### Our Mission

We are committed to develop this University into an Institution to provide quality medical education and most efficient but affordable medical treatment to the patients of State of Rajasthan. Mahatma Gandhi University of Medical Sciences & Technology is so far the only self-financing residential Medical University in the State of Rajasthan. In contrast to others it is a unitary University exclusively dedicated to the medical education.

The University proposes to develop innovative courses in Medical, Dental and other disciplines to provide a thrust for creating a rather new education in medical sciences. Para-Medical and parallel medical courses of different kinds ranging from Ph.D., M.Sc./B.Sc. to University Advanced Certificate Courses have been launched as a part of our efforts to develop this University as an Institution of excellence. The University has also started courses of allied Medical Technology which are totally related to medical sciences. We have more than 1400 bedded teaching hospital

known as Mahatma Gandhi Hospital and also have a full fledged teaching Dental Hospital - both located in the same University campus. The teaching Hospitals besides having the training facilities for MBBS & BDS and PG courses of MD/MS & MCh in almost all the disciplines, permitted/recognized by their Statutory Councils and Government of India - also have many specialties which make it distinctive from other routine medical college hospital. We have the Super Specialties Services of Cardiothoracic Surgery, Cardiology, Urology, Nephrology, Neurology, Neurosurgery, Paediatric Surgery, Plastic Surgery, Gastroenterology, Medical Oncology, Surgical Oncology, Cardiac Anaesthesia, Surgical Gastroenterology, Reproductive Medicine & Surgery, Endocrinology, Clinical Haematology and Rheumatology. First cadaveric renal transplant and first heart transplant in the State of Rajasthan have been successfully performed here.

Our mission/Approach is ethical and meaningful out put driven.

### India Education Trust

India Education Trust is the sponsoring body of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and established as a Public Charitable Trust duly registered with the Government of Rajasthan, vide registration no. 20/Jaipur/1999dt. 24-5-1999 under Rajasthan Act of 1929. The Trust is also registered with the Income Tax Department since 1961 and is exempted from tax. The Registered Office of the Trust is: India Education Trust, Area, Sitapura, Tonk Road, Jaipur - 302 022.

The main objectives of the Trust are - to continuously improve the health status as well as advanced health care, to establish hospitals including specialty and sub-specialty, maternity homes and RCH centres, to develop and administer research and medical, dental, nursing and pharmacy, to develop health manpower by one and allied health care professionals, and to promote and subsidize activities which are catering and improving public health at large.

## India Education Trust

India Education Trust is the sponsoring body of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and established as a Public Charitable Trust duly registered with Devasthan Department, Government of Rajasthan, vide registration no. 20 / Jaipur / 1999 dt. 24-5-1999, under Rajasthan Public Trust Act, 1959. (Act No. 42 of 1959). The Trust is also registered with the Income Tax Department under Section 11 of Income Tax Act, 1961 and is exempted from tax. The Registered Office of the Trust is: India Education Trust, RIICO Institutional Area, Sitapura, Tonk Road, Jaipur - 302 022

The main objectives of the Trust are - to continuously improve the health status of people by providing primary as well as advanced health care, to establish hospitals including specialty and super-specialty clinics, dispensaries, maternity homes and RCH centres, to develop and administer research and educational institutions including medical, dental, nursing and pharmacy, to develop health manpower by creating training centres for medical and allied health care professionals and to promote and subsidize activities of other educational institutions which are catering and improving public health at large.

## Location

Mahatma Gandhi University of Medical Sciences & Technology and the Institutions attached to it are situated in a unitary campus in RIICO Institutional Area, Sitapura, Tonk Road on Jaipur-Kota National Highway, Jaipur - 302 022. The campus is just 9 km from the Sanganer Airport.

The entire land of about 36.5 acres has been developed into a self-sufficient campus in all respects. Today it is an oasis of peace and tranquility away from the noise and pollution of the urban conglomerates devoted to promoting excellence in educational and scientific endeavour. Comprehensive and ergonomic environmental planning of buildings, rooftop solar panels, roads, water supply, drainage, sewage, lawns and gardens have ensured 100% space utility with cost effectiveness. The buildings are situated at strategic locations to optimize the functional efficiency of various facilities.

वैष्णव जन तो तेने कहिये जे पीर पराई जाने रे...

