UG & PG COURSES

GANNON UNIVERSITY (GU), USA AND MAHARAJA VINAYAK GLOBAL UNIVERSITY (MVGU), JAIPUR INDIA, PROUDLY ANNOUNCES FOR THE FIRST TIME A BEAUTIFULLY DESIGNED TWIN DEGREE PROGRAM IN BACHELORS ALONG WITH A WIDE RANGE OF MANY OTHER BACHELORS AND MASTERS COURSES.

INTRODUCTION

THE MAHARAJ VINAYAK GLOBAL UNIVERSITY, JAIPUR (MVGU)

Maharaj Vinayak Global University, Jaipur (MVGU) has come into existence vide Maharaj Vinayak Global University, Jaipur Act (Act No. 6 of 2012) passed by the Rajasthan state Assembly. MVGU is self financed private university and promoted by the Maharaj Vinayak Society. The university operates under the guidance of Chairperson Shri K. L. Mina, IAS (Retd.). The University is approved by UGC under section 2 (f) of the UGC Act 1956. Maharaj Vinayak Global University (MVGU) was established with the aim of providing quality higher education at par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. Experienced and Learned teachers are encouraged to nurture the students. The highly motivated youngsters on the campus are a constant source of pride.

GANNON

Founded in 1925, Gannon University is dedicated to a tradition of values-centered education and offers over 100 bachelor's, Master's and Doctoral programs. Gannon enrolls more than 4,000 academically talented and diverse students who enjoy a low student-to-faculty ratio of 13:1. The faculty and staff prepare students to be global citizens through programs grounded in the liberalarts and sciences and professional specializations. Gannon

University offers a Comprehensive, values-centered learning experience that emphasizes faith, leadership, inclusiveness and social responsibility.

TWIN DEGREE PROGRAM

Twin program offers Bachelor degree programs in Nursing(B.Sc.NUsing), Physiotherapy (BPT) & Occupational Therapy (BOT) at MVGU and Bachelor of Public Health (BPH) at GU. These two degrees if done individually are completed in Eight and a Half years while if done together through the Twinning Program will be completed in just Five Years and Two months.

PROGRAM STRUCTURE:

Year 1 (3 Semesters)	Gannon University	Bachelor of Public Health (BPH)
Year 2 (3 Semesters)	Gannon University	Bachelor of Public Health (BPH)
Year 3	MVGU	B.Sc. Nursing(BSN) / Bachelor of Physiotherapy(BPT)/ Bachelor of Occupational Therapy(BOT)
Year 4	MVGU	B.Sc. Nursing (BSN)/ Bachelor of Physiotherapy(BPT)/ Bachelor of Occupational Therapy(BOT)
Year 5 (First 6 Months)	MVGU	B.Sc. Nursing (BSN)/ Bachelor of Physiotherapy(BPT)/ Bachelor of Occupational Therapy(BOT)
Year 5 (2 Semesters) (Last 6 Months + 2 Months)	Gannon University	Bachelor of Public Health (BPH)

COURSES OFFERED:

- BPH from **Gannon University, USA** with
- B.Sc. Nursing or BPT or BOT From **MVGU, India**.

BENEFITS:

- Awarded Two Degrees in 5 Years and 2 months instead of 8.5 years.
- Substantial cost savings due to reduced number of years spent in USA.
- Take up overseas job with a lucrative pay package.
- Opportunity to learn in two different cultural environments.
- Opportunity to pursue Master's degree programs at the same university or any other top University across the world, possibly with Teaching or Research Assistantship, making your Master's degree inexpensive.

REQUIREMENTS :

- A pass in 10+2 or its equivalent with:
Minimum 60% aggregate in Biology, Physics, Chemistry & English.
- TOEFL / IELTS.

problems at the community level, students will learn to deliver health programs that target specific population groups and gain real-world experience through extensive classroom learning, hands-on experiences/service-learning and an internship in their field of interest.

YOU WILL EXPERIENCE:

The major combines a foundation in health-related courses, sciences, humanities and social sciences with courses in one or more departments. In addition to the major requirements students will select a concentration track that will build on their personal and career goals and interests.

BACHELOR IN PUBLIC HEALTH (BPH)

COURSE DETAIL:

The public health major is a new bachelor's degree program at Gannon with the goal to create a healthier world. Public health saves money, improves our quality of life, helps children thrive, and reduces human suffering. Graduates can expect to pursue job opportunities or graduate work in public health or medicine.

There is a growing demand for culturally diverse outreach workers who can speak a second language and are trained in behavioral and community-based intervention technologies to both educate and empower populations at risk to improve and enhance their health status.

YOU WILL LEARN :

Public health is the science and art of preventing disease, prolonging life and promoting health through planned and organized efforts. Focusing on health promotion and disease prevention and addressing complex health

YOU WILL ACHIEVE:

Public health program graduates are employed everywhere in health care including: hospitals, health care management organizations, state and county health departments, non-profit organizations, nursing homes, community-based wellness programs, school districts and healthcare accrediting agencies. The public health field offers a wide range of career options.
