

NIRMITEE 2021

DIGITAL

Stepping into the World of Civil Fanatics...

Nirmitee 2019

MIT-WPU, Pune.

FOREWORD BY HEAD OF SCHOOL

Dr. Vishwanath Karad MIT World Peace University focuses on providing quality education for the global sustainability, peace, happiness, and development of vibrant youth. A grandeur National level event 'Nirmitee' is organized by the School of Civil Engineering every year with zeal and enthusiasm. This year Nirmitee is going to be conducted online on the 29th and 30th of April 2021. This event offers a platform to Civil Engineering enthusiasts and helps to gauge their logical and technical skills.

Advances and innovations have always played a substantial role in the era of civil engineering, building construction design, and structures. We have adorned new facets and personalized the digital world, in this industry. In recent years extensive effort has been devoted to the stimuli-responsive smart materials and nanostructures in the building. These smart construction materials enhance the overall performance of new buildings and ensure longer durability of building elements, making the environment more sustainable and habitable. Cultural heritage surrounding historical architecture also encompasses a multi-disciplinary relationship. Hence taking into consideration this digital euphoria, smart construction materials and the awareness of our heritage, we are proud to introduce this year's theme 'E-Credible India'

Nirmitee 2021 is an honest and committed effort for inspiring, motivating, and mobilizing the youth talent in the venture. We aim at providing participants with a plethora of knowledge and ample opportunities. Our best wishes to all the participants who have aspirations and who will make Nirmitee 2021 a memorable event.

“Congratulations organizing team for your untiring efforts!”

OUR VISION

School of civil engineering is elated to present the biggest Civil Engineering symposium of the year “Nirmitee”.

Nirmitee is an annual National Level Civil Engineering symposium established in the year 2000 and is currently in its 21st year. This grandeur event is held on a massive platform where over 4000 students participate and where enthusiasts are fostered by skill-full members of the civil sector and teaching faculty of 150 different colleges from all over India. The various events conducted bestows the participants with a plethora of knowledge and prepares them for future endeavors.

Change is the necessity of time. The much-awaited and anticipated revolution in construction is gaining momentum. We now have advanced in terms of technology and now the world has stepped into digital euphoria while still retaining our cultural lineage. Taking all these factors under consideration we are proud to announce this year's theme “**E-credible India**”.

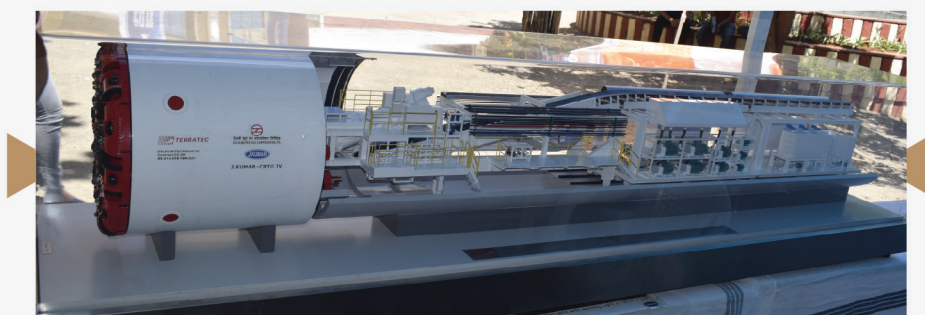

The event aims at providing an exceptional platform for aspiring civil engineers to learn and explore the depths of the stream. It encourages participants to innovate, create and learn. The prime objective is to proliferate knowledge & address industrial issues by bringing all the aficionados in the domain of Civil Engineering to a common platform. Following the zest to learn and excel, Nirmitee gives participants a wide range of opportunities and a stage to showcase their talent.

ABOUT NIRMITEE

Nirmitee is an event that brings together Civil fanatics to a common platform for showcasing their talent and enhancing their skills to the highest level since its inception in 2000. The diverse range of competition such as **Softcon, CV-Cruits, Technoquiz, Pitch Hunt, Paper Presentation, Town Planning, E-Tendering** helps to assess participants competence level and gauge their logical skills.

The various events conducted aim at providing a strong sharing platform and offer a unique opportunity to the entrepreneurs, alumni, corporate people, and college students alike to get involved in the development of smart cities, exchange ideas, and foster the new integrated approaches in India.

Nirmitee is not just a technical event but it's a reflection of our dedication, hard work, passion and whole-hearted efforts in the world of student research and innovation.