## ADMINISTRATIVE CHIEF

**Dr Vikas Chandra Swarankar**  
MS (OBGYN), MS (Gen Surgery)  
Specialist in Reproductive Medicine & IVF  
**Chairperson**  
Mahatma Gandhi University of  
Medical Sciences & Technology  
**Director,**  
Jaipur Fertility Centre

Dr Vikas Chandra Swarankar is the Chairperson of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur, the first private medical University in the State and is also the Director of Jaipur Fertility Centre, nation's pioneering Fertility & IVF Centre.

He is one of the few clinicians in the State to have double Post Graduate degrees of Master of Surgery (MS) in General Surgery and in OBGYN. He was awarded a gold medal for topping the Post Graduate Examination. He graduated in medicine from Mahatma Gandhi Medical College & Hospital in 2009.

His area of interest is Reproductive Medicine and Advanced Reproductive Technology (ART), specializing in IVF-ISCI and Endoscopy. He has over 6 years of experience as a Fertility Physician and Endoscopist.

Apart from being a specialty doctor, Dr Vikas Swarankar is also an Administrator and Health Care Entrepreneur. He has over 11 years of experience in managing a large 1400-bedded University teaching hospital - Mahatma Gandhi Hospital. He has been an active witness to the growth story of this Hospital and is determined to take it to newer heights and make it a Centre of excellence in a number of medical super specialities.

## VISIONARY INCARNATE

**Dr M L Swarankar**  
MD (OBGYN - PGI), Ph D (h c)  
Specialist in Reproductive Medicine & IVF  
**Chairman & Managing Trustee**  
India Education Trust -  
Sponsoring Body of MGUMST  
**Emeritus Chairperson**  
Mahatma Gandhi University of  
Medical Sciences & Technology

Dr M L Swarankar is the Chairman & Managing Trustee, India Education Trust, Sponsoring Body of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur and Emeritus Chairperson, Mahatma Gandhi University of Medical Sciences & Technology, Jaipur, the first and the only residential Medical University in the State of Rajasthan, established under the Rajasthan Legislative Assembly Act No. 22 of 2011.

Dr Swarankar is Professor of Obstetrics and Gynaecology, a Physician of International Eminence in the field of Assisted Reproductive Physiology and a Specialist in Reproductive Medicine and IVF. He graduated with a gold medal from the University of Rajasthan and completed his post graduation from Nation's Premier Medical institute PGIMER, Chandigarh in 1982.

He had his basic In Vitro Fertilization (IVF) training from the University of Liverpool, UK. He had extensive training in USA, Germany, France & Australia etc., in the field of Advance Reproductive Technology & Microsurgery. He is the founder director of Jaipur Fertility Centre (now an urban satellite centre, a Unit of Mahatma Gandhi University of Medical Sciences & Technology, Jaipur) which is the first centre of Rajasthan & North India to have successful IVF programme and delivered more than ten thousand babies to infertile couples in the last two decades.

Ever since Dr M L Swarankar became a doctor he had a dream to make a Medical Institute par excellence which could provide quality medical education & world class quality health services to the community, especially to the poor and needy, as he desires to serve them on priority.

Dr Swarankar has been inspired by Mahatma Gandhi's favourite prayer song "वैष्णव जन तो तेने कहिये जे पीर पराई जाने रे" He who understands the pain of others is one of God's own.

## ADMINISTRATION

**Dr M C Misra**

MS, FRCS (Glasg.), FACS, FAMS,  
FCLS, Hon. FRCS

- Fine of Rs. 25,000.00 and Rs. 1 lakh.
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

## **University Rules and Regulations**

All students shall abide by the University/College Rules and Regulations, which are mentioned below :

