“Our commitment to excellence in education stems from the firm belief that education provides the foundation for an accomplished nation.”

Chancellor's Greetings

My greetings to you!

Desh Bhagat University is recognised for producing individuals equipped with both academic credentials and a sound understanding of the world around them. Our major objective is to mould individuals who will contribute to global progress in every field.

It is a matter of immense pleasure that, after making spectacular progress in its pursuit of academic and professional excellence, Desh Bhagat Group of Institutes has accorded the status of Desh Bhagat State Private University by Punjab Govt. The entire credit for this achievement goes to its dedicated administrative staff, incredibly competent teaching faculty, & hardworking students. I felicitate them all and hope that they will continue to strive for still higher goals, keeping in mind that there is no best which can't be bettered.

I firmly believe that there is no substitute for hard work and no great achievement can be made without vision. Thus, we aim at promoting career building with a cosmopolitan outlook and focus on personality growth of each individual with a high vision.

I assure the students seeking admission in DESH BHAGAT UNIVERSITY that we shall leave no stone unturned to come up to their expectations and they will find nothing wanting on our part.

Dr. Zora Singh
Chancellor

“Education should consist of a series of enchantments, each raising the individual to a higher level of awareness, understanding, and kinship with all living things”

From the desk of Pro Chancellor

My greetings to you!

For decades, Desh Bhagat University has nurtured into a dignitary pacesetter in Higher Education by disseminating sophisticated and meticulous learning. We have utilized our rigorous and innovative assets to imbue tangible professional attributes in the students to cope with professional and entrepreneurial intricacies. By pervading the motto of 'Confidence and Toil' in students, we strive hard in the blossoming of a new breed of prudent and capable scholastic brains imbued with novelty and humane sensitivities. Thus, DBU has secured a universal recognition by inculcating and empowering multifaceted anticipations in the students which ultimately sprouts heap of future perspectives for them.

The transformation of Desh Bhagat Group of Institutes into Desh Bhagat University has thrown its gates wide open to innovation and taking the risk to grow and learn. Desh Bhagat University will provide its students an ambience that is fused with high energy and thoughts to extend oneself beyond the bars of excellence individually, academically and socially. Opportunities are not merely mirages; rather, they are backed by the infrastructure and guidance of experts which can give a Midas' touch to the innovative ideas of the youth. Our commitments and achievements are not just a colloquialism but it is a reality sprouting from our internationally scrutinized pedagogy, meticulous academics, state of art infrastructure and latest technical amenities.

Dr. Tajinder Kaur
Pro Chancellor

Our Glory

Desh Bhagat University, Mandi Gobindgarh came into existence under Punjab Govt's Desh Bhagat University Act. The university derives its spirit of foundation from freedom fighter Sr. Lal Singh Ji; who fought for the independence of India and in 1972 his efforts of social work & his services in the freedom struggle were recognized by awarding him with "Tamra Patra" by Govt. of India, hence the name Desh Bhagat was contemplated. DBU has been established with the mission of pursuing excellence in higher education as envisioned by Sr. Lal Singh Ji.

Desh Bhagat United has its campuses at Mandi Gobindgarh, Shri Muktsar Sahib, Moga, Chandigarh and Kenya. The University has been established with the lofty mission of pursuing excellence in higher education by providing the young students a distinct and unique combination of academic, professional and personal development. The various courses taught in the university include Agriculture Sciences, Airlines, Animation, Applied Sciences, Art & Craft and Fashion Technology, Ayurveda, Commerce, Computer Sciences, Education, Engineering, Hospitality and Tourism, Hotel Management, Languages, Law, Management, Media, Nursing, Performing arts. Social Sciences, Dental Sciences, Allied and Health Sciences.

Located in a totally pollution free environment, the university has a sprawling campus with state-of-the-art infrastructure including lush green Wi-Fi Campus. AC class rooms equipped with latest teaching aids, computer labs having latest model computers, well-stocked digital libraries, hostels for boys & girls with all modern facilities, seminar/conference halls, playgrounds and its own fleet of buses to transport students from different places.

The ultimate aim of Desh Bhagat University is to provide quality education and the best possible exposure to its students in order to make them not only highly successful leaders, professionals, manager, entrepreneurs and technologists but also to make them fully responsible and awakened members of the society by imparting them the much-needed value education and soft skills.

OTHER INITIATIVES

Placement Cell

What Does the Placement Cell Do?

The University has a strong focus to create and nurture employability amongst students. The University has a very active full time Placement Cell that ensures high level training and maximum number of placements for students in reputed companies in India and Abroad.

Objectives

- To create awareness amongst students about job requirements of various companies.
- To organize workshops, seminars, industry visits to generate confidence among students before campus placement.
- To encourage the students to take up Industry related projects independently.
- To achieve maximum placement of students in reputed companies

Recruiting Candidates on Campus

The campus recruitment process consists of a written test, group discussion and personal interview. The written tests are usually performed to check the technical aptitude and logical reasoning of the participating candidates. The candidates who pass the written test are then called for group discussion where they are put in groups of 6-12 people and given a topic to speak on for about 10-15 minutes. During the group discussion the interviewee evaluates the performance of every candidate on parameters that range from knowledge, speaking skills, language, leadership, team involvement, listening ability to the ones decided by the interviewing company. Those who clear this stage are then called for a personal interview with the interviewing company that seeks to know the candidate more in terms of his/her goals and aspirations and if he/she would make the best fit for the organization.

Industrial Visits

Industrial Visits are an integral part of technical and professional education as it enables the students to comprehend the technology and provides them sufficient exposure to practical training. A list of industrial visits is given below:

Many More.....

Faculty

Each university department has highly qualified and experienced faculty. They co - relate theory with practical aspects using their outstanding academic background and industrial experience. In addition to regular faculty, the university has a large number of professors emeritus and visiting professors from various reputed universities and corporate sectors. We engage industrially oriented – faculty to give suitable inputs to the students and try to create the industry - based environment in our university.

Infrastructure

Located in a sylvan environment, the campus has approximately 40 lakh sq. ft. covered area in 40+ acres of land at Mandi Gobindgarh. To sprout a new breed of prudential professionals out of the students, the campus is enriched and periodically updated with the latest amenities in vogue with Wi-Fi, Hi-Tech building infrastructure, AC classrooms having all the modern communication equipments, computer labs and digital libraries etc. The computer aided language lab is for 30 students with 30 systems, one master console, Software for self-study by learners, audio -visual aids with P.A system, a Digital stereo & video system. The hostels are also fully Wi-Fi. All the basic necessities of life like medical Aid, Mini Market and Cafeteria etc. are available within the campus.

Academic Resource Centre / Digital Library

Desh Bhagat University houses a central Library and separate Libraries in each faculty to provide its students and staff a chance to explore a world of knowledge in a conducive environment. By making access to a rich collection of print and non - print. primary and secondary material in various disciplines. the Libraries support the academic as well as research needs of thousands of students and hundreds of academics of the university.

Key Highlights

ERP software used in the libraries for managing circulation of books is completely an automatic process which enables students and staff to search, request for, and reserve books and other reference material in the library.

Membership with EBSCO, DELNET & ELSEVIER (National Digital Library of UGC) through which the students can access international and national journals of various subjects/ disciplines. It promotes resource sharing among the libraries through the development of a network of libraries with the objective of collecting, storing, and disseminating information besides offering computerized services to users to coordinate effort for suitable collection development and also to reduce unnecessary duplication wherever possible.

University faculties are members of IDC (Information Dissemination Center) through which the students have access to Indian and foreign journals free of cost. All the libraries have rich collection of text and reference books, journals, magazines, audio/videos, CD Rooms, research reports, online journals, database analysis, etc. in all disciplines and in all areas of study.

Facilities Available

Library Membership
All students and teachers who join the university are the members of the library.

Periodical & Newspaper Section:
Every library holds a very rich collection of relevant periodicals, magazines and newspaper.

Reference Service:
Ready help and guidance is provided to all patrons searching for any book or other reference material within the libraries.

Xerox Facility:
For the convenience of staff and students the libraries have Xerox machines to offer xerox Facility.

