/installment payments as mentioned above, postdated cheques should be accompanied with the admission form.
- Upon receipt of complete set of mandatory documents and applicable fees, the University enrollment team would then verify all the documents with respective fees.
- The enrollment number would be generated within 21 working days after receipt of complete set of documents and applicable fees. In standard conditions the student should receive the enrollment number and study material dispatch intimation within 21 working days after submission of all mandatory documents & applicable fees. (Courier delivery timelines additional at actuals)
- The admission will be treated as enrolled only after Enrollment / Registration Number has been generated by University subject to provisional or confirmed enrollment.
- Refund /Cancellation requests need to be sent by the students within 15 days from date of payment of fees submitted for admission processing, for the student to be eligible for any refund. All Refunds at the discretion of the university.
- Students need to inform about refund/cancellation by email to support@voussm.edu.in along with the reason for refund request. No verbal or telephonic request will be accepted and similarly no email request would be considered after 15 days from date of payment of fees.
- There will be no refund/cancellation requests received from registered or non registered students, after the mandated timeline of 15 days from date of payment of fees.
- In case where student enrolment number has been generated and books have been dispatched and the request is received within 15 days from making the payments then the following deduction would be:
 - 25% deduction as administrative charges (if study material returned by student and received by VOUSSM)
 - 50% deduction as administrative charges (if study material not returned by student or not received by VOUSSM)

Admission Policy

- In case where student enrolment number has not been generated or mandatory documents are yet not submitted by the student, and the request has been received within 15 days from making payment of fees, the above refunds would be as mentioned below-
 - 25% deduction as administrative charges
- The above mentioned deductions would be made on total amount paid by the student.
- Refund processing takes 60 working days from date receipt of refund request for eligible cases as per the said policy.
- The university reserves the right to change existing guidelines, refund policy, program structure, course curriculum, eligibility norms, course conduction pattern, LMS up-gradation, examination process examination schedule, exam date & time as selected by the student, the course fees, exam fees, other fees at any point of time.

Student Support Services

- At VOUSSM we have a dedicated and integrated student support team to help & assist students'. They can call the student Support team to resolve queries related to the course.

Course Conduction

- The student would be provided with the hard copy of books/study material along with the login credentials of the Learning management system (LMS) for accessing the courses online.
- The LMS would have semester wise buckets for subjects of the respective programs as enrolled.
- Every subject would have 3 activities for the students to complete as follows-

ACCESS TO CHAPTER WISE

E-Book

Study Guide

Practise Test

Assignments

After completing the above activities the student would get access to the subject wise assignments.

- The students would have to complete their assignments and examinations for every subject of the program. There would be 2 or 3 assignments per subject which would be in form of MCQ (objective type questions).
- The duration of every online assignment would be of 1 hour with 50 questions each of 2 marks each.
- The student should score 40% in every assignment to pass in respective assignment. In case the student gets less than 40% marks in any assignment, the student should send a requisition through mail to our support team at
- support@voussm.edu.in mentioning their Enrolment Number, Subject Name, Assignment Number 1 or 2 which has to be reset.
- The reset of assignment for requisition received would be done within 2 working days.
- Assignment marks are considered in the final mark sheet generated by the university and assignment would have 30 percent weightage for the same while exams would have 70% weightage for final score card.
- The university reserves the right to introduce subjective assignments at any point of time as it may be necessary for skill enhancement and evaluation process.

Examination

- Examinations are tentatively conducted between 15th - 30th January and July. Student can attempt examinations twice a year only.
- The student can give backlog examination for previous semester if any, in the next exam cycle or with the fresh subjects of the subsequent semester.
- The examination consists of objective type questions - the exam paper will contain 50 questions of 2 marks each.
- Examination duration is one hour Passing marks are 40%
