President's Message

Dr. P. V. Ramana

President, ITM Vocational University
Chairperson, ITM Group of Institutions

As the Founder and Chairman of ITM Group, I have watched our ITM students bloom and make great careers in India and abroad. Since the last 26 years, we have consistently achieved our mission of educating India's next generation, as proved by our long list of alumni who have become successful CEOs and entrepreneurs, and will continue to do so in the future.

To provide quality education, ITM Vocational University has a team of highly qualified faculties and an environment that supports learning, self-development and research.

Our focus remains on evolving efficient, confident and highly knowledgeable technocrats, leaders with global thinking and futuristic mind-set that will contribute to nation building with simultaneous faith in corporate ethics.

ITM Vocational University is the essence of what we have learnt in 27 years of providing superior education across the country. In just one year of operation, the University has carved a niche for itself as an excellent choice for the students of Gujarat.

I look forward to meet you at the University and assure you that you will have exciting educational experience to help you fulfill your dreams. Thank you, for considering ITM at this significant juncture in your life.

Godspeed!

Provost's Message

Dr. Anil M. Bisen,
Provost, ITM Vocational University

Dear Students,

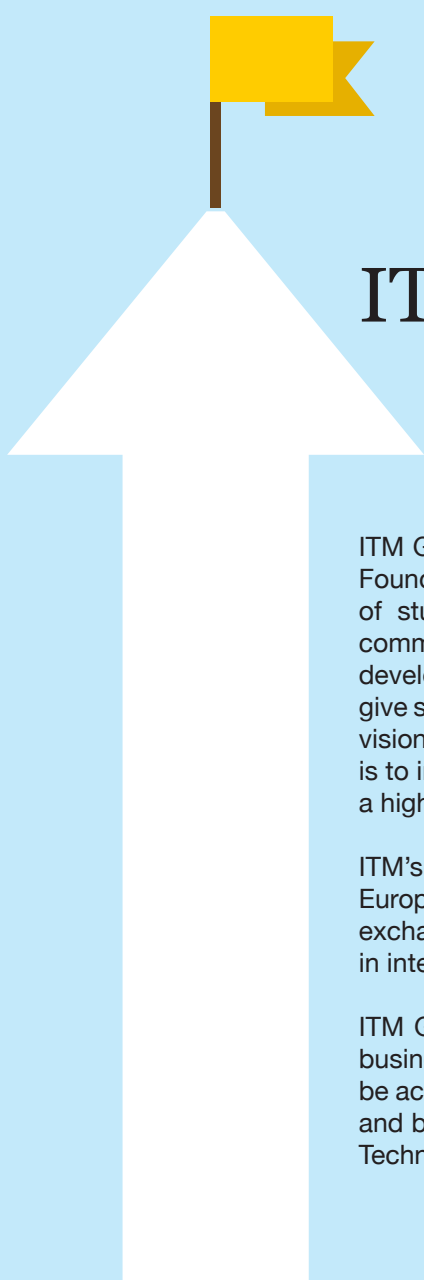

It gives me immense pleasure to welcome you to ITM Vocational University, an exciting place to learn and grow. ITM Vocational University is creating lifelong learning opportunities for the learner. Creating platforms for employability bridge courses and vocational career paths is key to meet the priorities of economy of the region.

In order to meet this requirement, ITM Vocational University, Vadodara was set up by the ITM Group of Institution, Mumbai under Gujarat Private University Act.

In a rapidly advancing world around us, new technologies, innovations and new market trends are emerging fast and discarding the established ones. Bridging the gap between industry and academia is a major challenge in this country and bridging this gap is possible only by intense industry-academia interaction, training the youth with the tools and technologies of Industry and creating a mind-set of innovation and entrepreneurship.

ITM Vocational University, aims at meeting the skill demands of the state and nation in the current and emerging areas of various sectors such as Engineering, Information technology, Management, Life Sciences and latest evolving field. Our curriculum has provision for internship and project-based learning at the end of each semester which focuses on skill development, entrepreneurship and innovation and creating industry-ready professionals are the unique features of the University. We have collaboration with many industries around the country and keep ourselves engaged with them to evolve our curriculum as per industry requirements. Our aim is to produce future-ready professionals who can start working productively from the instant they join the industry.

With us, you can build a successful professional career. I promise you a enriching academic experience, which will transform your life.

