INTRODUCTION

Since its inception in 1993, Maharishi Markandeshwar Trust (MMT) has banked upon innovation and passion to make the process of education valuable as well as relevant in sync with global competition. In fact, the Trust has gone out of its way to rope in the best practices in the area of education which is so very evident in the ever-increasing influence and popularity of MM(DU), the leading and vibrant university under MM Trust. MM(DU) is known for its high employability quotient courses, world-class faculty, state-of-the-art infrastructure, and larger-than-life success stories of its alumni.

MM(DU) has been the vanguard of every industry-institute engagement. Besides the regular classroom lectures, students also get a chance to take part in workshops and webinars apprising them of real-life business leadership challenges.

What we offer is more than a degree; it is the complete learning experience along with some really robust mentoring network of best executives from across the country. Being a part of the lively, pioneering, and socially engaged global community of MM(DU), the students get to see diversity in all forms. They will rise up to a culture of collaboration and develop the nerves to deal with the status quo. They will have the best of opportunities for academic, career, and personal advancement across different fragments of the Full-Time Program; this encompasses certain programs and initiatives which are meant exclusively for students of MM(DU).

VISION

**REVOLUTIONIZED
THE EDUCATION**

Meet the visionary behind MMUs - Shri Tarsem Kumar Garg who wished to see students hailing from North India empowered with global education so as to have a head start in life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

To realise the Vision of "Education for all", he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of 2 decades, the MM Group of Institutions has grown into one of the most reputed educational group in the country which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.

WHAT MAKES MM(DU) A TRAILBLAZER?

Focus on Research & Development

At **Maharishi Markandeshwar** Institutions, the focus is on establishment of centers for research and development. Under expert aegis of mentors students are propelled to embark on research work at different centers.

In-depth Project Work

For an effortless culmination of theoretical know-how to practical knowledge, the students are driven to undertake various projects with different organizations under expert guidance of their mentors.

Highly Knowledgeable Intellectual Pool

MM(DU) takes pride in its highly resplendent team of intellectual capital. Extreme care is exercised in hiring the best faculty. The faculty not only holds the industry experience but also makes sure that the students benefit immensely from the knowledge they hold.

Student Driven Societies & Clubs

There are many societies & clubs such as – Dance Society, Quiz & Debate Society, Sports Society etc. to leverage student potential in planning, controlling and organizing the activities.

Teaching Methodology

The best faculty at the university aims to offer best teaching with latest technology assisted tools. Apart from the traditional classroom teaching, several other techniques are used for teaching such as live simulation exercises, web based learning and project works. All these techniques are used so that delivery of knowledge becomes more effective as well as fun.

World Class Infrastructure

Modern buildings, state-of-the-art classrooms, fully equipped sports complex, auditorium, hospital, centres of excellence, exhaustive library, campus business park, latest technology labs, trained faculty, lush green lawns spread across 40 acres of land-all of this promise students an amazingly vibrant university life experience.

Multi-Cultural Environment

At MM(DU), one can experience a potpourri of different cultures and ways of life as students from every state of India and even abroad are here to develop their competencies. Such intercultural experiences help the students to gain maximum from their learning. Cosmopolitan environment also helps the students to realize their dreams of a successful career.

Rich Repertoire of Knowledge

In the fast changing work environment, latest and most up-to-date course content has become the need of the hour. In order to accomplish this requirement, special review teams are set up with view to enhance the course content and add on newer as well as wider dimensions to the already existing content.

Strategic Location

MM(DU) is located strategically in the most happening place in the state of Haryana with about an hour drive from Chandigarh.

Rich Legacy of Education

MM Group brings with its name a legacy and rich experience in the arena of education spanning more than 25 years

Personality Development

Special programmes are conducted by MM(DU) to help students gain confidence and improve their social skills. Several training sessions on soft skills, etiquettes, presentation skills, personal grooming etc. are held wherein all students participate.

Quality Certification

The Group has been ISO 9001:2015 certified for its quality standards.

Language and Communication Lab

A Separate language lab makes English language learning fun and very effective.

Dedicated Central Placement Cell

Central Placement Cell helps students in career skills assessment, resume writing, interview technique and other soft skills development.

Holistic Development

Education at MM(DU) goes beyond books and focuses on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

Case Study Learning

Case based learning enhances analytical and problem solving skills of students enabling them to apply in different management settings essential to the leadership of business/industry around the world.

Corporate Dress Code

INDIA'S LARGEST CLINICAL ADVANCED SKILL & SIMULATION

CENTRE

Spread in an area of 15000 Sq. Ft., this state-of-the-art Clinical Advanced Skill and Simulation Centre has been set up to train Undergraduate and Post graduate Medical, Nursing and Paramedical students and faculty. Maharishi Markandeshwar (Deemed to be University) has spent nearly Rs. 20 Cr to develop this Lab as one of the largest & most comprehensive Medical Skill & Simulation facilities.

The idea is to provide real-time experience to student and train them in the skills for handling complex case scenario before actually carrying out the same on the patients. For this, the Skill and Simulation facility has Adult Patient Simulator, Pediatrics and Neonatal Simulator, Infant and Child mannequins in virtual Intensive Care Units (ICU), Paediatric-ICU and operation theatre modules.

The Centre also has facilities for advanced training in Laparoscopy, Arthroscopy, Endoscopy, Colonoscopy, Bronchoscopy, Urological procedures, Angiography and Gynaecological Procedures and Ultrasound imaging with the help of most advanced Simulation Trainers.

MM(DU) believes that any degree that doesn't make the students ready for the real-world and industry challenges is just half the joy. That's why we have spearheaded a unique initiative, in fact, first-of-its-kind in the country where we offer opportunities to our students to be a part of professional network right at the campus. We have Set up different **Centres of Excellence** where professionals and mentors train students and involve them in industry projects. This is how students get to know more about work profile in the industry and move in sync with the world.

At MM(DU), we have also established MM Business Incubation Centre (BIC) which gives the students a chance to be an idea catalytic and try out their entrepreneurial skills. This incubation centre encourages the students to go ahead with their ideas through start-ups. Full support is provided to them by industry mentors, academic mentors and peer groups in the students. There are continuous ongoing efforts to strike more and more tie-ups with leading MNCs to support the start-ups in this incubation centre.
