**A University with  
a great ambience  
and  
flow of ideas**

## **Welcome to Sri Satya Sai** **University of Technology & Medical Sciences**

### **ABOUT US**

Sri Satya Sai University of Technology & Medical Sciences is a pioneer institute providing inspirational and innovative methods in higher education. Its academic and industry linkages model goes beyond the classroom education and provides a holistic learning experience.

SSSUTMS was established out of a desire to promote education and shape excellence .We are a global research University with more than 6000 students, 13000 alumni and faculty and staff of 1320.

SSSUTMS has been the birthplace of innovation & research with its constituent colleges since 1999. Today, we are a global leader shaping innovative ideas into creating successful startup businesses.

Our well sounded faculty members are renowned for working closely with students to meet major scientific, technological, societal and medical challenges. We put a strong emphasis on creating things from art to robots. Our students are recruited by some of the most established and rapidly growing companies.

SSSUTMS realizes the needs of the corporate world and comes up with thousand innovative ways to improve the quality of students to transform them into world class professionals.

**The Foundation  
(Ayushmati Education and Social Society)**

# Life & Infrastructure

Experience  
the ambience of  
Campus

## A Home Close to Home Hostel

The University has a Boys' and a girls' hostel within the campus with a capacity of more than 500 students. The Hostels are self contained with amenities such as reading room, indoor game - room, Dining hall and entertainment room. Air-conditioned rooms are available for Students from North-East students and other regions of India.

## Soul to mind Health centre

We have a full fledged multi utility-Gymnasium to encourage students to lead a healthy & active lifestyle. Physical training provides simplest forms of stress relief and helps students concentrate better on their academic curricula.

## Banking

The University has a Punjab National Bank branch with ATM . The bank helps students in procuring education loans and promotes student - friendly schemes.

## Transportation

SSSUTMS has a fleet of luxurious buses for students and staff. The buses cover a radius of 50 km from the campus and are well connected to Bhopal

# Quality Life

## Time to Hands-on Laboratories

About 340 hi-tech labs of different courses are within the campus. All laboratories are as per specifications, well ventilated & have all safety measures installed. An open campus laboratory concept to enhance the actual industry experience.

## Time to study Library

All Departments have their individual library equipped with a wide range of reference books, textbooks, journals etc. All Libraries are digital with large number of e-journal subscriptions for the benefit of students. A central Library containing more than 60,000 of different streams also exists.

## Medical facilities

Medical facilities are provided in the campus. A three hundred bedded Sri Satya Sai Hospital & Research Centre is available within campus. Ambulance is available 24 hours.

## Cultural activities & Sports

Nurturing the future at SSSUTMS

## TRAINING & PLACEMENT

Institute's Training and Placement Cell (T.P.C.) conducts training and placement programmes including semester project work and final placements. For this purpose the T.P.C. keeps effective contacts and linkages with the firms employers and students.