Cloak Room:
The Libraries have a cloak room for keeping the belongings of the students safe while they are within the library premises.

Wi-Fi Internet Connectivity:
The libraries are completely Wi-Fi Enabled.

Research and Development Cell (Ph.D / M.Phil)

In order to encourage and carry-out research in rich academic environment, a research & Development cell has been created with all necessary facilities. The cell supports the education and Research of the Students of the University through advocacy and advancement of basic and applied research. The cell is headed by Dean (research) and maintains an active and healthy interaction between the university and the industry. Research & Development cell is created with the particular aim of building capacity for fundamental and applied research in Sciences, Social Sciences, Humanities, Commerce and Management.

Entrepreneurship Development Cell

Entrepreneurship Development Cell has been established in the University to initiate an enthusiasm among the students of Desh Bhagat University, towards Entrepreneurship , strongly inculcating entrepreneurial culture among them In this era of Globalization, Liberalization and Privatization. India calls for Creating an entrepreneurial culture and attitude among the students to become embodiment provider rather than employment seekers. Such a transformation, it is hoped, would reap immense benefits to the society.

Leadership Development Cell

Excellence is a journey, not a destination. Leadership is a way of being, not a personality trait. True leaders make things happen and not watch things happen. We all have the potential for excellence, as well as the potential to achieve great things and to be great leaders. In most of us, this potential is slumbering deep inside. This programme is conceived to provide young men & women with skills to realise their hidden potential, enhance their self image, boost their performance and to acquire personal mastery & well being.

Counseling Cell

A counseling cell is created in order to offer psychological services to students experiencing emotional stress, personal problems or concerns with behavior or relationships. Through evaluation and consultations, students are assisted in identifying problem areas or difficulties, resolving their emotional problems and overcoming academic and social deficiencies.

Centre for Education Beyond Curriculum

In order to rediscover themselves and move towards progress amidst the educational complexities of the modern times, we have conceived Centre for Education Beyond curriculum (CEDBEC) as an attempt to stimulate and discover through experience, the perspectives in education. It conducts awareness programmes, seminars, workshops conferences, camps, training programmes and such other activities.

Sports & Fitness

Our university offers a multitude of extra-curricular activities , including performing arts, sports and social service. Helping students to find and pursue their passion will help them to become well - rounded and satisfied adults . We provide every student an opportunity to excel in the field of their interest and we have a strong sports department which prepares the students for different national & international sports tournaments.

Language Labs

We lay great emphasis on communication skills keeping in mind the growing needs of the sector. The language lab is fully equipped to conduct English language practice through different speaking modules with the help of language lab software.

Accommodation

The University has utilized its resources to provide best in class Dorm amenities within the campus. Equipped with Wi-Fi, AC / Cooler, hygienic meals, served three times a day, the university strives a lot to make students feel like home. Residential services both for boys and girls with furnished rooms, are also facilitated in Chandigarh by the University.

Transport Facility

The university has its own fleet of comfortable buses. The transport facility is being provided from Mohali, Chandigarh, Ambala, Rajpura, Patiala, Khanna, Gobindgarh, Nabha, Ludhiana, Panchkula, Machiwara, Samrala, Morinda, Bassi, Sirhind, Fatehgarh Sahib, Doraha etc.

Academic Staff College

Academic staff college is established in Desh Bhagat university to conduct faculty development programmes and seminars so as to enhance the knowledge and skills of the teaching faculty and also to adopt latest teaching methodologies.

M.Sc. ATHM
Eligibility: Graduation in any stream |Duration: 2 years
B.Sc. Hotel Management & Catering Technology:
Eligibility : 10+2 | Duration 3 years
B.Sc. in Hospitality & Hotel Administration
Eligibility +2 English as compulsory subject Duration 3 Years
B.Sc. ATHM
Eligibility: 10+2 in any stream with 45% marks, |Duration: 3 years
Diploma in (Food Production, Food & Beverage Service, Bakery & Confectionery)
Eligibility : 10+2 | Duration 1.5 Years

Best Features of Business Administration & Hospitality Management

- Latest Industry Ready Curriculum.
- Well Trained and Qualified Staff, holding Industry Exposure.
- Regular Guest Lectures from Industry for Practical Knowledge.
- Learning through Activities: Quiz, Role play, Presentation, Videos.
- Personality Development Cell – To Groom the personality of the students through Presentations, Communication Labs and Mock Interviews.
- Fully Wi-Fi
- Technical Competitions every week.
- Digital Notes
- Model Based Assignments
- Free legal advice available
- Best Well planned infrastructure, Modern Equipment, Strong Training & Placement Cell, Develop the students, Right behavior, Special attention of personal grooming, uniform & Hygiene, Scholarship for SC, ST Students, Free Personality Development & Special classes
- Text needs alignment for English speaking.

Scope:

Students start up their career in either Government sector or private sector since there are a lot of employment opportunities in both these sectors. This degree helps the students to get a sound knowledge on computer applications with the help of which they can have a perfect launch pad for challenging career in the field of information technology. We know that India is an IT power thus it is obvious that the course of BCA will provide jobs in the IT sector. The companies such as Wipro, InfoTech, Satyam, [TCS] Tata Consultancy Service, Siemens Communications, and even International companies such as Vodafone, and Essar Communications are hiring Students every year | . Student can easily get jobs in airlines, at airports and in hotel industry as well. | Career Opportunities for Hospitality Graduates Global growth and development of tourism have opened up innumerable avenues for employment. As a result, the graduating students can look forward to career opportunities as;

- Management Trainee in Hotel and allied hospitality industry;
- Kitchen Management/Housekeeping Management positions in Hotels after initial stint as trainee;
- Flight Kitchens and on-board flight services
- Indian Defence Hospitality services
- Marketing/Sales Executive in Hotel and other Service Sectors
- State Tourism Development Corporations
- entrepreneurship
- Multinational companies
- Teaching

FACULTY OF DESIGN

Department of Fine Arts
Department of Fashion Technology
Department of Animation

The Faculty of Design is an ecosystem of diverse philosophies and practices bestowing students with a productive platform to nurture their lifelong passion for creative engagement. The studio based education here refines each prospective design artist to challenge conventional ideas, be agile and engage in a continual process of enquiry and exploration. A comprehensive curriculum encompasses each specialization in an ambit of the latest industrial trends and commercial scenarios whether it is fashion technology, animation and multi-media, interior design and art & craft.

Best features of Faculty of Design

Full of Creativity and Aesthetically sound department

Courses Offered:

Ph.D. Fine Arts, Eligibility: MA Fine Arts/ MFA with 55%, Duration: minimum 3 years maximum 5 years

Bachelor of Fine Arts (BFA), Painting & Sculpture

Eligibility: 10+2 with 50% (General) & 45% (Reserve Categories) in any stream, | Duration: 4 Years

Diploma in Art and Craft, Eligibility: 10th with 45%, Duration: 2 years

B.Sc. in Fashion Technology (B.Sc. FT)

Eligibility: 10+2 (Any Stream) with minimum 45% aggregate, Duration: 3 Years

M.Sc. in Fashion Technology (M.Sc. FT)

Eligibility: Graduation (Any Stream) with minimum 50% aggregate, Duration : 2 years

B.Sc in Animation & Multimedia Technology

Eligibility: 10+2 (Any Stream) with minimum 45% , Duration : 3 years

Scope:

To be an Art Critic, Art Historian, Art Teacher, Assistant Professor, Free Lance Artist, Art Designer, Set Designer and many more opportunities.

Fashion Technology has a wide scope and is a good career to choose. Fashion Designing is one of the most lucrative careers, attractive and glamorous in the modern world. There are many opportunities in the Fashion Industry which is constantly changing. The beginning of the international Fashion market in India has given impetus to the Fashion Industry which has become a booming industry and a career in Fashion design is more in demand then ever. Thus, many young people who are attracted to these attributes have decided to invade the Fashion Industry.

Shining Stars

Jagseer Singh, Hasdeep Singh got First prize in National Art Exhibition at Amritsar

FACULTY OF INFORMATION AND LIBRARY SCIENCES

Department of Library Sciences
Department of Computer Science and Applications

There are bright career prospects for computer science professionals in recent scenario. With the opening of huge software and IT companies in India, the job opportunities for trained professionals have increased considerably. India is known to be a leader in software and IT sector.

