Dr Sagar Mal Juniwal's

APEX UNIVERSITY

Recognized by UGC U/S 2(f) of the UGC Act, 1956

Resplendent Jaipur

“ Resplendent in the hues of its noble and magnificent past, the historic past, the historic city of Jaipur stands out as one of the most spectacular and culturally vibrant destinations in the world. ”

Dr. S. M. Juniwal
(1942 - 2018)

Founder Chairman

Educationist, Philanthropist & Visionary

कर्मण्येवाधिकारस्ते मा फलेषु कदाचन।
मा कर्मफलहेतुर्भूर्मा ते सङ्गोऽस्त्वकर्मणि॥

“ तेरा कर्म करने में ही अधिकार है, उसके फलों में कभी नहीं।
इसलिए तू कर्म फल में हेतु रखनेवाला मत हो तथा तेरी अकर्म में
(कर्म न करने में) भी आसक्ति न हो। ”

Sometimes, the most unlikely events of life can be the most pleasant surprises like the perfectly settled & satisfied affluent jeweller setting up an educational institution. It was inevitable to be prodigious since profit was never a priority for Dr. S.M. Juniwal but passion was. Our founder Chairman Dr. S.M. Juniwal, an educationist, philanthropist & a great visionary had always a dream to build a conglomerate of educational institutions for quality, innovation and to nurture students with knowledge and competence that can help them script their success stories. The impetus is to indoctrinate an individual to strive not just for survival but to excel in life. The unending journey of Dr. S.M. Juniwal began with the establishment of Apex International School, Jaipur which was his first venture into the school education that over a time span of more than five decades culminated in a vast empire of academic, technical and professional institutions with the state-of-the art infrastructures imparting world class quality education in the State of Rajasthan.

The long cherished dream of Dr. Juniwal comes true with the establishment of multi-disciplinary Apex University which offers career oriented Courses/Programs of Diploma, UG, PG and Doctoral levels in the diverse streams duly approved by/ affiliated to the respective Academic Councils/Statutory Bodies.

"Having spent his entire life as a visionary and mentoring the Apex Group of Institutions, Dr. S.M. Juniwal viewed his home and workplace as extensions of each other and believed the students, staff and faculty at the institutions as members of his extended family"

Our Founder Chairman has made great contributions in nurturing the future of lakhs of students which will ever be remembered in the days to come.

