About SunRise University

Sunrise University is situated on a sprawling campus of 30 acres in the National Capital Region Alwar which is also known as "Tiger Gate of Rajasthan". It is established under Sunrise University Act, 2011 (Act No. 22 of 2011) and recognized by University Grant Commission u/s 2(f) of UGC Act, 1956. Sunrise University is a venture of well known and reputed educational group "IET Group of Institutions".

The Success story of the IET Group of Institutions which started with the establishment of IET Engineering College Alwar in the year 1998, is continuing with a new chapter being added to it every year. The Group is ISO 9001 : 2000 Certified institution and also got NBA Accreditation for international quality in education by Govt. of India. Presently 2 Engineering Colleges, one Pharmacy

College and one Homoeopathic Medical Colleges are running under the IET Group. The Group is running B.Tech., M.Tech., MBA, MCA, B.Pharmacy, M.Pharmacy, BHMS Degree Courses, with the approval of AICTE, Govt. of Rajasthan and affiliated to Rajasthan Technical University, Kota, Rajasthan University of Health Sciences, Jaipur, & Rajasthan Ayurved University, Jodhpur. Presently approx. 8000+ students from different parts of the country are studying in the IET Group in different disciplines. Best Engineering College of Rajasthan - 2010, 2011 & 2012 Awards have been awarded by Dr. Kiran Bedi, Mr. Chetan Bhagat and Mr. Shashi Tharoor.

The Sunrise University has been established by learned educationist Dr. V.K. Agarwal, MBBS, DCH, MBA (Chancellor) with a vision to meet the dynamic needs of competitive world through a valued systematic functioning and bring out professionals of high caliber and competence, who can bring a qualitative

Strong Academic Heritage

change to nation through their contribution.

The Sunrise University operates under the guidance of the Chancellor Dr. V.K. Agarwal, Vice Chancellor Prof. (Dr.) S.K Gupta, Executive Director, Dr. Manju Agarwal, Registrar Dr. R.S. Parihar and Director Er. Deep Kamal Agarwal. The Board of Management & Academic Council under the leadership of several learned academicians, experienced administrators & Industrialists are regular contributors to its success story.

Good infrastructure facilities have been created to cope with the increase in enrolment of students in various on-campus programmes. New laboratory facilities in terms of space and quality equipments have been provided to cater to the needs of the learners and researchers. High-tech class rooms and digital library facilities are some of the latest technological facilities created in the University.

An Internal Quality Assurance Cell has been created to monitor the quality of academic output. The departments of study conducts national and international seminars, symposia, workshops and conferences so as to expose teachers & students of the University to new trends in teaching and research at the global level. A Students PDP Cell for on-campus students has been set up to develop the individual student's personality.

With a view to prepare the student for their profession, and in particular to impart right attitude and required skills to get employment, the placement cell in association with IET Group is functioning in the Sunrise University. It can rightly be said the entire area will witness a new "SunRise" which will dispel the darkness of ignorance.