Computer science graduates and MCA pass outs find job opportunities in a variety of environments in academia, research, industry, government, private, business organizations and so on.

They are involved in analyzing problems for solutions, formulating and testing, using advanced communications or multi-media equipment, or working in teams for product development.

The software and IT companies are the major employers of computer science graduates. They offer the best packages to the young graduates which are unmatched with other branches of science.

Courses Offered:

Ph.D/ M.Phil in Computer Sciences & Applications, Library Sciences

Duration: As per UGC norm | Eligibility: As per UGC norm

MCA : Duration:3 Years, Eligibility Criteria: Graduation with minimum 50% marks, must have passed +2 or Higher Examination with Maths/ Stats/ QT/ Business Maths as additional/optional subject.

M.Sc. (IT), Duration:2 Years, Eligibility Criteria: Graduation with minimum 50% marks.

BCA, Duration: 3 Years, Eligibility Criteria: 10+2 pass from recognized board (No Maths required)

B.Sc. (IT) Duration:3 Years, Eligibility Criteria: 10+2 pass (No Maths required)

PG Diploma Computer Application : Duration:1 Years, Eligibility Criteria: Graduation with minimum 40% marks.

M. Lib & Inf. Sci.: Eligibility B. Lib with 50% & Duration: 1 years

B. Lib & Inf. Sci.: Eligibility Bachelor in any stream with 45% & Duration: 1 years

D. Lib & Inf. Sci.: Eligibility +2 in any stream with 45% & Duration: 1 years

Best Features of Faculty of Information and Library Sciences

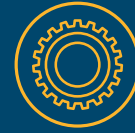

- Latest Industry Ready Curriculum.
- Well Trained and Qualified Staff, holding Industry Exposure.

ENGINEERING AND APPLIED SCIENCES

Department of Aeronautical Engineering
Department of Civil Engineering
Department of Mechanical Engineering
Department of Computer Science and Engineering
Department of Electronics and Communication Engg.
Department of Electrical Engineering
Department of Applied Sciences

Distinguished for its academic brilliance and exceptional learning experience, Desh Bhagat University is a trailblazer in education always offering the latest courses demanded by the industry. With top notch faculty and an enormous industry interface during academic sessions, the university excels in grooming aspiring engineers with its fine curriculums and teaching methodology. Students from faraway places come here to study and find the serene environment at the campus a great reason to be mindful, notice new things, learn and have fun too!

Courses Offered

Ph.D in Engineering and Applied Sciences:
Duration: As per UGC norm | Eligibility: As per UGC norm

M-Tech:
Duration: 2 years | Eligibility: B.Tech/B.E Degree
B. Tech:
Duration: 4 Years | Eligibility: 10+2 Non-Medical or Diploma

Diploma in Engineering :
Duration: 3 Years | Eligibility :10th or 10+2 vocational

M.Sc. : (Physics, Chemistry, Mathematics)
Duration: 2 years | Eligibility: B.Tech/B.E Degree

Streams

Aeronautical Engineering, Computer Science & Engineering, Information Technology, Electronics & Communication Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering, Applied Sciences (Chemistry, Physics and Mathematics)

Accreditations:

University Grants Commission

Collaborations:

NITTR , Aeronautical Society of India, CAAD Centre, Rajpura, Wing Aviation, Hyderabad, Rajiv Gandhi Flying Club, Hyderabad, Global Aviation, Chandigarh, Eastmen Ludhiana, Rudra Casting Khanna, Metalecraft Rajpura, Prabhat Forging Mandi Gobindgarh, Shri Pannel Khanna, Hoshiarpur Automobile Ludhiana, Hero cycle Ludhiana, Ralson Son's Ludhiana, Metro Tyre Ludhiana, CTR Ludhiana

Scope:

Mechanical Engineering: Automobile Industry, Manufacturing Industry, Textile Industry, Automation and Robotics, Production Industry, CNC, DNC, NC Industry, Designing Industry or Department,

Civil Engineering: Civil engineering has scope in many fields:- Building construction , building design , Structural Design, Railways, Airport designing, ports and harbors, PWD (B&R), Irrigation, highways & Bridge design

Aeronautical Engineering: Gov. Jobs, Air Force, DRDO, Isro Research Centre, Indian Army, Indian Navy, Pvt. Aviation Club, NASA

Computer Science & Engineering: CSE drive the world and has become an indispensable part of human civilization. For every learned individual, it is an asset for the knowledge economy. Computer Science Engineering not only grooms research scientists who have passion for invention and has novel design of new technology and explores new vistas for the use of existing technology.

Designation in company: Software Developers, Hardware Engineers, System Designer, System Analyst, Networking Engineers, DBA, Software Testing, Security analyst etc.

Top Companies: Google, Yahoo, Hewlett-Packard, International Business Machines Corporation, Toshiba Corporation, Dell Inc, NEC Corporation, Canon Inc, Apple Inc, ASUSTEK Computer Inc, Acer Inc, Lenovo Group Limited, SAIC, Sun Micro system, TCS, Infosys, HCL, Wipro, CMC, CMS, L&T, Tech Mahindra etc.

Electronics and Communication Engineering : Telecom, Defense, Space Research Organization, Consumer Products, Bio-medical Equipment, Agriculture

Electrical Engineering: Electronics, Digital Computers, Power Engineering, Telecommunications, Control Systems, Radio-Frequency Engineering, Signal Processing, Instrumentation and Microelectronics

Applied Sciences : Scope in academics in Universities, Colleges, in Industries.