Living the Dream Chancellor

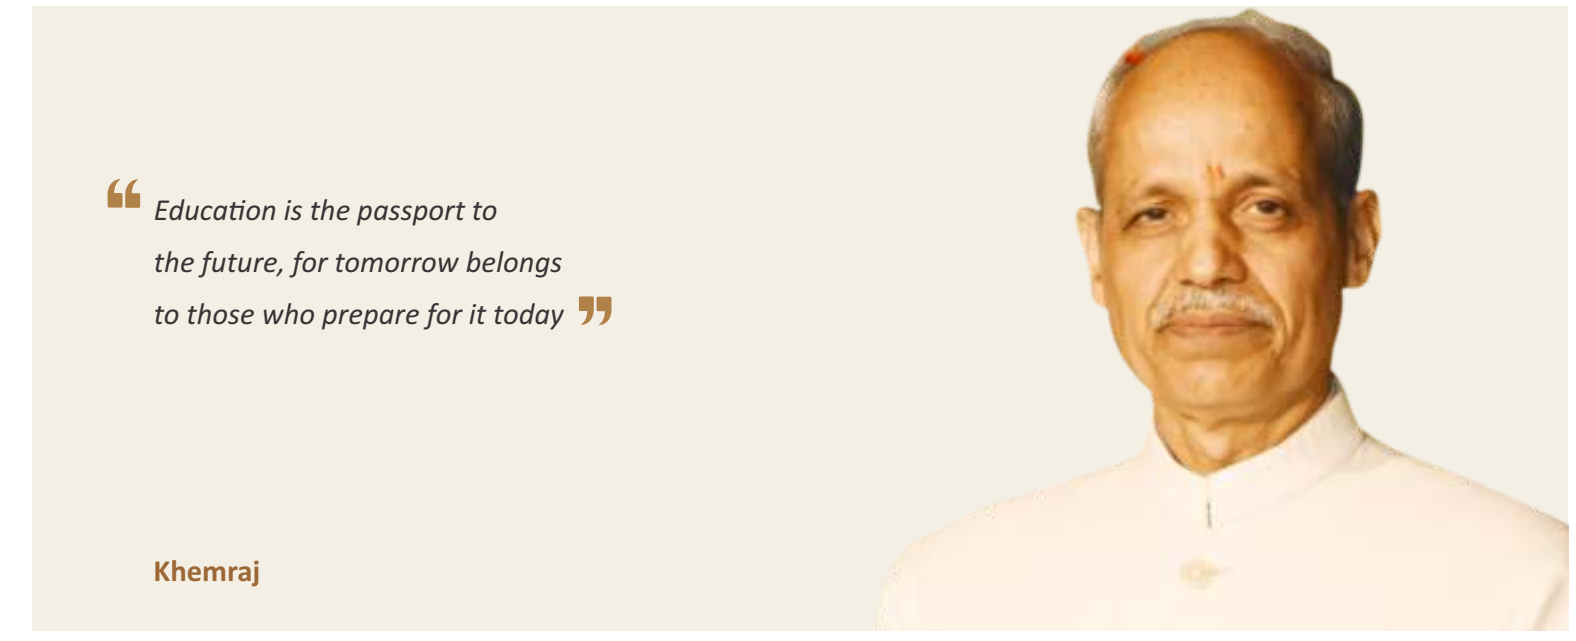

To actualize & live with the dream, the present Chairman of the apex group, Dr. Ravi Juniwal is at the helm of Apex University and the Group Institutions of Apex, spear heading to carry forward the unfulfilled dreams of its founder Chairman under his well experienced, capable & astute leadership. Dr. Ravi Juniwal has been instrumental in planning, organizing & leading the group institutes to new heights of success & excellence with a well-structured team of dedicated staff.

Dr. Ravi Juniwal like his father, believes that a healthy and educated society is necessary to develop an enlightened civilization. In line with his philosophy, Apex Group of Institutions have always taken responsibility of the Society at large to ensure world class education and a general sense of well-being.

Looking into his past credentials of vast technical & professional experience, the Govt. of Rajasthan has appointed Dr. Ravi Juniwal to the coveted post of Chairman of the Board of Governors (BoG) of the Engineering College Ajmer Society having three Engineering Colleges namely, Govt. Engineering College, Ajmer; Govt. Women Engineering College, Ajmer and Govt. Engineering College, Banswara. Dr. Juniwal also has the honour of being nominated in the Board of Management of the Rajasthan Technical University, Kota by the Hon'ble Governor & Chancellor of RTU, Kota. In view of his vast academic experience, untiring efforts & continued patronage in the field of Higher & Technical Education, the Ministry of HRD, Govt. of India has nominated Dr. Ravi Juniwal as the Member of the Board of Governor MNIT, Jaipur. He has also been nominated/ appointed as a member of the Admission/Coordination Committees of RMAT, RMCAAT & REAP.

Keep Going Advisor

With the advent of new academic year 2019-20, we at Apex University offers plethora of opportunities for the ever aspiring and talented youth from across the country & abroad with an urge to acquire professional & skilled education in the conventional and newly emerging areas with a primary focus on inculcating communication skills, reasoning & general awareness as the essential primary launching tools. Today, I feel we provide enough competitive academic inputs, open mindedness and learner-focused set up. It is, therefore, very essential that you choose a program, which meets your aptitude, capability and capacity. I invite you to become a part of our vibrant culture from where you become not only good at academic, successful employable graduates and successful entrepreneurs, but also become responsible citizens with high ethics and social conduct.

We at Apex University understand that success is based on high quality courses, good facilities, friendly ambience and dedicated academic staff. Here, we practice what we teach and our students can count on full support of faculty and administration. One of our strengths is the integrated and choice based courses that guide the students to graduate in subjects they want to specialize in at post-graduate level and continue to create further knowledge through research at Doctoral level.

It is a privilege we are determined to build on, to ensure that our primary goal, of meeting the educational needs of students in the region is fulfilled to the best of our abilities.

Let me assure you that the Apex University will offer you a safe, friendly, nurturing environment to shape you into a perfect and successful citizen.

Those Who Dream & Work Vice - Chancellor

“ If you are planning for a year, sow rice;
If you are planning for a decade, plant trees;
If you are planning for a lifetime, educate people. ”

Prof (Dr.) O.P. Chhangani

Apex group is having a long history of its role played in building academic institutions in the State of Rajasthan. The seeds which were planted more than 54 years ago have blossomed into a fully grown banyan tree in the form of Apex University, Jaipur and continuously striving to provide quality human resource to the state and the country. Apex Group motto is aptly described by the following Chinese proverb;

"If you are planning for a year, sow rice; If you are planning for a decade, plant trees; If you are planning for a lifetime, educate people."