1. Regularity and punctuality in lectures, demonstrations, practicals, clinical and class examinations are compulsory. Students, who do not show satisfactory progress and are found shallow in their conduct, will not be allowed to appear in the University examinations. Students, who do not maintain a satisfactory academic standard and conduct, will not be allowed to hold any office in the College or participate in any extracurricular activities.
2. Minimum required attendance as per the regulations of the MCI is compulsory. Any one failing to achieve this, shall not be allowed to appear in the University examination.
3. Students are not allowed to paste any notice(s) within the Institute, without prior permission from the office of the Principal. They are also forbidden to communicate with any outside agency / authority directly. All such communications must be submitted through the Principal, who will forward these to the office of the Principal, if considered desirable. Any student infringing this rule may be suspended.
4. The College does not hold itself responsible for debts incurred by the Students.
5. No two wheeler (LMV)/four wheeler is allowed in the University campus. An undertaking as per **Annexure – 1** to this effect has to be furnished by every candidate at the time of admission.
6. Strictly forbidden in or outside the university campus are:
  - a) Possession or use of alcoholic beverages,
  - b) Smoking, tobacco, pan masala etc,
  - c) Possession or use of addictive or hallucinogenic drugs,
  - d) Gambling,
  - e) Possession or use of firearms or any lethal weapons.

- f) Loitering around, especially under the influence of alcohol.
7. Students must pay for all damages caused by them to instruments, equipments, books and other property of the college/university.
  8. Practices such as smoking, taking alcohol, narcotic drugs, 'Pep' pills and smoking 'pot' which lead to degeneration of physical well being, loss of moral and spiritual values and damaging of personality are strictly prohibited in the college premises and hostels. Violation of these rules and regulations is viewed by the authorities as a serious offence and it may lead to disciplinary action even leading to suspension / expulsion from the college. Use of vulgar language and use of violence are also prohibited. Dancing in the College premises is discouraged.
  9. Any illness or / and minor ailment must be reported to the Principal or Warden as early as possible.
  10. Students must arrange for washable white coats, which are to be worn at all times in the college, laboratories and on hospital duty and also for their own dissecting instruments. Girls must put their hair up when at study in the college or hospital.
  11. College fees must be paid in full by the dates specified by the Principal. Any student whose fee, together with the fine if imposed, is still unpaid will be suspended from attending lectures/practical.
  12. Indiscipline of any kind shall be an offence punishable by orders amounting to even the expulsion of the student.
  13. The College is basically residential providing all amenities for physical and spiritual well being of the students.
  14. Hostel accommodation to all the residents admitted to the Post Graduate Medical Course is compulsory so as to maintain regularity, standard of medical education and discipline.
  15. Sick leave: In all cases of illness recommendation of sick leave in writing by the Warden or Medical Officer must be presented to the Principal. Further, students should present sick leave certificate to the Principal after presenting the leave slips to the department concerned.
  16. Other leaves: Taking leave during the term is

discouraged. However, if urgently required for any reason, parents or legal guardian of the hosteller should apply with a letter to the Principal through the Warden. Application should be sent well in advance. Students should inform the Warden before leaving the hostel when they proceed on weekend or any other leave. All students are required to inform the Principal and Warden in writing before they leave the hostel for more than 24 hours.

17. Official Leave: Students requiring leave for taking part in sports or games on behalf of the College should apply to the Principal through the Warden. Application should be sent well in advance.
18. Medical Examination: All the candidates provisionally selected for admission to various courses will be examined by the Medical Board duly constituted by the Principal & Controller of the MGMCH on the basis of criteria evolved for medical examination by the Principal & Controller regarding their general and physical fitness.
19. The University reserves the right to make changes in the Guidelines, Fee – Structure or any other information at any time without prior notice. The decision of the University shall be binding on all.

## Legal Jurisdiction

The Jurisdiction of all court cases shall be Jaipur Bench of Hon'ble Rajasthan High Court only.

**Dr G N Saxena**  
MBBS (Gold Medalist), MD  
**Dean Faculty of Medicine**  
Principal and Controller  
Mahatma Gandhi  
Medical College & Hospital, Jaipur

Dr G N Saxena is the Dean Faculty of Medicine as well as the Principal and Controller of Mahatma Gandhi Medical College and Hospital, Jaipur. He is an authority figure in the field of Medicine and has a teaching experience of more than 41 years. He has been honoured with State award for e-Governance, 2011 for computerization of state's medical colleges and initiating telemedicine. He has vast administrative and research experience.

Dr Saxena has been the Officer In-charge, Dr Robert Heiling Library, SMS Medical College, comprising of more than 50,000 Books and 9,000 Journals and the Chairman, Clinical Trial Committee, SMS Medical College, Jaipur.

He has been the Member, Healthcare Committee, National Knowledge Council. He participated in the establishment of the Indian National Health Knowledge Network helping in the dissemination of medical information and knowledge amongst medical practitioners and the general Indian population.