Key Highlights

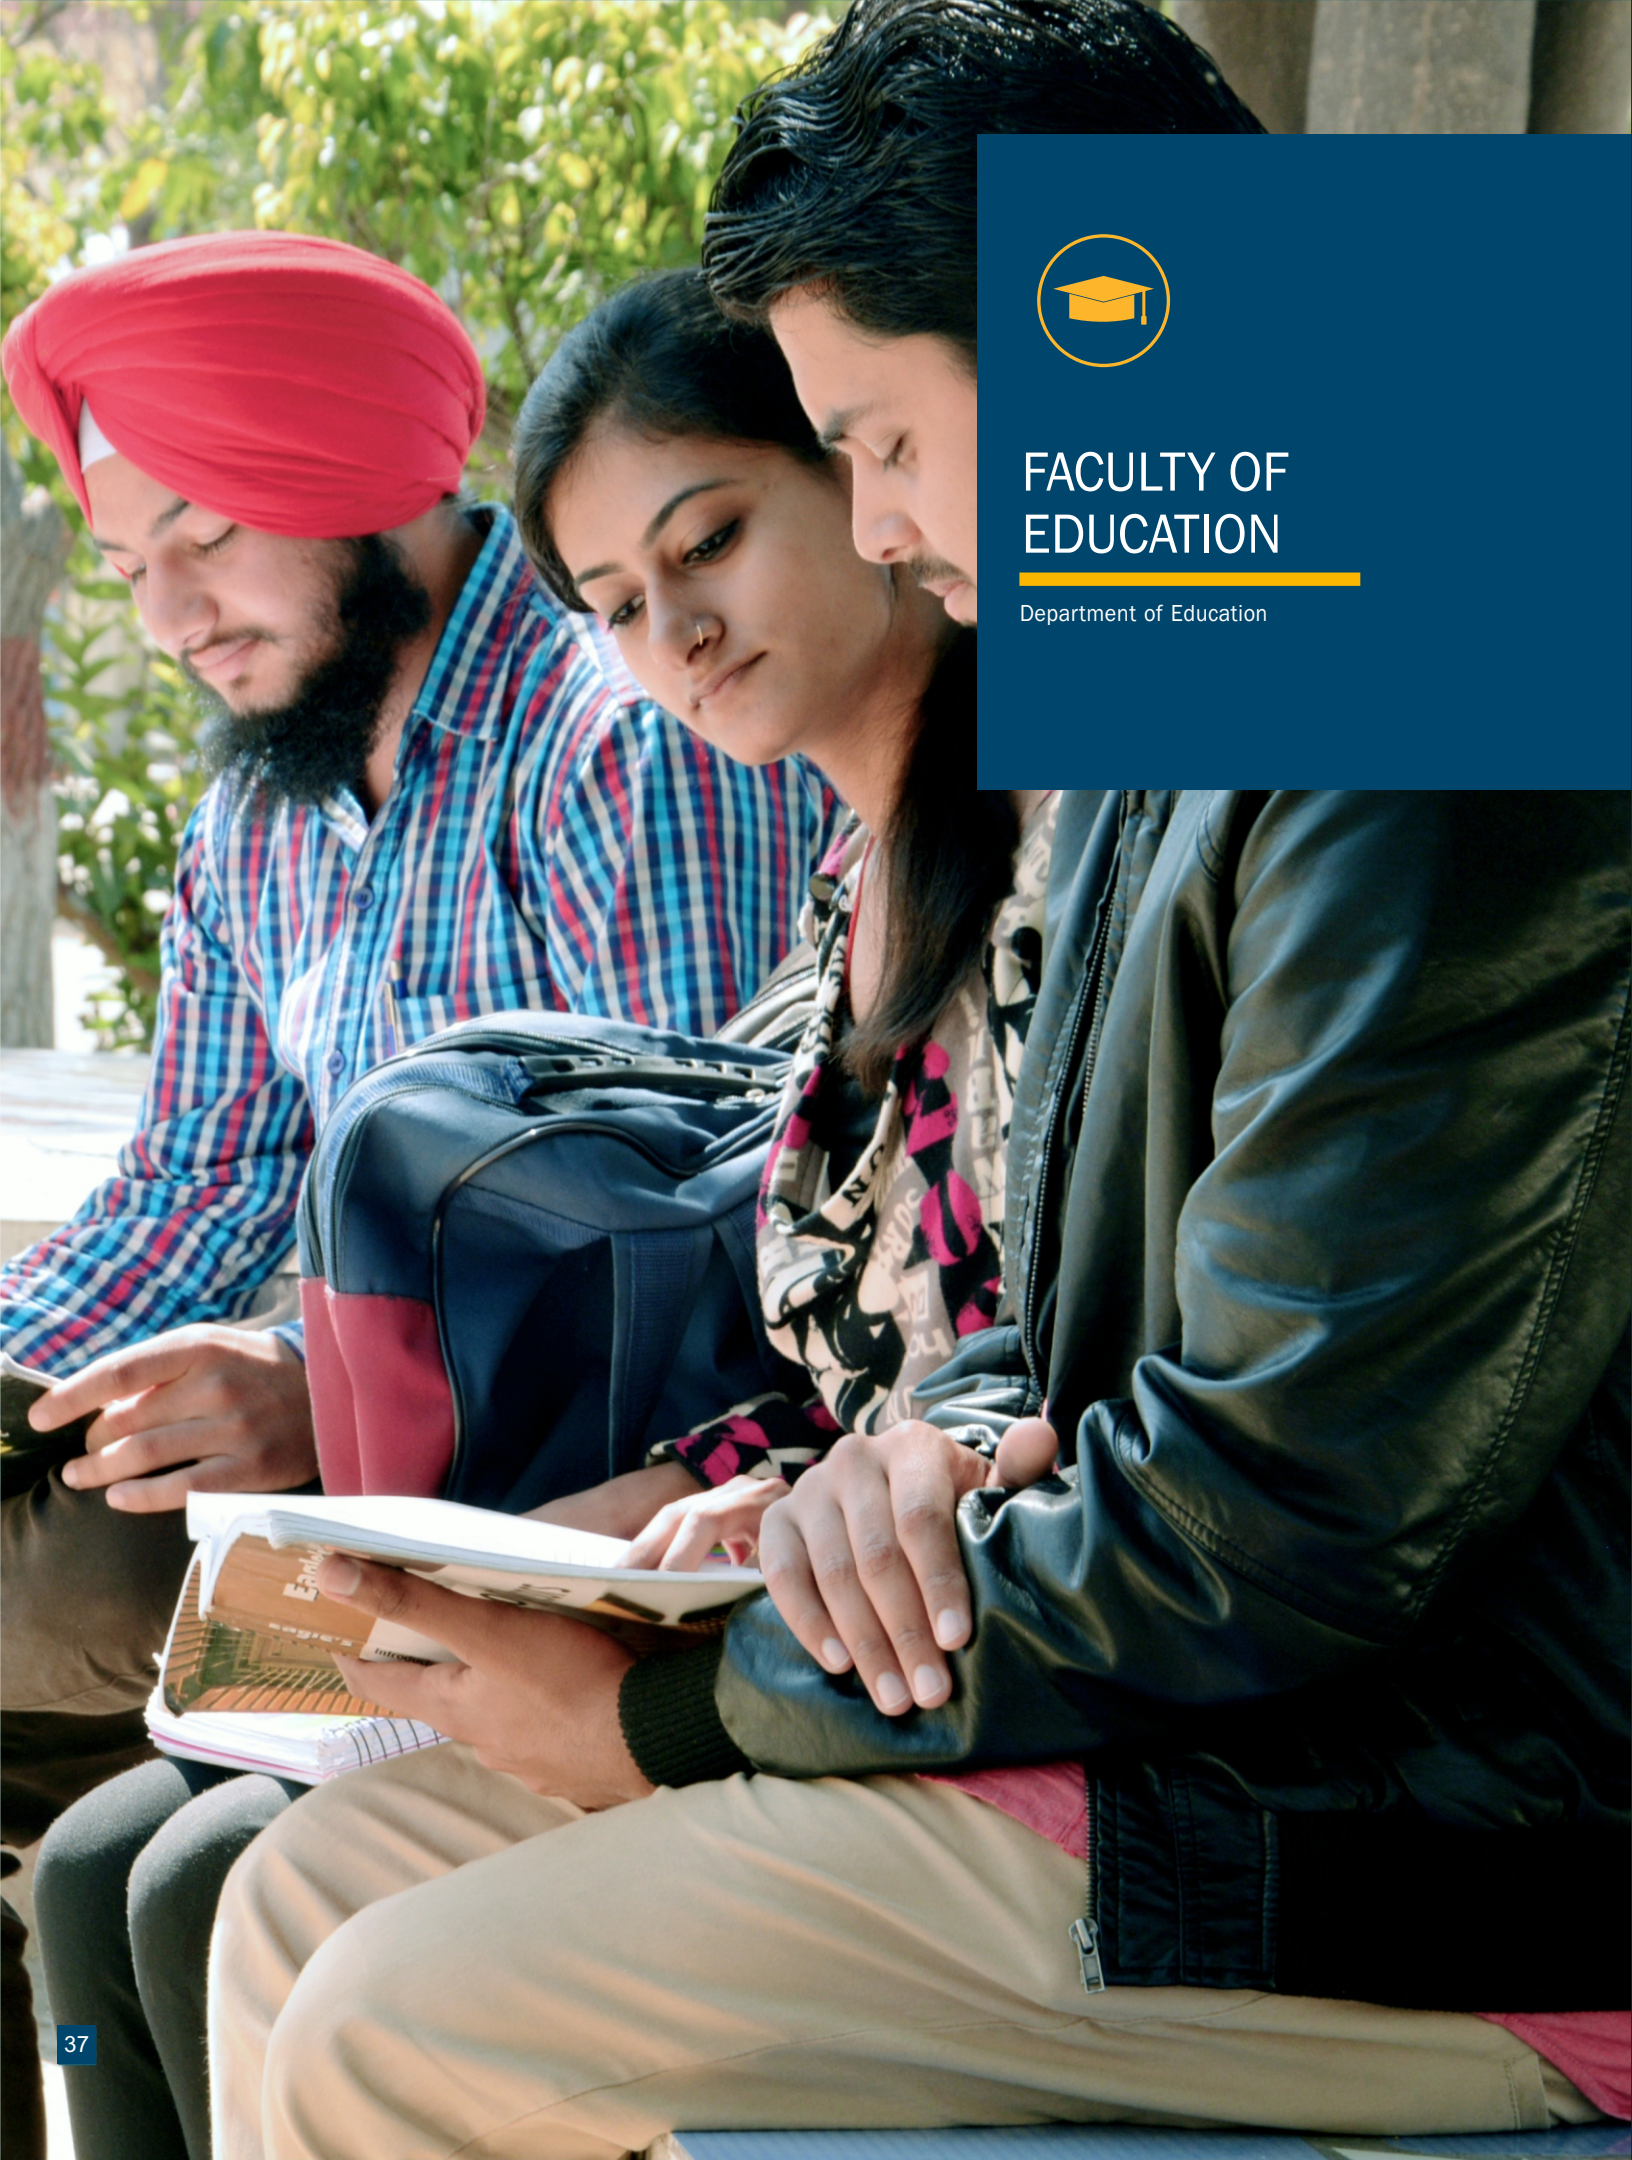

- Work on renewable energy resources as Solar Car, Solar Ac, Hydraulic Loader, Compressed Air Car, 360 Angle Rotation Car.
- Department has young & highly motivated faculties with good academic experience.
- Most of the faculty members presented & published papers at several reputed National, International conferences and journals.
- CSE has well equipped laboratories with hardware and software Facilities.
- Department is working on outcome base teaching-learning process.
- The Department has ACE Club under which cultural, technical and non-technical events are organized.
- Department has good number of Placements
- Summer Internship in Industries is provided to student by Department.
- Department has organized soft Skill & Technical Skill development programs for students in coordination with T&P Department.
- Expert & Disciplined Faculty, teaching through digital notes, well equipped labs, trained lab instructor. More Emphasis on Practical Knowledge, hands on training for under graduate students. Imparting knowledge of basic Softwares used in Electronics engineering like MATLAB, XILING, ORCAD etc.
- Electrical Engg. is fascinating and rewarding field of study with many opportunities to solve key engg .problems.
- Emerging sectore in Air Transpotation
- Students from B.Tech 3rd year cleared AMCAT exam
- Industrial Visit in each Semester
- Conducted A National Seminar RT/AT (Recent Trends in Aerospace Technology) -2016

- The major strength of department is experienced & motivated faculty working together as a team.
- Department has developed extraordinary Infrastructure, Class Room, Laboratories, CAD labs.
- Department has strong links with construction Industries in the form of regular Industrial Visits, Guest Lecturers, and Summer Training for all students and value added workshop on auto-CAD.

Best Features of Department:

Project work in innovative technology.

- It is the BEST Engineering having Open Source Projects and other engineering disciplines depend on CSE like CAD: Computer Aided Design, Simulators and so on.
- more focus on practical, skill development and technical training.
- Invention new building material & Designing Green Buildings (promoting Sustainable development)
- Facilities : CAD, computer assisted design, simulation, MATLAB.

FACULTY OF EDUCATION

Department of Education

The Faculty of Education at the university offers the largest and most comprehensive teacher training programs that qualify students to teach in a variety of educational institutes across India and abroad at the pre primary, elementary and secondary level. The training curriculum meets the standardized qualification for teachers under the RTE Act and is in alignment with the mandate of NCTE. The school of education continually welcomes students in a milieu of incessant learning, training reflective practitioners that can respond adequately to the diverse requirements of students in managed classroom sessions of the twenty first century.

Best features of Education department

Choice Based Credit System, Module System, E- journals, Books, International Seminars, Food Processing Unit, Educational Trips, Inter house Activities, NSS Unit, Shakti Scholarship Scheme, Red Ribbon Club, Music & Art Club, Training in making, handicrafts, Candle Making, Flower Making.

Courses Offered:

Ph.D/M.Phil in Education

Duration : As per UGC norms | Eligibility: As per UGC norms

M.Ed. Eligibility: 55 % (Gen) and 50% (SC) in B.A., (If less than Marks in BA than PG marks considered), Duration: 2 years, B.Ed with 55% marks

M.A. Education Eligibility: 50% (Gen) 45 % (SC) in B.A. in aggregate and in the concerned subjects. (Other States 40% in aggregate and in the concerned subjects.), Duration: 2 years, Graduation with 50% marks

B.Ed, Eligibility: 50% (Gen), 45% (SC) in B.A., (If less than Marks in BA than PG marks considered), Duration: 2 years

Scope:

Teaching, Counseling, Social Welfare department, Banks, Call Center, Language Department

Key Highlights:

Guidance and Counseling Cell, Women redressal cell, Social awareness Rally & Winter fair

Accreditations:

NAAC 2010

FACULTY OF SOCIAL SCIENCES AND LANGUAGES

Department of Political Science /Public Administration