With the liberalization of the country's economy the world has become flat providing opportunity to our citizens to compete with the rest of the world's human resource. Therefore, the onus is on the academic institutions to produce world-class graduates so that they can compete with their contemporary graduates successfully across the globe. Apex University is fully committed to not only provide world class education but to groom students into a confident, law-abiding & a balanced citizen of this country. The students of our University will not only be academically competent but also be understanding of the societal needs of the country.

We will continue our efforts in building the nation through delivery of high quality education as the wisdom and innovation capabilities are the core assets in the progress of any nation in recent time;

"Wisdom.... comes not from age, but from education and learning."

My best wishes to the students who are aspiring to join Apex University, Jaipur as a gateway to remarkable and exciting career.

“One purpose, One mission, One dream”

A Gateway to Education at Apex University

54 Years | Legacy in
Education Since 1965

Sanjay Shiksha Samiti with its heritage of excellence in education for over 54 years, launched Apex University (AU), Jaipur. The University has been established by Rajasthan State Legislature Act No. 27 of 2018. The main campus of the University is spread over a sprawling 30 acres campus in an eco-friendly environment at Achrol on Jaipur-Delhi National Highway and is one of the best campuses in the region. AU has world class infrastructure, including state-of-the art research facilities and modern library. In line with Sanjay Shiksha Samiti's legacy of providing quality education, the university uses the latest and innovative methods and technology to impart education.

The University operates under the competent & able guidance of the Chairperson, Dr. Ravi Juniwal. Apex University, Jaipur is governed by the Board of Management & Academic Council under the leadership of several learned academicians, experienced administrators & Deans supported by numerous other officers & staff members.

The multi-disciplinary university offers career-oriented courses at all levels, i.e. Diploma, UG & PG and Doctoral programme and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Hospitality, Basic Life and Allied Sciences, Law, Pharmaceutical Sciences, Humanities and Arts, Nursing and Para-Medical Science, Veterinary Sciences, Health Sciences, Commerce & Management, Media, Journalism & Mass Communication, Physical Education, Catering & Food Technology, Yoga & Naturopathy, Skill Development, etc.

Vision

To be a globally responsive and socially conscious premier academic institution, recognized for its contribution to industry and society through excellence in teaching, learning, research, internationalization, entrepreneurship and leadership.

Mission

The mission of our University is the creation, dissemination and curation of knowledge. As a world-leading centre of academic excellence we aim :

- To enhance our position as one of the world's leading research and teaching universities and to measure our performance against the highest International Standards.
- To provide the highest quality learning and teaching environment for the greater well-being of our students and deliver an outstanding educational portfolio.
- To produce graduates fully equipped with knowledge and skill to achieve the highest Personal and Professional standards.
- To develop global professionals and entrepreneurs with innovative spirit, tolerance and desire to make a difference to the society.

Anti Ragging

Ragging Free Campus

Ragging Free Campus

Ragging is a criminal offence as per the Hon'ble Supreme Court verdict. Ragging in any form, within or outside the University Campus, is legally banned.

Any conduct by a student, whether by words spoken or written or by an act which includes physical abuse, lewd acts, teasing, rough or rude treatment, indulging in rowdy, undisciplined and obscene activities which causes or is likely to cause annoyance, undue hardship, physical or psychological harm or mental trauma or raise apprehension or fear in a fresher/junior student or other students or forcing a student to do any act which such a student is not willing to do and which has the effect or causing or generating a sense of shame or embarrassment or danger to a student's life or adversely affect the physique or psyche of a fresher or a junior student is tantamount to ragging.

Punishment against Ragging

One, who directly or indirectly commits, participates in, abets or instigates ragging, inside or outside the University, shall be punished, by the Anti-Ragging Committee of the University.

Women Cell

The Women's Cell is constituted to help maintain a harmonious atmosphere at the Institute, to enable women to pursue their work with dignity and reassurance. The Cell has been working to raise awareness on gender equality issues.

This Cell functions as the "Complaints Committee" as required by the "Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013".

Institute is committed to maintaining a professional learning and working environment for its students, employees and guests. One of the Women cells' mandate is to prevent gender discrimination and inappropriate sexual conduct. This is best achieved through promoting gender sensitivity and justice amongst all Apex University employees.

Apex School of Law

About SOL

Although our courses are primarily concerned with Indian law, there are opportunities to study other legal systems, including civil law and international law. You can also study theoretical and sociological aspects of the law such as jurisprudence or parts of criminology. The building houses lecture theatres, seminar rooms, and a moot court, as well as the comprehensive separate Law Library, offering an extensive collection of printed and electronic resources and excellent computing facilities.

