UNLOCKING POTENTIAL

About RNTU

Rabindranath Tagore University established in 2010 in Raisen district in Bhopal is India's first Skill University. RNTU is the second highest education venture of India's leading higher education group - AISECT Group of Universities.

Named after Nobel laureate Sh. Rabindranath Tagore, the University believes in providing all-around cognitive development to its students by focusing equally on soft skills, building personalities, entrepreneurship incubation, liberal & performing arts as well as sports and cultural activities.

The Group's basic foundation across all its higher education projects is to prepare its students into becoming responsible, skillful and fair professionals. AISECT has more than 35 years of unmatched experience in skill development and job placements.

The Group offers its students, wide opportunities through its multiple industry associations and expertise in entrepreneur development.

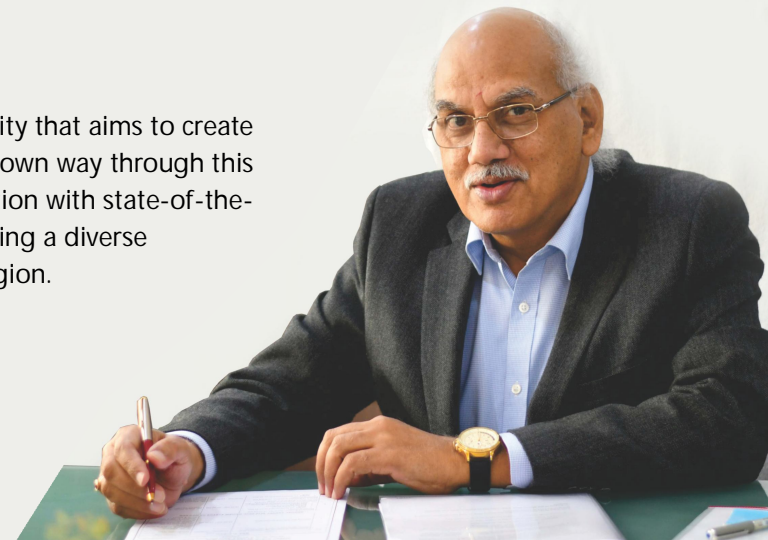

Chancellor's Message

The Rabindranath Tagore University is India's first skill university that aims to create a cadre of professionals who are skilled enough to pave their own way through this competitive world. The university provides world-class education with state-of-the-art facilities and infrastructure. Our faculties indulge in providing a diverse curriculum of education to create the future leaders of our region.

Best wishes

Mr. Santosh K. Choubey

Chancellor, Rabindranath Tagore University and AISECT Group of Universities

Cultural Co-Curricular Activities and Sports

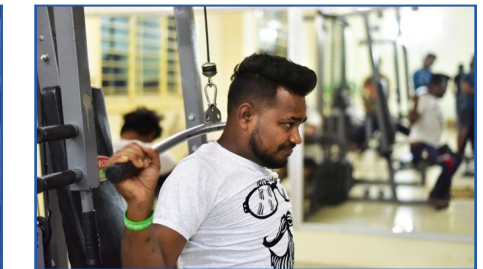

The university incorporates cultural and co-curricular activities such as music, dance events, theatres, debates, free-hand sketching, seminars and group discussions which encourage students to balance their studies with other activities and perform better.

With various types of sports like Cricket, Hockey, Football, Kabaddi, Volleyball, Table Tennis, Basketball, and Kho-Kho amongst others, the university helps students to develop leadership skills and co-ordination skills.

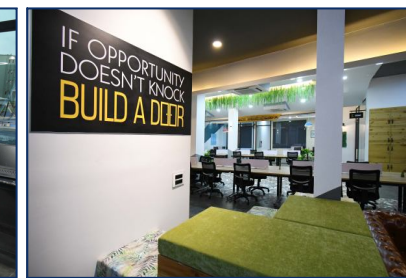

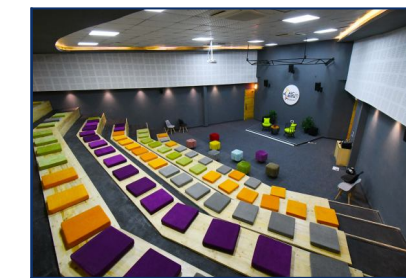

Infrastructure

The university with its best-in-class infrastructure including a modern gym, a full-fledged library, a canteen, separate hostel accommodation for both girls and boys with all the basic facilities and a pick and drop service makes the living of students top-class and helps them to excel in their education.

AIC-RNTU Incubation Centre

It is a Startup Incubation Centre supported by Atal Innovation Mission, NITI Aayog, and Govt. of India. Objective of AIC-RNTU is to create a startup ecosystem and familiarize the visionary brains with the business aspects of an idea and provide them a platform with necessary resources, culture, opportunities, and amenities – to grow their startup units into high growth business enterprises. AIC-RNTU by playing the role of both startup incubator and accelerator, aims at training and mentoring young entrepreneurs to fuel their inner drive to innovate. At AIC-RNTU, we take charge of providing essential services such as fund support, management, mentorship, co-working space, and state-of-the-art technical assistance to the budding business units.