Department of History
Department of Psychology
Department of Sociology

Understanding social phenomena is vital in our complex and fast-moving world. Faculty Of Social Sciences And Languages is a team of world-class academicians that range widely across disciplines to engage with issues that matter today. Studying social sciences will inspire and challenge students interested in exploring subjects like History, Political Science, Sociology, Public Administration. Our social scientists work together on many interdisciplinary projects although each division is a centre of excellence in its own right for research, teaching and learning.

Courses Offered:

Ph.D/M.Phil in Social Sciences and Languages

Duration : As per UGC norms | Eligibility: As per UGC norms

M.A History

Eligibility: Graduation with minimum 45% Marks in aggregate for General Category & 40% for SC/ST/OBC or 50% in relevant subject
Duration: 2 Years

M.A Political Science

Eligibility: Graduation with minimum 45% Marks in aggregate for General Category & 40% for SC/ST/OBC or 50% in relevant subject
Duration: 2 Years

M.A Public Administration

Eligibility: Graduation with minimum 45% Marks in aggregate for General Category & 40% for SC/ST/OBC or 50% in relevant subject
Duration: 2 Years

M.Sc. Psychology

Eligibility: Graduation with minimum 50% Marks in aggregate for General Category & 45% for SC/ST/OBC or 50% in relevant subject
Duration: 2 Years

M.A Sociology

Eligibility: Graduation with minimum 45% Marks in aggregate for General Category & 40% for SC/ST/OBC or 50% in relevant subject
Duration: 2 Years

Scope:

The university trains the next generation of social science graduates for a plethora of opportunities in fields like administration, advertising, broadcasting, charity, consultancy, public relations, recruitments, marketing research, social research, social work, teaching, youth work, entertainment, media, law enforcement and protection, housing, teaching, international development, trade unions, youth justice, probation services public administration and healthcare.

FACULTY OF LEGAL STUDIES

Department of Law

At Faculty of Legal Studies, academics are about more than just course work. They are about interdisciplinary intellectual dialogue, first-hand layering, clinical experiences and always a global approach to training the leaders of tomorrow. The Faculty of Legal Studies works towards the advancement of institutional expertise in the area of legal research and education by augmenting academic and professional excellence, developing critical and relentless engagement with legal theory and practice, synergizing law, legal research, legal education and action to further the quest for justice.

Courses Offered:

Ph.D/M.Phil in Law

Duration : As per UGC norms | Eligibility: As per UGC norms

LLB

Eligibility: (for gen. 45%) (For others 40%) on Graduation basis | Duration: 3 Years

BALLB

Eligibility: (for gen. 45%) (For others 40%) on 10+2 basis | Duration: 5 Years

LLM

Eligibility- Graduation with minimum 45% marks | Duration- 2 year

Scope:

Practice, Judicial services, Legal advisor, law officers, Teaching

Accreditations:

Approval from Bar Council of India

Key Highlights:

Moot courts, Legal aid camps, Court visits

Best Features

Free legal advice available

FACULTY OF AGRICULTURE AND LIFE SCIENCES

Department of Agriculture
Department of Botany
Department of Zoology

The Faculty of Agriculture and Life Sciences encompasses agricultural production and the environment goods and services that the rural sector provides. We have an ambition to enable 21st century to feed, fuel and clothe the world's burgeoning population, using agricultural systems that are sustainable, humane, and beneficial to rural environment and those who work and dwell there worldwide. The department has the focus on teaching, learning and research in animal science, crop science, international development and the environment. The modular structure of our courses allows students to select from many subjects taught across the faculty and the university by experts in their field, thus providing for the individuals student's specialist needs as well as developing a core understanding of their subject.