Programmes	Duration	Eligibility
B.A. LLB*	5 Y ears	10+2
LLB*	3 Years	Graduation
LLM	1 Year	LLB

This law degree lets you focus on applying knowledge in practice, using real-world legal scenarios. All modules are taught with reference to current legal practice, in order to keep you up to date with ongoing changes in the profession.

We aim to give you a well-rounded education in all aspects of the law, so you will experience:

- ✓ Close interaction with teaching staff
- ✓ Pre-course support to help you prepare for your studies
- ✓ Field trips to locations such as the Court of Human Rights, Supreme Court, Rajasthan High Court
- ✓ Regular mootng competitions – your chance to practice your skills in a simulated courtroom scene
- ✓ The opportunity to compete for student prizes.

In addition, you will have the chance to learn from the wisdom and experience of leading guest speakers, including academics, barristers, judges, and solicitors. Their expertise will raise your awareness of how the law operates in the real world.

During your final year, you will be able to gain work experience that allows you to put what you have learned into context in a professional work environment. You could work with an agency, such as the Citizens Advice Bureau or the Free Representation Network, or with the Apex School of Law advice center in Ealing – the Community Advice Programme.

Apex School of Journalism & Mass Communication

About SOJMC

At Apex University innovative media course provides you with a range of opportunities to develop your interest in literature, your intellectual abilities, and your creative talent. You will study English and a media subject that suits your interests, allowing you to develop your specialism in an area of creative practice, such as TV, radio or screenwriting. This approach will combine theoretical understanding with the practical skills that media employers are looking for.

Programmes	Duration	Eligibility
B.J.M.C. B.A.(Journalism & Mass Communication)	3 Years	10+2
M.J.M.C. M.A.(Journalism & Mass Communication)	2 Years	Graduation in any Stream
B.Sc. Animation VFX Gaming	3 Years	10+2

Are you looking for a course that combines your passion for literature with the technical skills required to make it in media and communications?

Media and Communications influences how we think and the choices we make as individuals. This course will help you see things from a different perspective, giving you scope to question and analyse what you see.

The course is designed to give you:

- ✓ knowledge of forms and genres of English literature from a range of periods
- ✓ the ability to analyse and interpret complex works of literature and develop your own critical voice
- ✓ knowledge of the issues and themes in contemporary media
- ✓ sought-after digital media skills, such as content management, analytics and marketing communications
- ✓ advanced skills in your chosen area of audio-visual or audio production.

You will study a range of classical and contemporary texts in order to develop:

- ✓ critical thinking skills
- ✓ methods of analysis and response
- ✓ the ability to construct complex arguments
- ✓ advanced conceptual and communication skills.

Alongside highly transferable skills from your studies of English, you will gain practical skills such as digital production, post-production and industrial contexts, forms and genres. You will examine a variety of critical perspectives and analytical methods specific to your two areas of study and bridging the gap between them.

About SOP

Apex School of Physiotherapy is widely recognized as one of the Best Physiotherapy College in Jaipur (Rajasthan), with globally renowned professors, state-of-the-art infrastructure and teaching spaces, and highly specialized facilities and areas of research. Draw on our strong industry links and benefit from industry participation in course development, delivery and project sponsorship. Develop highly practical skills and learn through doing.

Programmes	Duration	Eligibility
BPT Bachelor of Physiotherapy	4½ Years	10+2 (PCB) Min Marks 50%
MPT Orthopedics Neurology Cardiopulmonary Sports	2 Years	BPT Min Marks 50%

Apex University Physiotherapy offers you an integrated approach to learning physiotherapy, research, and clinical practice. It has a strong focus on professional and lifelong learning skills and physiotherapy practice, as well as on relevant scientific disciplines. Completion of the course confers eligibility as a physiotherapist.

Physiotherapy is the largest allied health profession. Physiotherapists work with patients and their families/carers to address problems experienced as a result of illness, injury and disability. They use physical means to promote health, optimal rehabilitation and, where possible, recovery. Physiotherapy is a broad field, making for an exciting and varied career. Physiotherapists practice as autonomous professionals when acting as the first point of contact for clients/patients, or as part of a health or social care team.

Our course will give you the professional skills and knowledge necessary for contemporary practice. The Department of Physiotherapy carries out significant research, and we emphasize the role of research in physiotherapy and the importance of evidence-based practice throughout the course. Through this, you will gain experience of a wide range of research methods.