Dr Saxena, as member of the Undergraduate Committee, Medical Council of India deliberated and provided inputs on decisions regarding establishment of new and expansion of existing medical colleges in the country. He also rendered his services as Member, Research Advisory Committee, Indian Council of Medical Research (ICMR).

Dr Saxena designated, initiated and scaled-up the Rajasthan Telemedicine Network as State Nodal Officer to provide medical advice in remote areas of the State using expertise in the Medical Colleges. He also worked as State Nodal Officer, Computerization of Medical Colleges. He has also been the Member, Rajasthan Medical Relief Society and the Deputy Superintendent; and Food & Nutrition and Drawing & Disbursing Officer for SMS Hospital.

# Mahatma Gandhi Medical College & Hospital

Mahatma Gandhi Hospital (MGH) was formally inaugurated on 2nd October, 2000. At present this multi - specialty teaching hospital has over 1400 beds. There are fully furnished private rooms; Semi deluxe, Deluxe & VIP cottage available. MGH also provides adequate clinical Teaching Materials as envisaged by Medical Council of India, Dental Council of India, and Indian Nursing Council. NABH accreditation of Blood Bank, NABL accreditation of laboratory & NABH accreditation of hospital has been accredited by Quality Council of India.

The world - class infrastructure with the state-of-art medical equipment and highly reputed and experienced medical consultants/doctors/paramedical staff of MGH provides clinical support to the faculty of medicine resulting into efficient teaching in these institutions.

The Institute has comprehensive facilities for teaching, research and patient-care. MGMC&H conducts teaching programs in medical and paramedical courses both at undergraduate and postgraduate levels and awards its degree from Mahatma Gandhi University of Medical Sciences & Technology. Teaching and research are conducted in 23 disciplines. In the field of medical research, MGMC&H is having more than 60 research publications by its faculty and researchers in a year. Thirty two clinical departments including sixteen super speciality centres practically manage all types of disease conditions with support from Pre-and Para-clinical departments.

MGH has a fully developed NABL accredited central diagnostic laboratory in biochemistry, microbiology and pathology. A well-trained senior faculty supervises this lab which is one of the biggest in the State. MGH provides well-developed, unique services in the field of Advanced Reproductive Techniques (ART), medical and surgical endoscopy and NABH accredited modern blood banking with component therapy. MGH has started its Regional Emergency and Trauma Centre approved for Medico Legal Cases (MLC) along with well-equipped ambulance facilities meant to save lives of the victims of road accidents. The efficient and effective emergency department is well equipped with intensive care therapy, diagnostics, radio-diagnostic including ultrasonography and CT scan, MRI, Haematology and fully equipped modular operation theaters manned by eminent professionals and experts round-the-clock. This is the first trauma centre in the state approved by the Govt. of Rajasthan to deal with medico-legal cases including road traffic accident

and post mortem under the Dept. of Forensic Medicine of MGMC&H.

MGH has recently been upgraded with a state-of-art Cardiac & Critical Care Centre. The services at Cardiac & Critical Care Centre are available for patients by experienced Cardiologists & Cardiothoracic surgeons round the clock along with latest equipment & ultra-modren technology.

The Hospital has a modern Kidney Transplant & Urology Centre namely Mahatma Gandhi Kidney Transplant Centre which has started its functioning under expert Kidney Transplant Surgeons and Nephrologists. This centre gives quality medical services with ultra-modern techniques at affordable cost for all kinds of kidney ailments. A full-fledged Department of Oncology is launched with two linear accelerators for Radiotherapy services.

A world class Advance Cancer Treatment Centre - Sri Ram Cancer Centre has also been started in a separate building within the campus. It is equipped with two Linear accelerator, PET Scan, 3D Tesla MRI, Gama Camera and provision for Tele & Brachy therapy.

Mahatma Gandhi Medical College and Hospital, Jaipur started telemedicine department. It was designated as the nodal centre for all district hospitals, CHC, PHC by the Government of Rajasthan. At present MGH makes available Tele-consultation at 125 centre in various districts, satellite hospitals and community health centers of the state. Almost 500 patients per day are being seen on telemedicine network. These are part of the College of Health Informatics.