Courses offered

Ph.D/M.Phil in Botany and Zoology

Duration : As per UGC norms | Eligibility: As per UGC norms

B.Sc. Agriculture Hons

Duration: 4 years, Eligibility: 10+2 pass in Medical or Non medical or equivalent with minimum 45% marks

M.Sc. Botany

Eligibility: B.Sc. Medical with 55% marks. (Botany as one of the subject), Duration: 2 Years

M.Sc. Zoology

Eligibility: B.Sc. Medical with 55% marks. (Zoology as one of the subject), Duration: 2 Years

Scope:

Well-paid careers are available for qualified agricultural graduates in government and public sector organizations, agribusiness firms, food processing and retail industry, research organizations and laboratories, banks and financial corporations, central and state government organizations and private firms.

Best Features

- Well qualified faculty
- Practical approach towards teaching
- Focus on learning and research
- Introduction to latest technology in the field of Agriculture
- Semester training for practical knowledge
- Special workshops for gaining knowledge about latest techniques
- Introduction to latest technology in the field of agriculture
- Usage of machinery
- Study of irrigation systems
- Generation of ideas towards more production
- Detailed study on the fertility of land and its production

Labs & Farms

Agricultural Farms, Basic Agriculture Lab, Plant Pathology Lab, Soil Testing Lab, Agronomy and Horticulture, Tissue Culture Lab

FACULTY OF AYURVEDA AND RESEARCH

Department of Ayurveda and Research

Ayurveda also called 'the science of life' originated 5000 years ago and is most ancient system of healing known to man today. The study of ayurveda lays a powerful emphasis on prevention by balancing every individuals unique patter of energy that manifests as physical, mental and emotional. The science involves a careful health assessment and examination of the root of imbalance in relation to key symptoms and also a thorough evaluation for suitability of treatments. The centre of Ayurveda was the first school of Ayurvedic Sciences to establish in Punjab with a 150 bedded hospital and a Panchkarma centre. The institution since its foundation in 1996 has over the years evolved from a refined college to an august university offering more than 256 professional programs today in various disciplines of engineering, science, commerce and arts.

Courses Offered:

Ph.D in Ayurveda

Duration : As per UGC norms | Eligibility: As per UGC norms

M.D. (Kayachikitsa)

Eligibility: BAMS with all India Ayush Post-Graduate Entrance Test (AIAPGET)

Duration: 3 yrs,

M.D. (Rasashastra)

Eligibility: BAMS with all India Ayush Post-Graduate Entrance Test (AIAPGET)

Duration: 3 yrs,

BAMS

Eligibility: 10+2 Medical with 50% Marks in PCB & English and National Eligibility Cum Entrance test (NEET)

Duration: 5½ yrs,

Scope:

Govt. Job/Own Practice/ Lectureship / can run Pharmacy /Panchkarma Center

Best Features

Well Established Pharmacy & Hospital

Shining Star

Isha, Manmeet, Harmandeep, Amrit Kaur

FACULTY OF NURSING

Department of Nursing

We provide the education which meets the latest international medical standards. The net result of education and training at our school prepares competent nurses capable of working under all sorts of situations. Keeping in mind the huge demand for skilled nurses all over the globe the university offers highly sought after B.Sc Nursing courses targeting high quality patient care and able handling of clinical complications through M.Sc. Nursing, and Post Basic B.Sc. Nursing. Our faculty is engaged in training students in a live hospital environment where they have the opportunity to work alongside doctors and see a one to one interaction with patients and also take relevant notes. Regular medical checkup camps help students learn the required communication skills relevant to their profession whilst also learning how to deal with patient with severe to mild illnesses. Reaching out to community is a top initiative at Desh Bhagat College of Nursing, Punjab rather than perusing the doctrine of theoretical knowledge only.

Courses Offered:

Ph.D/M.Phil in Nursing

Duration : As per UGC norms | Eligibility: As per UGC norms

M.Sc (Nursing)

Should be registered Nurse & registered Midwife from any nursing council, B.Sc Nursing/ B.Sc. Hons. Nursing/ Post Basic B.Sc Nursing with Minimum 55% marks, Minimum 1 year work Exp. after B.Sc. Nursing and minimum 1 year work exp after or before post basic B.Sc. Nursing.

Duration: 2 years, Eligibility: Graduation in nursing with 50% marks.

B.Sc (Nursing)

Minimum age for admission shall be 17 year on 31st Dec. of the year in which admission is sought.

Duration : 4 years, Eligibility: 10+2 (Medical), 45% in PCB, English as Qualifying Examination

Post Basic B.Sc (Nursing)

Duration : 2 years, Eligibility: Diploma in Nursing (GNM) + Registration with State Council, GNM pass with RN/RM Number

Scope:

Nursing Officer, Nursing Educator, Clinical Instructor, Tutor, Demonstrator, Lecturer, Staff Nurse

Recognitions & Collaborations:

Indian Nursing Council, Delhi.