ODYSSEY SO FAR...

*The best way to predict the future
is to create it.*

- Abraham Lincoln

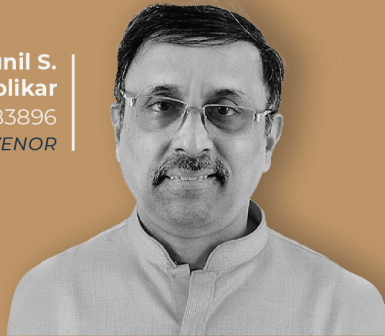

Nirmitee for the past two decades has given a platform to many civil enthusiasts to showcase their talent. It has provided an opportunity for budding civil engineers to interact with **profound and rooted** members of civil engineering.

For years we have been conducting events both technical and non-technical that promote the **exchange of ideas, innovation and social interaction**. Every year school of civil engineering accomplishes great excellence and reputation. Nirmitee is an honest, committed effort for inspiring, motivating, and mobilizing the young aspiring civil engineers.

The event throughout the years has reached a extensive population, of around 4000 diploma, undergraduate, postgraduate, and research scholar from distinct institutions from about 150 colleges. We are sure that this year Nirmitee would reach new heights of competition, enthusiasm and passion.

ABOUT EVENTS

TECHNOQUIZ

Technoquiz is an event that consists of logical and aptitude questions in the domain of civil engineering and allows participants to learn, explore and showcase their skills and competence in civil engineering.

TOWN PLANNING

Participants will design a futuristic technologically advanced, sustainable, and habitable model of a township or part of it, infusing their creativity and innovation. TOWN PLANNING event provides you the platform where you can express your planning and designing of our future cities or towns using the modern tools, software to make the best in terms of living standards.

E-TENDERING

E-Tendering is a process of carrying out an entire Tendering Cycle Online including submission of Price Bid such that Efficiency, Economy, Speed of Internet can be harnessed. E tendering helps to outweigh the old paper method. This event provides all the civil enthusiasts a platform to present their contracting skills.

SOFTCON

This event tests the participant's ability to compete on various software including AutoCAD, Revit, MS project.

Nowadays almost all design consultancies and construction firms use the software in their daily practices. Hence, we at Nirmitee encourage the students by introducing this event -"SOFTCON".

PAPER PRESENTATION

Paper Presentation event presents a national-level platform to participants for presenting their research in various domains of civil engineering. Its motive is to encourage students to dive deep into topics related to the civil domain. It is an event wherein the participants are expected to present their ideas with the help of some experimental & analytical research work.

CV-CRUIITS

NEW

CV-Cruits keeps a check on an individual's skills, knowledge and personality. The objective of the event is to give participants experience/overlook of the Recruitments, which will benefit them to learn, adapt and reshape their personality and skills.

PITCH HUNT

NEW

PITCH HUNT is a platform where participants can put their entrepreneurial skills to test. The basic motive is to create a product that can benefit society and create value. This event aims to prepare participants for future endeavours

ROTARY YOUTH LEADERSHIP AWARDS

RYLA is an event that brings forth hidden attributes of an individual and helps them develop their overall personality while having fun and making connections. The event brings forth the inert qualities of individuals through various means and motivates them to develop some important personal skills which would prove to be very significant in their future.

EVENT RULES

TECHNOQUIZ

event head

SAURABH KHINVASARA

84595 56532

- Number of participant : **1**
- Participants should have a proper internet connection.
- Report 10 minutes before the event.
- All questions should be answered within the stipulated time.
- The webcam and mic has to be compulsorily kept on at all times.

E-TENDERING

event head

DEVASHISH MEHTA

88069 65050

- Number of participant : **1**
- All tender documents should be in the name of a single assumed company.
- Participants have to use Pune market rates of March 2021.
- No late entries will be entertained.
- Unbalanced Bid will be rightly removed.
- All documents must be submitted in the same Folder.
- Candidates to ensure clarity of the entire submission (Images/PDF).
- Locked pdf's or encrypted files will not be accepted.
- Webcam and mic should be on for Q&A session.

TOWN PLANNING

event head

SOHAM JOSHI

91300 42799

- Number of Participants in one team: **Minimum 1 | Maximum 4**
- Apart from Autocad no other software would be entertained.
- Candidates should ensure the clarity of entire submission.