Mahatma Gandhi Medical College & Hospital, Jaipur is actively involved in implementation of National Health Programme like:-

1. Ayushman Bharat Mahatma Gandhi Rajasthan Swasthya Bima Yojna
2. Reproductive and Child Health Programme
3. Janani Suraksha Yojna
4. STD and Reproductive Infection Control Programme
5. National Immunization programme
6. National Blindness Programme
7. RNTCP-Revised National Tuberculosis Control Prgramme
8. National Leprosy Eradication Programme

# Mahatma Gandhi Medical College

# Admission to MD/MS Courses

Admission to MD/MS Courses in Mahatma Gandhi Medical College & Hospital (MGMCH), Jaipur - a unit of MGUMST, Jaipur for the academic year 2020-21 shall be governed by the :

1. Norms prescribed for entrance test (NEET PG – 2020) and counseling prescribed by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India.
2. Act and Statutes of Mahatma Gandhi University of Medical Sciences & Technology.
3. Directions / orders of Hon'ble Supreme Court of India from time to time.
4. Directions / Orders of Government of India and The Government of Rajasthan.

Only the candidates who have qualified the NEET-PG 2020 shall be eligible for admission to the Postgraduate MD / MS Courses . Admissions shall be made on the basis of merit marks obtained by candidates at NEET-PG 2020 conducted by the National Board of Examination, New Delhi.

Prospective candidates are advised to go through the '**Information Bulletin of NEET PG 2020**' for complete information regarding the examination conducted by National Board of Examinations (NBE) New Delhi, Ministry of Health & Family Welfare, Govt. of India and the counseling process for admissions in the institutes offering PG medical courses etc.

MGMCH, Jaipur has been offering various PG - MD / MS Courses which are duly approved/recognized by Medical Council of India/ Ministry of Health & Family Welfare, Govt. of India. The NBE has already notified MGUMST in its 'Information Bulletin' vide Annexure-I Serial No 188 and Page No 63.

## RESERVATIONS -

Admissions to MD/MS Courses shall be made as per the policy of the Govt. of Rajasthan prevailing at the time of Admission.

## Eligibility

**(A)** No candidate of any category (including Management quota) shall be eligible for admission to MD/MS courses in Mahatma Gandhi Medical College & Hospital, Jaipur, if he/she has not qualified NEET-PG 2020.

**(B)** Every candidate, being selected for admission to postgraduate medical course on any category seat should possess:

1. MBBS degree or Provisional MBBS Pass Certificate recognized as per the provisions of the Indian Medical Council Act 1956.
2. Permanent or provisional registration certificate of MBBS qualification issued by the Medical Council of India or State Medical Council.
3. Internship completion certificate showing the completion of the internship on or before 31st March 2020.
4. Qualifying certificate cum marks statement of NEET PG 2020 issued by the National Board of Examinations, New Delhi.

### **(C) Management Quota Seats**

15% of total number of seats available in MD/MS courses have been earmarked for Management Quota.

Eligibility for Admission on all category seats shall be as per the decision of the NEET PG Medical & Dental Admission / Counseling Board-2020 constituted by the Government of Rajasthan.

### **(D) Foreign Medical Graduates**

Indian citizens or overseas citizens of India who have obtained their Primary Medical Qualifications from Medical Colleges outside India should have qualified the Foreign Medical Graduate Examination (Screening Test) which is conducted by National Board of Examinations. Further, they should have been registered with MCI/SMC and should have completed their internship on or before 31.03.2020.

### **(E) Foreign Nationals**

1. It is not mandatory for foreign nationals to have temporary registration with MCI at the time of appearing at the NEET-PG 2020. They can appear at the NEET-PG without MCI registration. The Medical Council of India may, on payment of the prescribed fee for registration, grant temporary registration for the

duration of the Post Graduate course limited to the Medical college - Mahatma Gandhi Medical College & Hospital, Jaipur to which he/she is admitted for the time being exclusively for pursuing postgraduate studies. Provided further that temporary registration to such foreign national shall be subject to the condition that such person is duly registered with appropriate registering authority in his own country where from he has obtained his Basic Medical qualification, and is duly recognized by the corresponding Medical Council or concerned authority.

2. Students from other countries should possess passport, visa and exchange permits valid for the entire period of their course of study in this Institution and should also observe the regulations of both central and state governments regarding residential permits and obtain no-objection certificate etc., from time to time.