CIP, Ranchi

Mansik Arogyashala, Gwalior

IHBAS, New Delhi

Civil Hospital, Fatehgarh Sahib

Civil Hospital Amloh

Mata Kaushalya Hospital Patiala

Best Features

Well infrastructure and equipped Nursing laboratories

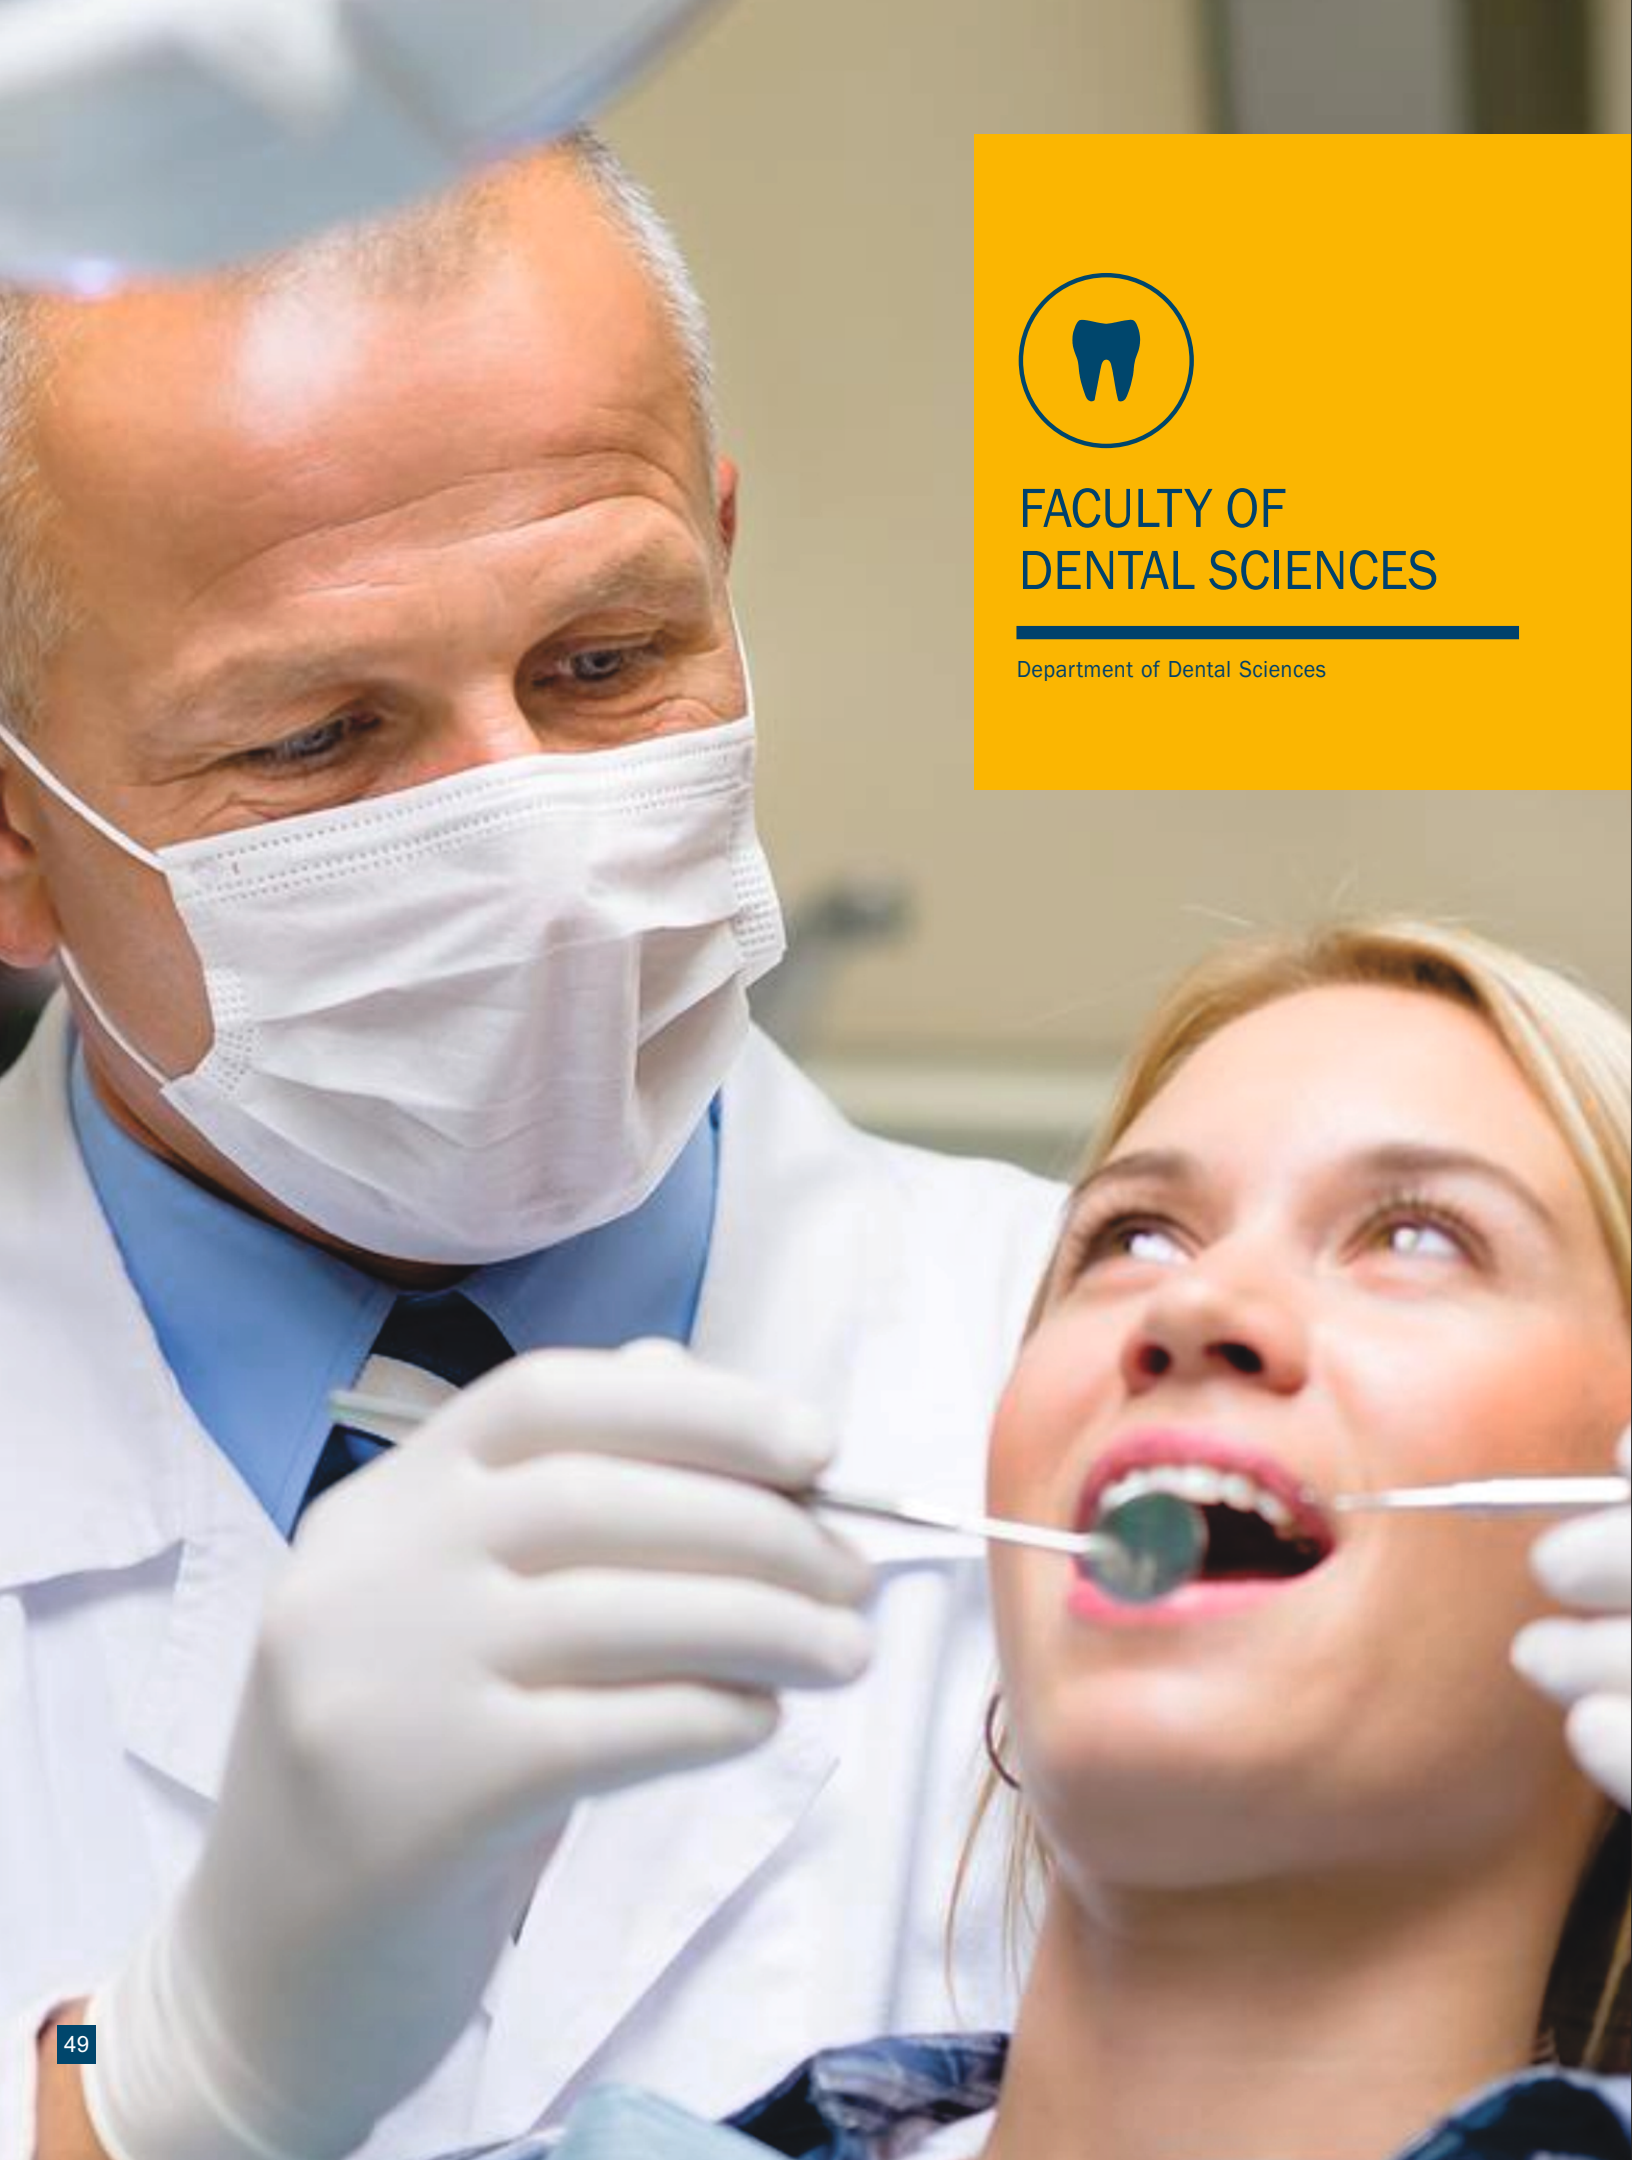

Hard Working and Punctual faculty

Good clinical experience provided to students by college.