- *Presentation is restricted to 8 to 10 minutes only.*
- *Late submission will not be accepted in any case.*
- *No extra time would be given.*
- *Every team member's audio & video should be On throughtout the QnA session.*
- *Students need to submit their respective AUTOCAD Drawing file & PPT one day before the event i.e., on 28th April 2021 by 3:00 PM on townplanning.nirmitee21@gmail.com*

SOFTCON

event head

SAKSHI RAUT

98224 15701

- *Number of participant : 1*
- *Work should be authentic & credible.*
- *Avoid locked PDF's or encrypted files.*
- *Plagiarism and malpractices will be disqualified.*
- *Conducted via zoom meeting.*
- *The webcam and mic has to be compulsorily kept on at all times.*
- *Late submissions will not be accepted.*

PAPER PRESENTATION

event head

SAMRUDDHI MANGRULKAR

98339 72259

- *7 minutes and a maximum of 10 for presentation.*
- *Abstract should not be more than 300 words.*
- **Deadlines:***Paper submission - 16th April 2021*
- **Deadlines:***Video presentation - 20th April 2021.*
- **Deadlines:***Q&A session - 29th April 2021.*
- *Every team member's video should be on while recording the presentation.*
- *The judges' decision will be final and binding to all.*

PITCH HUNT

event head

AADITYA SHASTRAKAR

93509 45951

- *All the participants should submit their video snippet(6mins) and detailed pdf of the product or project by 21st April 2021. No late entries will be entertained.*
- *Locked pdfs and encrypted files will not be accepted.*

- *Candidates need to ensure a proper internet connection during the entire process.*
- *Candidates need to ensure the authenticity of their submission.*
- *If any form of plagiarism is observed the entry will be discarded.*
- *Candidates need to ensure clarity of the entire submission (Video/PDF).*

CV-CRUIITS

event head
YASH MOGRE
 77588 55405

- *Maximum Number of Participants: 1*
- *Participant has to give his/her resume/CV before the event starts.*
- *Debating/Counteracting will not be entertained.*
- *Participants will be notified about changes if any such take place.*
- *Bckground noises and frequent movements in front of the camera will lead to elimination.*
- *Use of books and the Internet is prohibited for reference.*
- *Webcam and mic should be on throughout the event.*
- *Report 10mins before the event for smooth conduct.*
- *No extra time would be given than granted to the participants.*

R.Y.L.A.

event head
ROHIT PATIL
 82395 72259

- *Number of Participants in one team: **Minimum 1 / Maximum 4.***
- *No late entries will be entertained.*
- *Plagiarism and malpractices will be disqualified.*
- *Locked PDF's or encrypted files will not be accepted.*
- *The video snippet should be of 3 minutes maximum.*
- *Candidates to ensure clarity of the entire submission.(Video/PDF)*
- *Last date to submit the enteiries is 21 st April 2021.*

EVENT ENTRY FEES

Sr. No.	Event.	No. of Participants in a Team		Registration fee per team. (₹)
		Min.	Max.	
1.	Technoquiz	1	1	100/-
2.	E-Tendering	1	1	100/-
3.	Town Planning	1	4	100/- ~200/-

SPONSOR BENEFITS

Sponsors of our events are entitled to the following benefits and resources :

THEME AND PROBLEM STATEMENT RIGHTS

The title sponsor and event sponsor of the event shall have the rights to decide the theme of the entire event and individual competitions respectively.

All events, competitions, campaigning and decoration is carried out in accordance to this theme. This is a perfect chance to promote your field of expertise.

MARKETING

Sponsors shall be marketed through the following mediums:

- Logos with links to the company website shall be placed on the event website.
- Presence and marketing on social networks like our Facebook page, Instagram handles.
- Placement of logos on flex, hordings, newsletter, posters, magazines, trophies, certificate, t-shirts, badges, etc.
- We conduct campaigning in over 150 institutions across Maharashtra.
- Prominent sponsor recognition on all event-related marketing and promotional collateral, invitations, emails, and posters.
- Sponsor listing on all at-event signage and in the event program.

PROFESSIONAL AND STUDENT INTERACTION

NIRMITEE witnesses the attendance of talented students and experienced professionals and teachers from the field of Civil Engineering. Our sponsors are also enthusiastically present and involved in encouraging our students. This is a perfect opportunity to network among both students and professionals.

SCOPE FOR FUTURE COLLABORATIONS WITH MIT-WPU

Through NIRMITEE, professionals from the industry and MIT-WPU, Pune may enter into mutually beneficial collaborations to conduct various other events, exercises and training throughout the year.