3. The student should have a provisional "Student Visa". If he/she comes on any other visa and is selected for admission, he will have to first obtain a student visa from his/her country and then only he/she will be allowed to join the course. Therefore it is imperative to obtain provisional student visa before coming for Counseling.

### **(F) Registration with MCI/SMC**

1. Every student, selected for admission to a Post Graduate medical course in Mahatma Gandhi Medical College & Hospital, Jaipur on acquiring MBBS Degree or an equivalent qualification thereto shall have to obtain permanent registration with the MCI/SMC within a period of one month from the date of his/her admission, failing which his/her admission to PG Medical Course in Mahatma Gandhi Medical College & Hospital, Jaipur shall stand cancelled.

2. For Foreign Nationals, Clause **(D)** as above shall apply.

(No separate merit list will be prepared for NRI Candidates)

## Selection of Postgraduate Students

Allotment and admissions on all the 144 seats including 22 seats of Management Quota shall be made by NEET PG Medical & Dental Admission / Counseling Board-2020 in Mahatma Gandhi Medical College & Hospital, Jaipur on the basis of merit marks obtained by the candidates in National Eligibility Cum Entrance Test NEET - PG 2020 conducted by National Board of Examinations (NBE) New Delhi governed by the Rules and Regulations specified by the Government of India, Ministry of Health & Family Welfare/Directorate General Health Services/and orders of Hon'ble Courts.

Admissions will be given as per the seat sharing matrix from amongst the NEET-PG 2020 qualified candidates on merit basis.

Reservation would be made applicable as per the reservation policy of Government of Rajasthan.

**Admission policy may be changed according to the law prevailing at the time of counseling / admission.**

### Counseling:

Counseling of the candidates who qualify the NEET-PG 2020 and are eligible for admission to MD/MS Courses in Mahatma Gandhi Medical College & Hospital, Jaipur will be done by the **NEET PG Medical and Dental Admission/Counseling Board - 2020** constituted by the Government of Rajasthan.

*All admissions shall remain provisional at the first instance subject to effective enrolment with affiliating University - MGUMST, Jaipur, as noted below, in a time bound manner.*

### University Enrolment

All the selected candidates provisionally admitted to the MD/MS Courses at MGMCH shall be required to apply to the Mahatma Gandhi University of Medical Sciences & Technology, Jaipur in the prescribed proforma with the enrolment fee and within the prescribed time schedule.

### Period of Training

The period of training for obtaining Post graduate degrees (MD/MS) shall be three complete years including the period of examination.

However, it shall be two years for candidates who have obtained the recognised PG Diploma in the particular subject.

80% attendance in each course is compulsory. Any one failing to achieve this, shall not be allowed to appear in the University examination. Students will be allowed 10 days leave in every 6 months. These will not be cumulative i.e. unavailed leave shall not be forwarded to next span of six months. Students will also be allowed 1 day off every week.

As decided by the Academic Council of the MGUMST in its meeting held on December 13, 2017 duly approved by the Board of Management of the University on December 21, 2017, academic performance of the students admitted to MD/MS PG Medical Courses in the academic year 2019-20 and onwards shall be assessed during their three years course duration before their university final examinations. There shall be 6 internal assessment tests during their three years duration course, with a gap of every 4 to 6 months. These internal assessment tests shall be conducted by the concerned department. The students will be required to qualify at least 3 internal assessment tests by securing at least 50% marks in each internal assessment test.

The students will also be required to fulfil other eligibility conditions like publication of papers, attending seminars/conferences etc as per the regulations of the Medical Council of India for PG MD/MS Courses before they are allowed to appear at the University Examinations.

### Stipend

During the said training period the students will be provided stipend prescribed by Government of Rajasthan /MCI from time to time.

In the subjects of Anatomy, Physiology and Pharmacology (in which no tuition fee is charged for admission), after completion of the course, the student will have to render his services at least for 1 year in Mahatma Gandhi Medical College & Hospital. In case a student after successfully completing his MD/MS course does not join/complete the senior residency/tutorship for 1 year, he/she shall have to deposit a sum of rupees equal to one year's stipend amount for the said course. A Surety Bond on non judicial stamp paper of Rs. 100/- shall be given by the student as per **Annexure – 2** at the time of admission.

### Migration

No application for migration to other Medical Colleges will be entertained from the students already admitted to the MD/MS course at this Institute at any point of time.