Placement

Specialty Hospital: IVY, Fortis, Max Hospital , DMC, AIIMS.

Student Placed at various nursing colleges & National and international Hospitals and Universities for higher study.

FACULTY OF DENTAL SCIENCES

Department of Dental Sciences

PG School of Dental Sciences and Hospital owes its formation to the father of Dr. Zora Singh, Late Sardar Lal Singh Ji who was a veteran freedom fighter and was close associate of Netaji Subhash Chandra Bose. Desh Bhagat Dental College & Hospital was established in the year 2000. A decade is like a speck in the life of a vibrant institute and during these years DBDC has incredibly nurtured its legitimate assertion of being recognized as a premier post graduate institute of the region by sprouting prudent & capable Dentists out of BDS & MDS aspirants

The institute has renowned professional and experienced faculty fulfilling all norms of qualification and service laid by the Dental council of India. The faculty is committed to give its best to the students and they all are stalwarts of their own fields.

Courses Offered:

Ph.D in Ayurveda

Duration : As per UGC norms | Eligibility: As per UGC norms

BDS

Eligibility: Marks of qualifying exam 10+2 (PCB) with 50% & above, Duration: 5 Years

Admission on NEET UG as par Punjab GOVT. Notification of proceeding year or as a mended time to time and as par norms laid down by DBU

MDS in

Periodontology, Conservative Dentistry, Endodontics, Orthodontics, Dentofacial Orthopedics, Prosthodontics- Crown & Bridge. Duration 3 Years

Eligibility: B.D.S., NEET PG as par Punjab GOVT. Notification of proceeding year or as a mended time to time and as par norms laid down by DBU

Scope:

Govt. Job/Own Practice/ Lecturership

Accreditations:

Dental Council of India (DCI)

Best Features

- Student equipment ratio is 1% under recommendations of dignitary faculty, the practical equipments are update regularly, with latest technical innovations.
- Advanced sterilization equipments and latest bio-waste systems have been provisioned for ensuring medical friendly environment.
- We equipped museums and display posters displayed in each department to enhance assimilation and comprehension.
- Latest high resolution x-ray machines, and multi feature OPG equipment.
- Mortuary to ensure proper preservation and availability of Cadavers.
- Oral surgery department with minor and Major OT.
- Fully automated Out Patient Department (OPD) for speedy management of patients and documentation of their records

FACULTY OF PHARMACY

Department of Pharmacy

The profession of Pharmacy has transformed into a hub for the “global health care” & evolved as a multi disciplinary, multi faceted curriculum. In an increasingly competitive market for quality employment the School of Pharmacy offers an unparalleled opportunity to experience a clinically focused, science-driven course, designed to equip you to be a future leader & health care professional.

Courses Offered:

B.PHARMACY

Eligibility: 10+2 (MEDICAL / NON MEDICAL)

Duration: 4 years

D.PHARMACY

Eligibility: 10+2 (MEDICAL / NON MEDICAL)

Duration: 2 years

Scope:

Over the years, pharmaceutical scientists have been instrumental in discovering and developing innovative drugs that save thousands of people's lives and improve the quality of life for many others. Pharmaceutical scientists can pursue a variety of jobs. They are employed by pharmaceutical companies, they work as pharmacists, doctor, and as researchers and professors at universities, as regulatory scientists for agencies like the Food and Drug Administration (FDA), and as researchers at national laboratories such as the National Institutes of Health (NIH)

Best Features

- Approved by Pharmacy Council of India (PCI)
- High-tech, well equipped labs; serve as a strong framework for our graduates to help them develop capabilities to become world class pharmacists.
- The faculty has multi-faceted expertise with competencies in a variety of domains including clinical & scientific domains.

FACULTY OF ALLIED AND HEALTH SCIENCES

Department of Paramedical Sciences
Department of Radiology

Being an essential component of the Health Care Services, Para Medical Science assumes a noteworthy part in medical science for the diagnosis and treatment of various ailments & diseases. The university offers the best courses in Punjab in this field with clinical placements to gather firsthand experience of working with patients and contemporary equipment. Despite the fact that decision making for patient consideration lays on doctors, its implementation and performance lies on the paramedical staff. They remain as essential columns between the two and can influence patient consideration. Para-Medical Science also deals with handling, utilization & maintenance of diagnostic & analytic apparatus utilized in clinically laboratory, technical tools used in various therapies of physiotherapy & the apparatus used in operation theatres by OT professionals.

Courses Offered:

Diploma in Medical Lab Technology (DMLT)

Eligibility: 10+2 with minimum 45% aggregate, Duration: 2 Years

B.Sc. in Medical Lab Technology (B.Sc. MLT)

Eligibility: 10+2 with Medical (Non- Medical Students is not eligible) with minimum 50% aggregate, Duration: 3 Years

B.Sc. in Medical Lab Technology (LE)

Eligibility: 10+2 pass with minimum 50% aggregate (any Stream) with 2 year diploma in MLT

B.Sc. in Operation Theater Technology

Eligibility: 10+2 pass or equivalent with minimum 50% marks (Medical/Non-Medical), Duration: 3^{1/2} Years

B.Sc. in Radiology Imaging Technology

Eligibility: 10+2 pass (Medical/Non-Medical), Duration: 3 Years

M.Sc. in Medical Lab Technology (M.Sc. MLT)

Eligibility: B.Sc with Medical (Non- Medical Students is not eligible) with minimum 50% aggregate, Duration: 2 Years

Diploma in Emergency & Trauma Care

Eligibility: 10+2 (any stream) with minimum 50% marks, Duration: 1 Year

B.Sc. in Radiology

Eligibility: 10+2 pass (Medical/Non-Medical), Duration: 3 Years

Scope:

A large number of avenues are open for Para medical professionals in ambulance services, critical care, primary care, hospitals, pathological diagnostic labs, nursing homes. Paramedics are completely responsible for resuscitating and stabilising patients, using high tech equipments like the defibrillator, applying spinal and traction splints, administering intravenous drips, drugs and oxygen. Paramedics are also found to work with government, police, flight crews and coast guards. Physiotherapist can get employment anywhere in the hospitals be it ICU or Geriatrics. There is also scope for private practice and teaching. They can also opt for higher studies.

Placement

Students have been placed in reputed hospitals and diagnostic centers.

Ragging in any form is Strictly Prohibited

Anti-Ragging measures are taken as per guidelines of various authorities such as-

- With the direction of Hon'ble Supreme court of India, dated 8-5-2009 (in Civil Appeal No. 887 of 2009)
- Guidelines of University Grants Commission vide www.ugc.ac.in
- Punjab Govt. as per The Punjab Educational Institutions (Prohibition of Ragging) Act, 2013 Punjab Act No. 25 of 2013
- Decisions taken from time to time by District level Anti Ragging Committee constituted under the Chairmanship of Deputy Commissioner

As per the orders/ Instructions/ guidelines issued by the above mentioned authorities, the following steps are taken in the University:

- An Anti Ragging Committee has been Constituted at the University level.
- Anti Ragging Squad has been constituted to ensure proper compliance of various instructions relating to prevention of ragging in the University.
- A monitoring cell has been established to co-ordinate the activities relating to prevention of ragging by the students in the University Campus / Hostels.
- Orientation programs and counseling sessions are held regularly to create a proper environment for preventing any act of ragging.
- Each student is required to fill his/her affidavits ONLINE. Every student must submit an Anti Ragging Form at the time of admission in the University. This process must be repeated by every student every year (Not only the new coming First Year student). There is no need for Notary or Stamp Paper. For this, all students and parents will fill up the anti-ragging forms which are available on Desh Bhagat University website by following the below mentioned steps:

Steps :-

- Visit the website www.deshbhagatuniversity.in
- Click on the link Anti Ragging
- Fill the online form
- The hard copy of the forms duly filled in by students/ parents is to be submitted in the Admin Office of the concerned University School.
