MESSAGE OF HIS HOLINESS KRISHNAGURU ISHWAR

- ❖ We are neither race nor relatives, nor community, neither are we inert. We are only souls, servants of Krishna.
- ❖ Do not seek anything in return for any service.
- ❖ Pay no heed to either service or slander.
- ❖ Prayer solemnly paying no heed to vulgar talks.
- ❖ Do not accept anything given with a show of devotion but with an axe to grind.
- ❖ Seek no gift from anyone when motives inherent.
- ❖ Serve the soul with faith in daily devotional works.
- ❖ Devote God being indifferent to either respect or insult.
- ❖ To speak ill is sin, sin invites trouble.
- ❖ Cleanse your impure mind by chanting KRISHNA- NAM.
- ❖ Feed the starving without despising him.
- ❖ Attain your goal ignoring happiness and sorrow.
- ❖ Love of soul is the key to world peace.
- ❖ We reach God through devotion, not through food & clothing.
- ❖ Impart spiritual knowledge along with school education.
- ❖ Spiritual knowledge makes a man self-restrained and sustain longevity.
- ❖ Spiritualism binds men together as one entity.
- ❖ Feeling of oneness of soul is the foundation of World Peace.
- ❖ Those who revile Dharma, Nam, Bhakta and propagate falsehood defile the air. Defiled air gathers momentum in the society. Inhaling the defiled air, people becomes ignorant and bring about harm to the world. Revolution blew up. Majority of the people disrupt peace by getting involved in evil deeds.
- ❖ Avoid telling lies. It creates terror.

KAV FOUNDATION STONE LAID BY HIS HOLINESS KRISHNAGURU ISHWAR

HON'BLE CHANCELLOR'S HOLY MESSAGE

GURUKRISHNA PREMANAND PRABHU
HON'BLE CHANCELLOR, KAV, Nasatra

"We are neither race nor relatives, nor any community. Neither we are inert. We are only souls, servants of Krishna."

-KRISHNAGURU-

Oh my beloved brethren of the world!

The thousand years old Indian religio-historical tradition is becoming the subject of discussion throughout the world. It was created by the first Sanatan Guru, the Omnipotent Narayana. The pure principles of the Sanatan Dharma were laid out to the creation's first living being Brahma.

The teacher gurus of later ages tried to adapt the teachings to their times, and as such there is the decline of spiritual thought and grandeur of the religion. This causes conflicts in between the Sadhus and the detractors, and the society plunges into darkness and chaos. Hence the reincarnation of the Omnipotent Narayana happens to restore the Dharma to its original glory. The incarnations of Shri Ram in the Treta Age and of Shri Krishna in the Dwapor Age are the two brilliant examples of this nature.

The closing days of Koli Age also witness a tremendous decline in Sanatan Dharma. As the Dwapor Age was plagued by the great Kurukshetra War, so also the 20th century witnesses two great World Wars. As a result, human society has immersed in natural, social and economic chaos, crisis and misery. People running after the selfish interests, and gradually moving away from their faith in Sanatan principles, their spiritual past and traditional human values, have embraced the dead and lifeless material world.

Precisely, at this dark age of Kolki, Narayana reincarnated as the Prime Kolki Avatar as 'Krishnaguru' at Nasatra Dham. Dispensing the Krishnaguru Eknaam, the Sadguru has again brought back mankind to the pure stream of spiritual thought.

It is a bliss that we are born and brought up in the very presence of Sadguru Krishnaguru Ishwar. The spiritual presence of His Holiness inspired my every thought and reflection. Thus, together with my material education, I could be thoroughly aware of the roots and tenets of spiritual learning.

Pure spiritual thoughts and reflections of Sanatan Dharma can be realized through the 'Krishnaguru' Naam that can lead the unruly world to peace and tranquility by lifting the human society out of the pitfalls of race, relatives, community and material thought.

The Krishnaguru Naam also teaches the works of social benefit but this type of education is absent from the usual institutional learning. As such Krishnaguru has made it compulsory to combine Spiritual education with academic curriculum, and has prepared a proposal for such educational institutions from primary to university levels. The devotees have translated this sacred duty into a reality. This wealth is for the entire mankind.

As long as the spiritual thoughts of Krishnaguru Ishwar remain fixed in one's heart so long mankind will be receiving His direct touch.

That is why this message is to the world community so that they may enjoy eternal peace and happiness.

Joi Krishnaguru...
