INSPIRATION OF THE COLLEGE

St. Joseph's College, (Autonomous), is a Jesuit institution. It draws its inspiration from the life and teachings of Jesus Christ. The Jesuits are members of the Catholic Church and their religious order is known as the Society of Jesus. St. Ignatius of Loyola, a soldier turned mystic, founded the Jesuit Order in 1540, with a group of nine university men. The motto of the Order is to work for the greater glory of God.

Today, with a membership of about 16,500, the Jesuits labour all over the world in different spheres of life. Higher education has been their top priority in about 4000 schools and colleges administered by them, spread over six continents. They educate over 20 lakh students. Preparing students for change has been the prime objective of their educational endeavour.

VISION

Our vision is to create a secular, just and democratic society, especially in the service of the poor, the oppressed and the marginalized.

MISSION

St. Joseph's College seeks to form men and women, who will be agents of change, committed to the creation of a society that is just, secular and democratic. The education we offer, is therefore oriented towards enabling our students to strive for both academic and human excellence. The college pursues academic excellence by providing a learning environment that constantly challenges the students and supports the ethical pursuit of intellectual curiosity and ceaseless enquiry.

AIMS AND OBJECTIVES

The College believes in the Jesuit and constitutional ideal of contributing towards a society of equality, fraternity and liberty, through an admission policy of 'preferential option for the poor'. It tries to provide quality education to many students from socio-economically marginalized sections of society, without compromising academic standards. It aims at developing a critical and rational mind, a concerned heart and sensitive conscience, a secular spirit with social concern, a commitment to cultural diversity and human values.

For the members of the Society of Jesus, education is a mission to build up a group of young men and women, who would be agents of change in society, and work towards a world of peace, equality and justice. Therefore all students are expected to earn a certain number of credits by being involved in community service.

ACADEMIC PROGRAMME

The college is autonomous and is affiliated to Bangalore University. The college determines its own courses of study and syllabi, prescribes rules of admission, evolves methods of evaluation and conducts examinations. Bangalore University will award the degrees with the name of the college mentioned in them.

Choice Based Credit System (CBCS) is implemented in the college. It gives UG and PG students an opportunity to learn different subjects within and across disciplines.

Statutory Committees in the Campus:

Anti Ragging Committee, Anti Sexual Harassment Committee, Gender Sensitisation Cell, Student Grievance Cell and Examination Grievance Redressal Cell.

Examination and Student Evaluation

For each course, there will be both Continuous Assessment (CA) and semester examination (SE), with weightage in the ratio of 30:70. A student must secure a minimum of 35% of marks in SE and a minimum of 40% of marks in the aggregate of the two, to pass the course. Apart from this condition, a PG student must score minimum of 50% of marks in the aggregate of all papers, to pass the semester.

Continuous Assessment

The CA consists of written tests and activities like seminars, assignments, projects, quizzes, and discussions. The 30% of CA will be divided as follows:
UG students- written test (15% - there will be one test of 11/2 hours duration per semester), activity (10% - students will have to take one of the activity as prescribed by the department) and attendance (5%).
PG students- written test (20%, there will be one test of 11/2 hours duration per semester) and activity (10%).

Semester Examinations

There are two semesters in an academic year. No student is eligible to write the semester examinations without obtaining a minimum of 75% attendance in each paper. If a student has shortage of attendance in more than one paper, he or she will have to repeat the semester in the following academic year. However, if a student has shortage of attendance in one subject, he/she may be allowed to write all other papers except the one in which there is shortage. The student will be allowed to write the examination in that paper, only after earning a minimum 75% attendance in that particular paper by enrolling in the respective paper after completing 6 semesters. PG students with shortage of attendance in one subject will have to apply for attending the course and examination after completing 4 semesters.

NCC, NSS, Sports, Games, Cultural and Social Outreach

The College is reputed for NCC, NSS, sports, games, cultural activities and social outreach. There are student committees with staff coordinators to run these activities. Every year, Josephites win several trophies and championships in inter-collegiate competitions in sports, games and cultural activities. Inter-class competitions in sports, games and cultural activities are also held. The Centre for Social Concern links the College with the local community. Students have to earn a certain number of credits by their involvement in activities beyond the classroom.

Medium of Instruction

Teaching is conducted in English, and students are required to have a working knowledge of English, both spoken and written.

Campus Amenities

There are excellent PG and UG libraries, audio-video studios and rooms, seminar halls, an astronomical observatory, an instrumentation centre, auditorium, counselling cells, career guidance and placement cell, ATM kiosk, stationery store, cafeteria and playground.
The college has academic, cultural and sports councils for students.
The college publishes a daily newsletter as well as a monthly newsletter.