In your course duration, you will focus on the client- centered, responsive services, and develop your decision making, communication, and scientific skills.

Clinical Training :

Clinicians from local hospitals will provide some of the in-university clinical teachings. All of our teachings are informed by research, and our teaching staff generally have at least a Ph.D. qualification. Sometimes postgraduate research students studying towards a Ph.D. in a relevant discipline will help with teaching, for example by acting as demonstrators in practical classes or leading revision tutorial sessions.

Draw on our strong industry links and benefit from industry participation in course development, delivery and project sponsorship. Develop highly practical skills and learn through doing.

Programmes	Duration	Eligibility
Diploma in Animal Husbandry Worker	1 Year	10 th
Certificate in Artificial Insemination (A.I.) Technician	6 Months	10 th

Apex University's veterinary courses also give you the scientific understanding needed to enter many other areas of veterinary work or biomedical science and to understand and respond to the rapid progress being made in veterinary science. For example, there are opportunities to enter research in universities, Research Council institutes and private companies, and to obtain specialist postgraduate qualifications. In addition, career openings are available with government agencies, animal charities, pharmaceutical companies, and academic clinical posts.

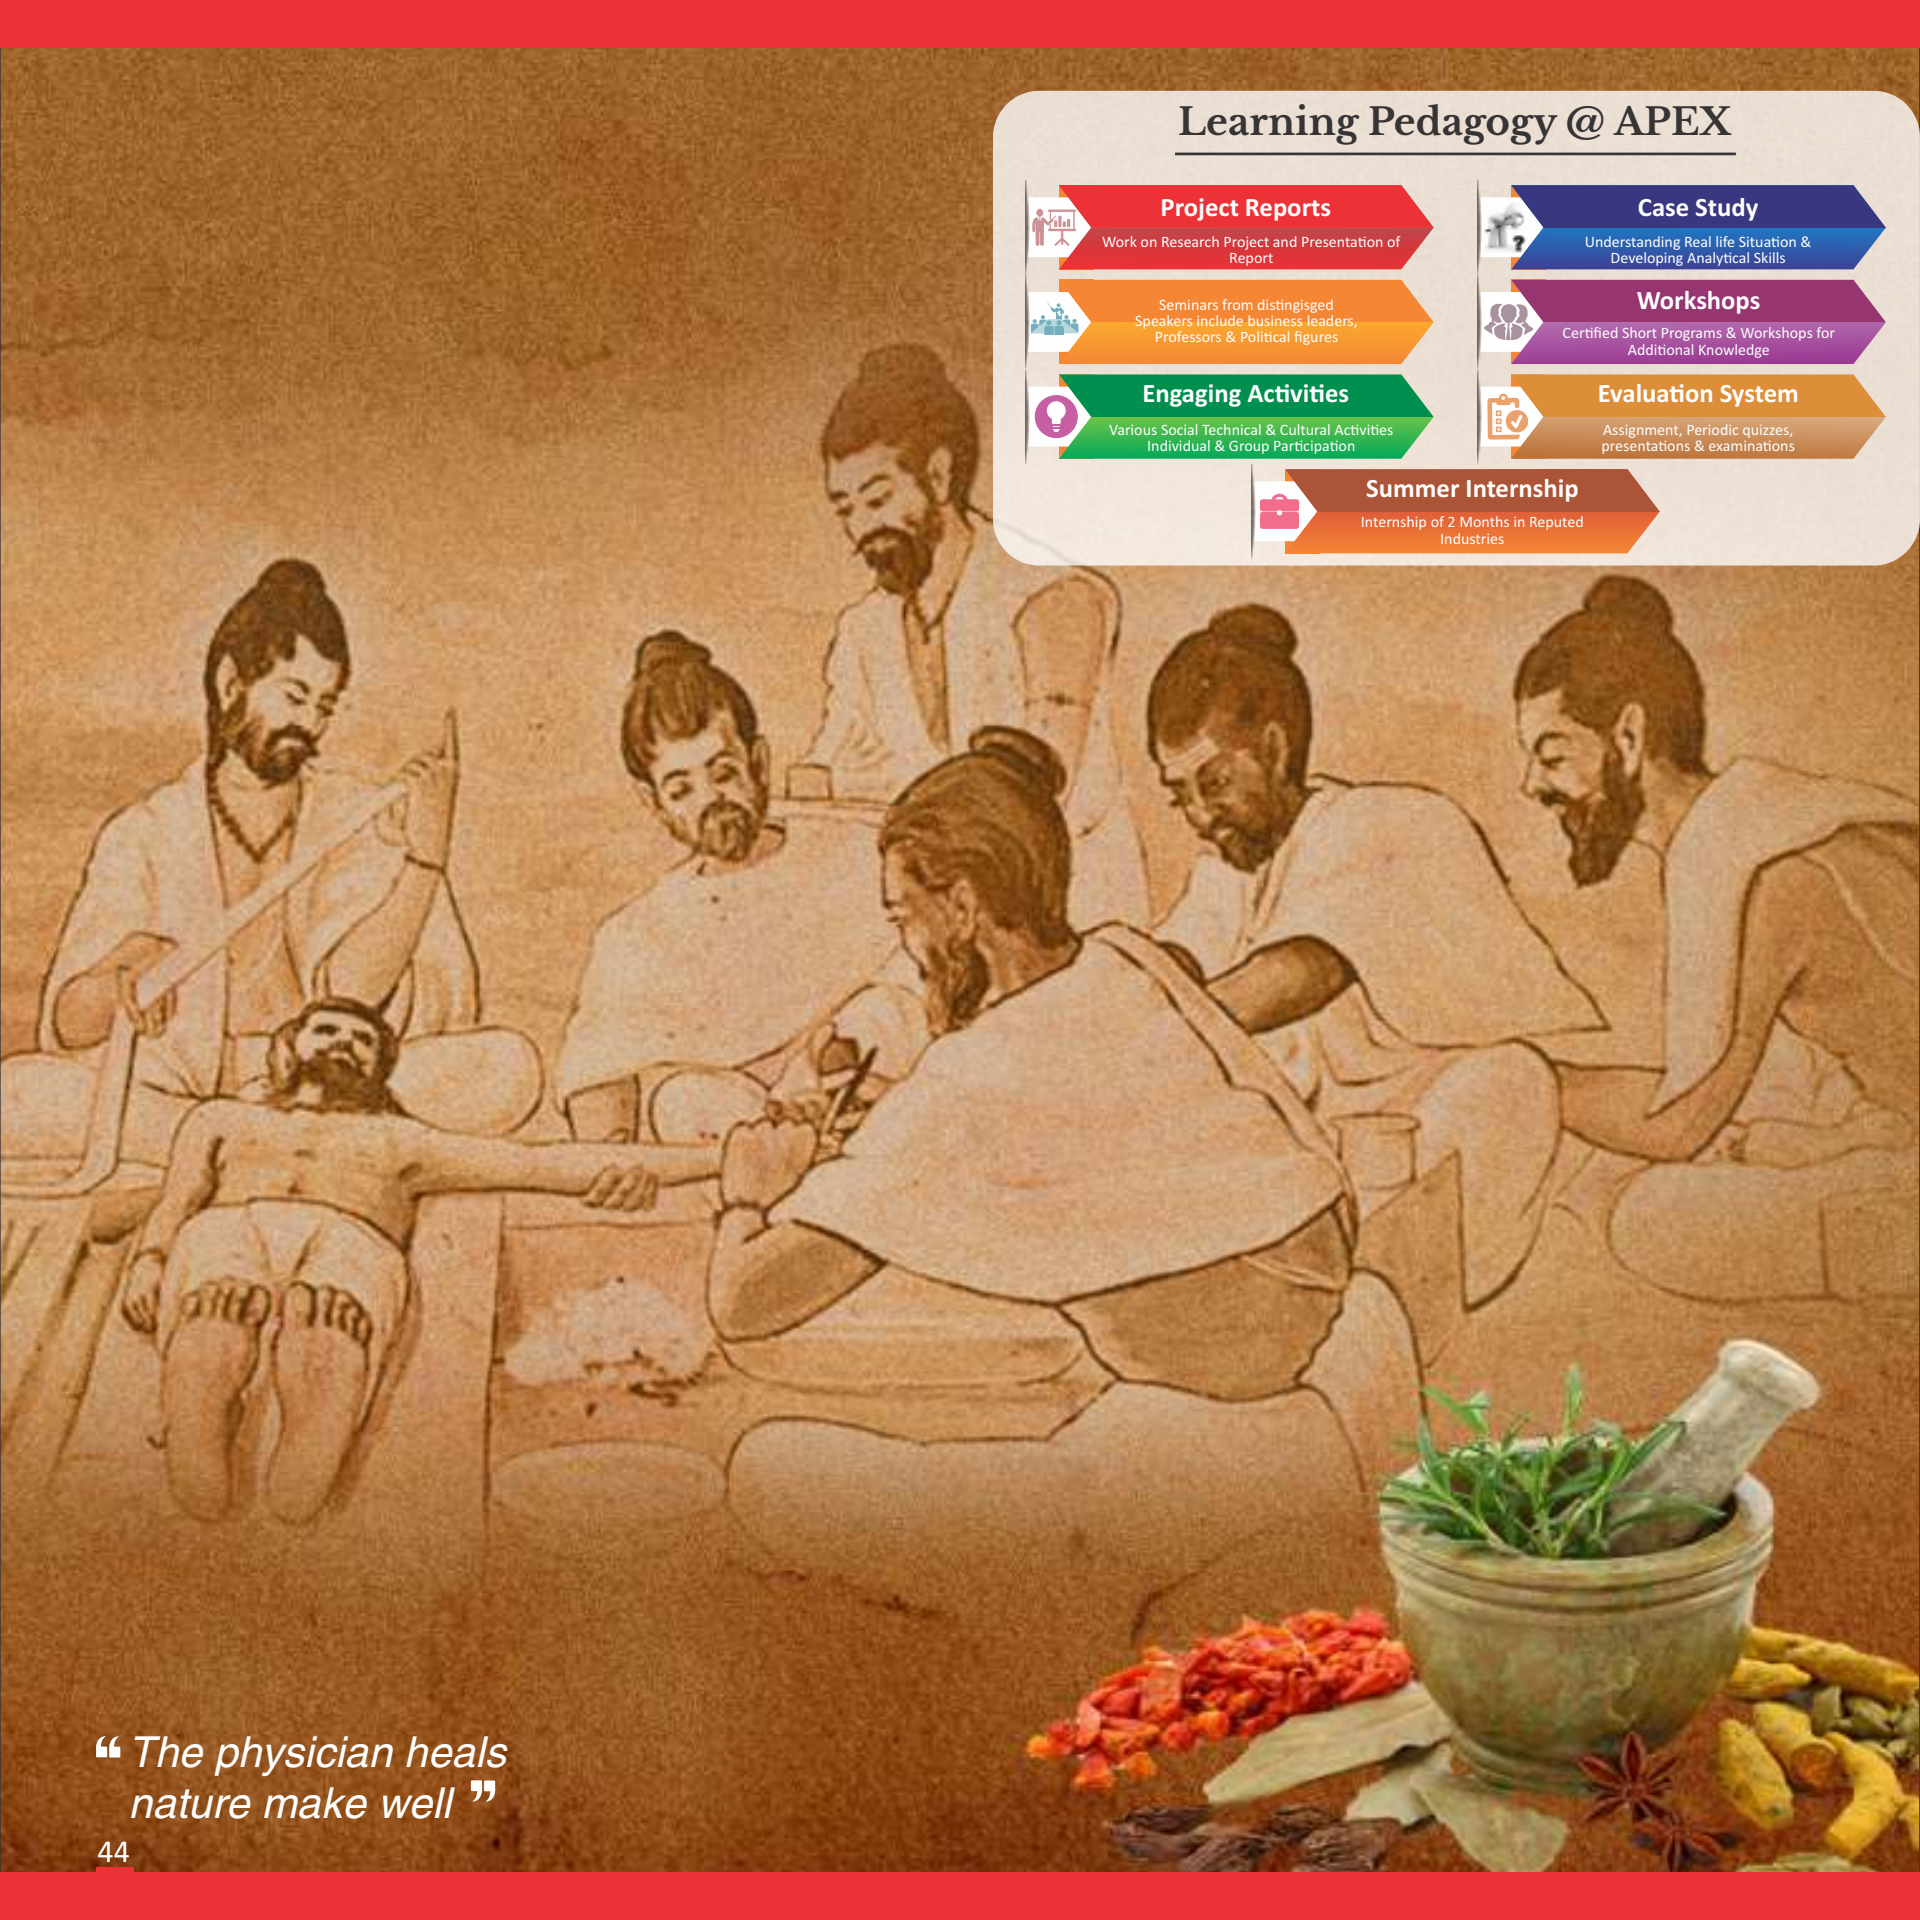

A major strength of the Apex University course is the extensive use of practical teaching and the emphasis on small-group teaching from 1st Year. Our staff includes world leaders in their field and our facilities include state-of-the-art equipment, an active ambulatory farm animal unit, a diagnostic unit, a superb post-mortem unit, all available for students during their clinical studies, and a Clinical Skills Centre that's available to students in all years.