ITM Group of Institutions

ITM Group of Institutions was established in 1991 by **Dr. P. V. Ramana**, the Founder. ITM Group of Institutions has a thriving and vibrant population of students in its campuses across the country that creates a unique community atmosphere encouraging comprehensive learning and personal development. With the able support of its experienced faculty members to give students the vital global edge, ITM is steadily moving towards fulfilling its vision of becoming a global leader in professional education, whose mission is to impart futuristic and comprehensive education of global standards with a high sense of discipline and social relevance.

ITM's partnerships with International Universities and schools from US, UK, Europe & Asia deliver knowledge transfer, program development and student exchanges. These affiliations help in keeping the curriculum up-dated, bring in internationally acclaimed faculties and for developing new programs.

ITM Group has been receiving ever rising ratings from the nation's leading business magazines and popular ever media. ITM is one of the few institutes to be accredited by the National Assessment and Accreditation Council (NAAC) and by the National Board of Accreditation (NBA) of the All India Council for Technical Education (AICTE) with an 'A' rating.

VISION

To be a Centre of Excellence and Innovation, offering futuristic professional education catering to global standards and multiculturalism.

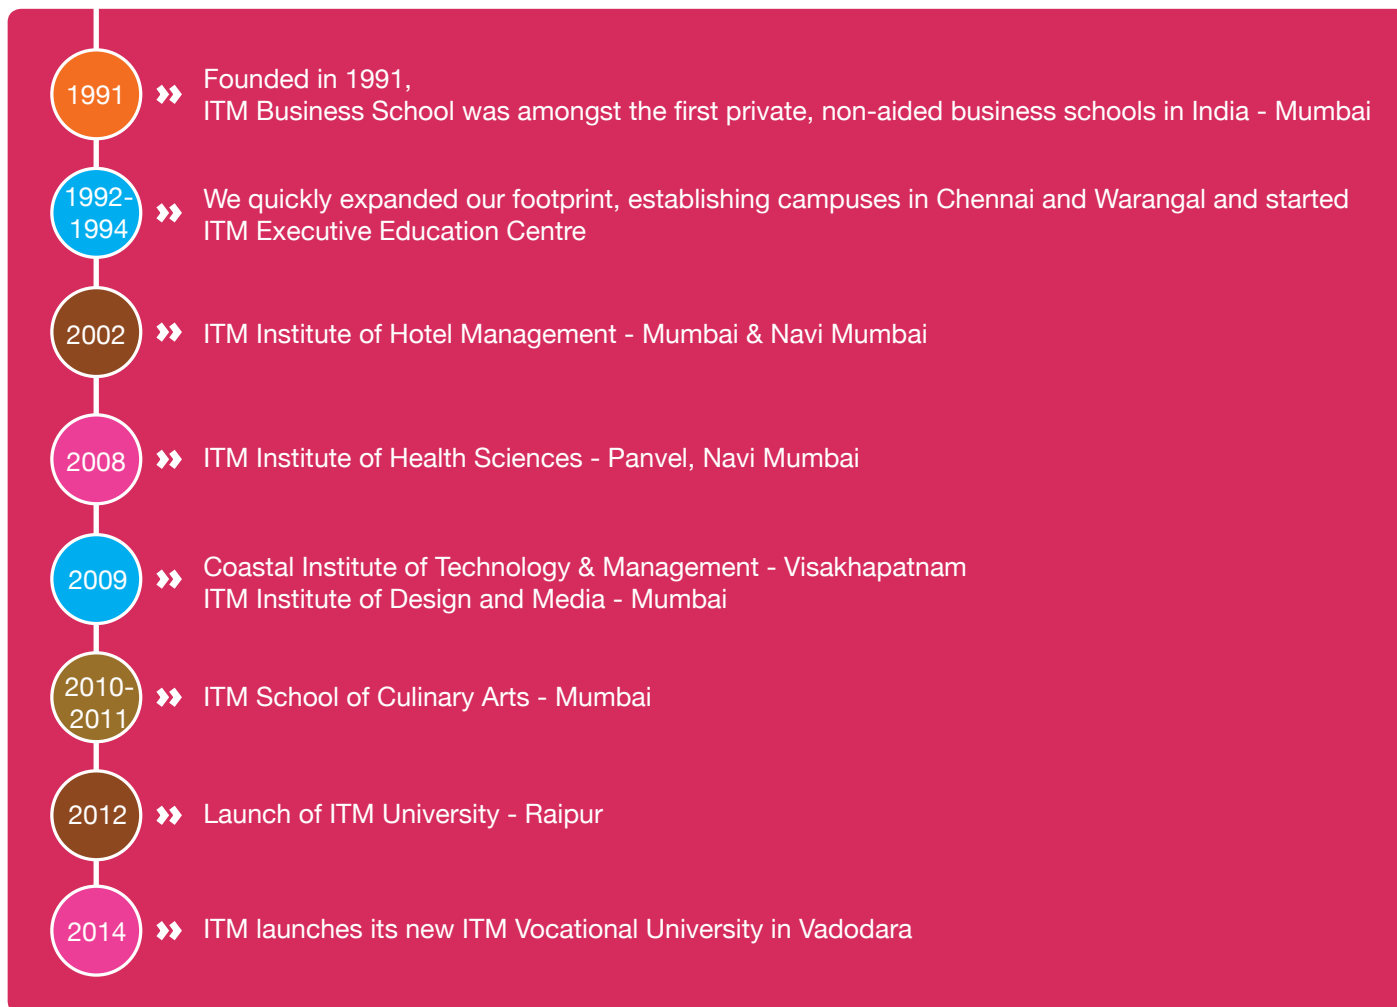

MISSION

To Integrate Vocational and Higher Education in same space by providing seamless graded learning path leading to Industry ready competence.

GOAL

Creating shared value among stakeholders in Higher and Vocational Education space.

Students Testimonials

It is an honour and pride for being a student of ITMVUG. I would like to thank everyone for shaping me into a being with a brilliant mind of excellence & making me grow towards the success and bright future for my life as an Emerging youth for the Industry as an engineer. The journey has been really great all through the way. I would appreciate the whole team of ITMVUG for being supportive and providing us the endless opportunities for getting placed in the best company.

Yogesh Sondulkar
B. Tech- Seventh Semester
Computer Science & Engineering
ITM Vocational University, Vadodara

I am a part of the ITMVU family since 5 years, and my journey of these years taught me a lot of things. I am heartily thankful to the placement department who placed me in a reputed company "D Mart" before my semester end. I am also thankful to the each & every faculty member of ITMVU who always supported and motivated the Students. I like the way that ITMVU is growing & going. ITMVU is the university who gives a right direction to the student. It's not a University but it's a family & I am a member of that family and I'll be always.

Tina Bal
Program: MBA i connect (2018-2020)