Apex School of Indian and Unani Medicine

About SOIUM

Apex School of Indian & Unani Medicine is widely recognized as one of the Best College in Jaipur (Rajasthan), with globally renowned professors, state-of-the-art labs and teaching spaces, and highly specialized facilities and areas of research. Draw on our strong industry links and benefit from industry participation in course development, delivery and project sponsorship. Develop highly practical skills and learn through doing.

Programmes	Duration	Eligibility
B.Sc. (Ayurvedic Nursing)	4 Years	10+2
DAN&P Diploma in Ayurvedic Nursing and Pharmacy	3 Years	10+2

India has a tradition of codified healthcare systems

Ayurveda, Unani and Siddha, which function mainly through (1) folk stream and (2) classical stream. The former is based on oral traditions, practiced by villagers and the tribal communities while the later comprise the codified systems supported by theoretical knowledge, experimental and philosophical explanations provided by many learned physicians and surgeons of earlier time like Charak, Sushruta, Galen, Rhazes, Avicenna, and others.

The ancient civilizations developed their systems of medicine (Ayurveda, Unani, and Siddha) independent of each other but all of them were predominantly plant-based and comprise over 8000 medicinal and aromatic plants species.

According to the all Indian co-ordinate project sponsored by the Ministry of Environment of Forests, New Delhi, 40% of the 16,000 recorded flowering plants in India have ethnomedicinal value, whereas, only 10% of these are used in drug and pharmaceutical industries

B.A./B.Sc.	3 Year	10+2
M.A./M.Sc.	2 Year	Graduation
DYN Diploma in Yoga & Naturopathy	1 Year	10+2
PGDYN PG Diploma in Yoga & Naturopathy	1 Year	Graduation
BNYS Bachelor of Naturopathy & Yoga Science	5½ Years	10+2Science(PCB)

Yoga

Originating in ancient India, Yoga is a system of physical and mental practices which aim to unify the body and the mind. There are numerous strands of yoga, all of which incorporate a number of different low-impact movements and a range of difficulty levels. The calm, relaxing nature of yoga means that it can be practiced anywhere by almost anyone. Those who regularly do yoga find that it is a great way to boost energy levels and combat stress and fatigue.

During the course of this yoga qualification, students will develop a theoretical and practical knowledge of yoga. Starting with breathing techniques, they will first learn how to align their breath with their movements to increase relaxation. Students will then go on to learn about the different types of yoga such as Hatha and Astanga, and discover how to put these philosophies into practice.

Naturopathy :

The principles of naturopathy state that the body has the ability to heal itself by its vital force; disease is the resistance by this force to abnormal conditions in the body, disturbing the normal functioning of its organs and tissues and, naturopathy is a holistic treatment which approaches the client as a whole and not merely the symptoms of the complaint.

The courses offer the student a comprehensive introduction to the subjects presented in the syllabus. The course is designed for continuous assessment and tutor feedback will help to keep you motivated throughout the course.

Shipra Path, Near Technology Park, Mansarovar, Jaipur-302020

Apex South Campus - I
ISI-5, RIICO Institutional Area, Sitapura, Jaipur-302022

Apex South Campus - II
ISI-7, RIICO Institutional Area, Sitapura, Jaipur-302022

Apex South Campus - III
IS-2018, Ramchandrapura, Sitapura Ext., Jaipur-303905

BY ROAD

(From Jaipur - 35 km and from Delhi - 230 km on Jaipur-Delhi NH-48, Link Road 248):

From Jaipur, Sindhi Camp Bus Station: The central bus station Sindhi Camp is about 1 km away from Jaipur Railway station, about 35 km from Apex University Campus, Jaipur. Apex University is situated just after crossing bus stop at Achrol, which (the University) will be on route within left-hand side. All Government & Private buses that go towards Delhi, Haryana or Chandigarh and take the Jaipur-Delhi highway would pass via Apex University

From New Delhi: Apex University is situated at Achrol, which will be on right-hand side, about 16 km after 'Manoharpur Toll Plaza' while coming from New Delhi on the straight highway. All roadways buses including Deluxe & Super Deluxe plying on this route from all states have a scheduled stop at the APEX UNIVERSITY BUS STOP /ACHROL just near the Campus.

BY TRAIN

To reach Apex University Campus directly from the railway station, you can take auto-rickshaw either to Central Bus Station at 'Sindhi Camp' or go to 'Narayan Singh Circle' or to 'Badi Choppad' and from there you can board any bus going towards 'Delhi-Shahpura' route.

BY AIR

Jaipur Airport (located about 40 km from Apex University Campus) is well connected by daily flights from all prominent cities and all taxi operators know the route to the campus at Achrol. Jaipur being a well known international tourist destination has a great network of taxi operators.