ITM Vocational University

The years at the university were full of opportunities and achievements. In fact, each and every faculty member played a very important role in building my career. They were there with me as my backbone to support me and motivate me. Recently I just got placement in Next Education and I got an opportunity to work with them as CEG Manager. This wasn't possible without the backhand support and the motivation which I got from placement department and the faculty members. I am thankful to each and everyone who have made my career in a particular direction.

The university not only teaches subjects but it also teaches how to live a life. Hence I can say whatever position I am having right now it's because of my university and I feel proud to say that I have studied in ITM Vocational University.

Mustafa Bharmal
Program : - B.Tech Mechanical Engineering (2016-2020)
ITM Vocational University

I've completed my graduation and post-graduation from ITMVU. The importance given to practical knowledge has paid dividends and helped me and my fellow mates excel! The faculties, mentors and placement department helped and guided us at every stage throughout our college life and I'm thankful to each and every one who has helped me in this wonderful journey!

Nachiket Acharya

Program: MBA i-connect (2018-20)
ITM Vocational University

I started as a young budding engineer at ITMVU, and in the course of this 4 year journey this place not only transformed me into a sharp edged polished professional but also empowered me to become a proficient and an adept human being. The entire team of ITMVUG has been supportive and encouraging since day 1 which guided me to my paradigm shift and launched me into my wonderful and exemplar career. I can never be more overwhelmed and gratified.

Pratik Das

B. Tech- Seventh Semester
Mechatronics
ITM Vocational University, Vadodara

My journey in the university was for only 2 years but these years play the most important part in my life. Knowledge and continuous support from ITMVU has helped me to improve my skills and motivate me to work hard for my bright future. The placement department of university directed me in such a way that I got the opportunity to work at Mahindra Holidays and resorts.

ITMVU always work for students' bright future and I feel blessed that I pursued masters from this university.

Ketul Bhavsar

Program: MBA i connect (2018-2020)
ITM Vocational University

Moving from a student phase to an employee phase is a wonderful opportunity. I am thankful to ITMVU for providing me an opportunity and helping me in getting placed at Mahindra Holiday Resort India Limited, I would like to thank our Faculties and our Placement trainers & TPO Department for seeding confidence and motivation. Everyone has a dream, everyone has a story, everyone has a reason but people will listen to you only when you succeed. There's a long journey ahead, so don't settle.
